YOUTHS HELD TO GRAND JURY FOR LARCENY

Patrolmen Found Packages They Carried Contained Tobacco Stolen From Store.

R. J. Fitzsimmons and Charles Miller, two youths arrested yesterday at

ternoon on the east side by Mounted Patrolman Croxford on suspicion and who subsequently confessed to having stolen 25 pounds of tobacco from the store of W. J. Funk & Co., 681 Union street, were before Judge Cameron this morning on charges of larceny. Both defendants waived a preliminary hearing and were bound over to the grand jury. Bonds were fixed at \$500 each, in default of which the prisoners were remanded to the custody of the sheriff.

MONEY FOUND ON BODIES GIVEN TO TREASURER

Twenty-three dollars which has been found upon the bodies of persons turned over to Coroner Finley was received

from the coroner by County Treasurer Lewis yesterday afternoon. Few of the bodies found during the last year had more than a few cents in the clothing, and in a number of instances the names of the unfortunate were never learned. In other cases nicknames were the best the coroner could do. "Johnny on the Spot" is credited with 18 cents. Where the county has been to an expense equal to or greater than the amount of money found, the coins will go to the benefit of the general fund.

Pay your west side gas bills before Friday, 4 p. m. Positively no discount after that day.

BISHOP SCADDING IN FAVOR OF SCHOOL FUND

"The field is the world and Oregon is the garden spot," is the theme of the address now being delivered in different cities of Oregon on "From Jamestown to Oregon," by the Right Rev. Bishop Scadding. The evening of May 6 a large and attentive audience listened to the bishop at Baker City, where his address was well received.

The bishop illustrates his lecture with a large number of lantern slides, showing the fruit orchards of the Hood River and Rogue River valleys and the

other great resources of Oregon. He dwelt in Baker City on the advantages of our educational institutions and closed his address with an appeal for support in enlarging these advantages.

He told of the work done at the University of Oregon and said that this state could not afford to deprive the school of the funds voted at the last legislature. He said that it would impair the reputation of Oregon as well as cripple the school; the university should have \$250,000 instead of \$135,000.

Royal Neighbors Camp.
Special Dispatch to the Journal.
Harrisburg, Pa., May 5.—A camp of

the Royal Neighbors of America was organized in the Modern Woodman hall Tuesday evening by District Deputy R. N. A. Mr. Carrie A. Watson of Grant's Pass. Twenty-one were present and instructed in the mysteries of the order. After the business was completed a refreshing luncheon was dispatched and all wended their way home in the early hours of the new day.

The Modern Woodmen and the Royal Neighbors are going to arrange for a celebration here July 4th, and they will be assisted by members of their orders from the neighboring towns. It will be their aim to make the day one to be long remembered by those who are here at that time.
