OWNS HALF DOLLAR ONE HUNDRED YEARS OLD

J. W. Arnold, of University Park, is the possessor of a valuable silver half dollar of the vintage of 1776. He says that he has frequently been offered \$10 for it, believing that because of its great age, it is worth much more than that sum to collectors of rare coins. Mr. Arnold also has a half dollar of 1812 and another of 1819, as well as a silver dollar of 1842, which is very rare. He says that he collected these coins in the mountains of West Virginia in 1883, from the people there who had no idea of their value.
