FOR SALE—REAL ESTATE.

Alder Spring Acres

Dr. Cardwell of the Oregonian building is having platted to put on the market in a few days 20 tracts of one acre each adjoining his residence.

Nearly all face the Salem electric road, which will be carrying passengers from Alder Springs in a very few months.

There is a guaranteed contract with the company for a 5c fare.

They will range in price from $700 to $800 per acre for a quick sale.

An acre of land equals eight lots of the usual 50x100 feet size.

Thus the cost is either at the rate of $100 or $87.50 per lot, which is less than half what eligible lots are selling for in the same vicinity.

The terms of payment will be easy.

The acres are just south of his mansion and only three miles from the courthouse in an air line.

See Dr. Cardwell to hear more or see him at his Alder Springs home Sunday.
