SECOND WEEK OF THE GREAT EMBROIDERY SALE

Greater Grow the Values—Beautiful New Embroideries—A Sale Without a Parallel

An advertisement concerning this sale seems necessary only as a medium of information—not solicitation. Judging by the response to our announcement of last week, the best argument for your attention is merely the statement of our preparations for it. Hundreds and hundreds of pleased purchasers thronged our aisles each day. We expect still greater crowds this week, for good values have been made still better. Regarding these notably low prices, we prefer them to be considered as an incident, rather than a feature. The feature of this showing—aside from its mere immensity—is the QUALITY FOR PRICE presented in all grades; therefore, in noting these prices, please consider them only as the natural result of unusual circumstances. Unequaled facilities for purchase and disposition procure us the opportunity for collecting unequalled quantities, and unequalled-for-price follows as a mercantile matter of course. Thousands and thousands of beautiful new Embroideries, all crisp, fresh and bright. An endless assortment to choose from in the newest and most attractive patterns of the season, from the modest edging to the most elaborate wide widths. This is the greatest sale of embroideries ever held in this city. The styles, qualities and quantities will surpass anything we have ever shown. The variety of styles and patterns is too large to describe minutely—you must see the new, dainty patterns—neat little figures, large and small floral effects, with combinations of English eyelet; small and large scroll patterns, with or without eyelet stripes; also a few large bold leaf Japanese and French designs; large, open-wheel patterns, etc. Embroideries for every purpose, shirtwaists, flouncings, allover, trimmings, bands, insertions, panel fronts and beautiful suiting embroideries.
