San Francisco, May 10.—A home run by Egan, a two-bagger by Doveraux and singles by Haley and Randolph, all bunched in the ninth inning, gave the game to Oakland when it looked to be safe in the Beavers' pocket. Four to two in favor of Portland was the score, but the bag of swats netted three runs and the Beavers' job losers. The score:

MEMORIAL DAY AT ASTORIA.

Astoria, Or., May 10.—At a meeting of the committee on Memorial Day at Astoria, a memorial day committee was appointed consisting of Comrades A. D. Craig, Thomas Dealy and C. S. Wright, who will arrange a program. In the morning the graves of comrades in Greenwood and Ocean View cemeteries will be decorated and services will be held at the opera house in the afternoon.

METROPOLITAN HANDICAP IS WON BY LONG SHOT.

Glorifier, at Twenty to One, is Lucky Horse—Great Crowd Witnesses Race.

Glorifier, a rank outsider at 20 to 1, captured the Metropolitan handicap here yesterday, and with it the \$10,000 prize which goes with this event. The winner is owned by J. H. McCormick. Twenty-five thousand spectators were present to see the races on the opening day at Belmont Park. Okemite finished second in the big handicap, and Rosebea, the favorite, finished third. The track was deep with mud, and considering this fact, the time was fast, 2:40.45. There were 15 starters. Okemite held at 10 to 1 and Rosebea was played heavily at 3 to 5. The summary: Six furlongs—Oraculum won, Jack Atkins second, Athlete third, time, 1:11.45.

Four and a half furlongs—Sanguine won, Needle second, Master Robert third; time, 0:54.55. One mile—Glorifier, 119 (Garner), 20 to 1, won; Okemite, 99 (Brussel), 10 to 1, second; Rosebea, 124 (Martin), 3 to 5, third; time, 1:49.45. Nealon, Dandelson, W. H. Carey, Desirable, Tokalon, Blandy, Sewell, Superman, J. C. Gore, Bat Masterson, Go-Between and First Premium also ran. Okemite was an added starter. Steeplechase, about two miles—Grandpa won, Sanctus second, Mr. Cann third; time, 4:20. Seven furlongs—Pontoon won, Pins and Needles second, Ambush third; time, 1:33.45. Seven furlongs—Keator won, Goldenweid second, Star Cat third; time, 1:23.

CANOE TRIPS FOR ASSOCIATION MEN

Weekly Journeys With One Night in the Woods Are Planned by Muscular Christians.

Weekly canoe trips will be a feature of Y. M. C. A. athletic activities this spring and summer. This is a new departure, but it promises to become highly popular with the association men. From 20 to 30 members have joined the Oregon Yacht club. These, with invited friends, will paddle out in a fleet on Saturday mornings and will disembark at a suitable spot either up or down the river, where games will be played during the afternoon. At night the boys will gather about an old-fashioned camp fire and several hours will be spent in a social jolly-up. Sunday morning Bible services will be held under the trees. It was planned to hold the first trip tomorrow, but a postponement was taken on account of the weather.

REPORTERS WILL GIVE IMITATION OF BASEBALL

Telegram and Journal News Slingers to Open Series Sunday Morning.

If the man who makes the weather wants to curry favor with the press, he will order beautiful sunshine for Sunday morning for the horsehide artists of the Telegram and Journal. The men who write about baseball and other things are going to demonstrate Sunday that they know not only the subject of baseball, but know how to play it—maybe. Teams from the editorial staffs of these two papers will cross bats Sunday morning in the first game of a series of six for the newspaper championship, and for the silver trophy offered by Alex Smith, proprietor of the Tunawater cafe.

A game was to have been played last Sunday between the Oregonian and Journal, but it was postponed because of the primary election, and the extra newspaper labor attending it. Judge McCredie has assured the newspapermen that they can use the league park at Twenty-fourth and Vaughn streets, for their games, and unless the weather man is unkind, the first set-to will occur there Sunday. Mr. Smith, who offered the prize cup, has been invited to umpire. The lineup of the teams follows:

Team	Manager	Umpire
Journal	Keel	Steffa
Telegram	Watson	Steffa
St. Paul	Steffa	Watson

AUTO THIEF SERVES OUT SENTENCE WASHING CARS

Ran Away With Coey's Own Limousine, but Latter Was Easy on Him.

From being the proud occupant of a luxurious 50-horsepower Limousine to a lowly job as automobile washer is the remarkable reversal of position recently suffered by George Cheever Jr. of Andover, Massachusetts, and to make the drop all the more momentous for him the young man managed to negotiate it within the short space of 24 hours. Cheever landed in Chicago a short time ago and put up at the Auditorium Annex, where he engaged an expensive suite of rooms. A few days after his arrival he went to the desk and inquired whether he could rent an automobile. C. A. Coey, the Chicago representative of the Thomas cars, and who conducts an automobile livery business in the city, happened to be at the desk at the same time and to him the clerk referred Cheever. Coey was so taken up with the young man that he offered him his personal car, a white Limousine, trimmed in gold.

Cheever was delighted, so pleased, in fact, did he appear that he did not return that day, and it was well into the second day before the warrant the somewhat worried Coey had had sworn out reached him. When Cheever was brought up before the judge the next day Coey was present. His ire had vanished in the meantime, especially since his car had not been hurt in any way. Cheever, jumped at the chance and, the judge being willing, the young man is now industriously scrubbing dust and mud from the Flyers that are stored in Coey's garage.

CRACK SPRINTER MAY BE UNABLE TO RUN

Spokane, Wash., May 10.—When the 31 high schools of eastern Washington and northern Idaho meet at Pullman May 11 and 12, to contest the third time for championship track honors, they may not have George Rousa, the crack Spokane sprinter. In the finish of the 50-yard dash at Walla Walla recently he hurt his side in making the time of 5.5 seconds. Spokane has counted much on him, and if he cannot go it will be a blow to Spokane's chances for winning the meet.

SPORTING NOTES

Local and Otherwise.

A correspondent says that Northwest baseball league affairs are wobbly in Vancouver, B. C. No wonder. Vancouver has won but one game out of 15 played. Alongside of that even Portland's coast leaguers are going home. The finals in the handicap handball tournament at the Multnomah club will be played off tonight at 8 o'clock. Houlain and Gleason will play R. Jones and Moreland. The winners will receive a handsome gold medal each.

Manager McCarey's story of his innocence in the matter of the Burns-O'Brien fiasco is a mile too thin. McCarey and O'Brien ought to be ostracized from sportdom for 150 years; Burns for 150 weeks. That the Cambridge craftsmen are more than ordinarily proud of their victory last year over Harvard is indicated by the fact that it has been decided to cut up the cantab-boat used in that race for souvenirs. Each member of the crew will be given the section of the boat in which he sat, while the University Boat club will keep the bow section as a souvenir.

Physical Director L. M. Myers of the Boys' department of the Y. M. C. A. has resigned and will leave the association on June 1. His successor has not yet been selected. Automobiles will soon be supplanting sledges and dogs in the far north, judging by a news item from Alberta, Canada, stating that nine motor cars, more or less, are now surprising the natives on that far Canadian frontier. According to a Medicine Hat journal, eight Maxwell's are in commission in that town of 4,000 population, or one for every 500 inhabitants.

Philadelphia Jack O'Brien missed his calling. He ought to be on the cinder path. A golf tournament under the auspices of the Pacific Coast Golf association will be held at Del Monte, May 17, 18 and 19. Invitations to compete have been extended to clubs in Victoria, Seattle, Tacoma, Portland, Los Angeles, San Diego and San Francisco. A large attendance of the best players on the coast is expected. The six schools in the Intercollegiate league preparing for a field day on Multnomah field on May 25.

A new interest is added to the Glidden tour by F. B. Hower's donation of a cup for runabouts. This will be competed for on the same basis as the Glidden cup and will be a prize to be won by a club team and not an individual. This will invest the tour with two contests instead of one and solve the perplexing question of what to do with the runabouts.

Harry Lewis and Jimmy Gardner have eight entries for a 19-round boxing contest at the Coliseum in Denver on May 31. They will fight at 240 pounds. No motorist should withhold his support from the national body, the American Automobile association, because he is not a member of an A. A. A. club. There is a special individual member-

DISTINCT STEP IN ADVANCE

(Auburn, N. Y., Daily Citizen.)

Chronic Bright's Disease may have been an incurable disease in the past, but it is certainly curable now. M. L. Walley, the druggist, tells us of a remarkable recovery in this city. There was no question about the genuineness of the case. The patient, a lady, is connected with one of our prominent families. She was in a hospital weeks with drops and the albumen was in such enormous quantities as to solidify in the tube. Death was expected daily by the physician and family when she was put on a specific from California that was alleged to be curing Bright's Disease in that State. The results created great astonishment. Symptoms began to subside and recovery was then gradual till finally complete. The patient has since actually passed for insurance.

The peculiarity of the treatment is that it does not seem to wear out, the patient in question taking over eighty bottles. The discoverer of the new specific is said to be a lineal descendant of Robert Fulton, who gave us the first steamship. Auburn, N. Y., Daily Citizen.

Another recovery by Fulton's Remedy Compound. The lady's name is Mrs. Lester Bell. When to suspect Bright's Disease—weakness or loss of weight; drooping, puffy ankles, hands or eyelids; kidney trouble after the third month; urina may show sediment; falling vision; drowsiness; or mucus of the eyes. If you have any of these, send for pamphlet. For sale by all druggists. Trade supplied by Clarke-Woodward Drug Co., wholesale druggists, Portland, Or.

When Colonel Louis F. Huggins of Hartford, Connecticut, announced his intention of touring in Europe with his Thomas flyer this spring he had no less than half a dozen offers from young men to act as his chauffeur for only their expenses, so anxious were they to make the trip. He, however, decided to hold to his regular driver, Thomas Reardon.

The finals in the pool tournament at the Multnomah club will be played off tomorrow night, at 8 o'clock. Arthur Morris, winner of the first class; H. Moore, winner of the second class, and Cliff Nichols, winner of the third class, will be the contestants. Nichols will receive a handicap from Moore and Morris will receive a handicap from Morris. A gold medal will be given to the winner.

When Charley Daniels starts after a swimming record he generally gets it. Here's what he has done in the way of making records since April 23: Eighty yards, 43.5 seconds; 110 yards, 1 minute 5 seconds; 50 yards, 24.5 seconds; 75 yards, 41.5 seconds; 50 yards, swimming on back, 15 seconds. Columbia college and the Allen Preparatory school will meet in the Intercollegiate baseball series on Multnomah field this afternoon at 3:30 o'clock, weather permitting. "My child was burned terribly about the face, neck and chest. I applied Dr. Thomas' Electric Oil. The pain ceased and the child sank into a peaceful sleep. Mrs. Nancy M. Hanson, Hamburg, N. Y.
