Gossard "Lace Front" Corsets

DEMONSTRATION CONTINUES THIS WEEK
 Come--come in your most critical mood; come prejudiced--if you must--in favor of some other Corset; come prepared to appraise with judicial eye, to examine most minutely, to test quite thoroughly; come with fixed purpose to find the flaw if there be one; come determined that you will not be convinced of the superiority of the "Gossard" over any and all other corsets unless its supreme excellence is so plainly apparent that it needs no explanation or promise added to its visible and tangible presence; come and see the Corset that **Gives to Every Woman a Better Figure**

The woman who appreciates elegance and beauty, cultivates grace, cherishes health, understands comfort and seeks contentment, will find all these and experience the utmost satisfaction in her "L'irresistible" or in her "Gossard" if she but lend herself to our persuasion that we may lead her to rosy paths of ease and contentment.

THEY LACE IN FRONT
 The single fact that they lace in front makes them superior to all other corsets. Principle of construction is right--right for grace, right for health, right for style
