WE WANT THE SMALL ACCOUNT

And we will give it just the same attention that we give the biggest account we have.

It is the small beginnings that produce the big results. It will work for us as well as you. That is the reason we want the small account.

Every boy and girl in Portland may have his or her bank account and we will do everything we can to assist them in their first banking transactions.

If you are not earning money, start a little account with a part of the weekly allowance that father gives you. When he sees you running a bank account, just watch that allowance increase.

Savings deposited in this strong bank earn 4 per cent compound interest for you.
