"Heated hot water in a paper bag?"

"How can that be done?"
"You take a stout paper bag—or an envelope will do as well—fill it with water and hold it over a gas flame or a limp. The water heats readily. The paper doesn't burn because it is wet, and wet paper is a singularly tough and non-combustible substance.

"Many and many a time have I heated over the gas jet an envelope or a paper tag of hot water for my shaving, and not once have I had an accident."

Treatment with sprays, douches and atomizers in bronchial troubles is condemned by the best physicians, as they cause further irritation.

The first breath of Hy-o-mei's medicated air seems to soothe the inflammation, stop the cough and thus relief soon becomes permanent and a cure results.

We do not want any one's money unless Hyomel gives relief and cure, and we absolutely agree that money will be refunded unless the remedy gives satisfaction.

All druggists should be able to supply you with Hyomel or we will send it by mail on receipt of price, \$1.00, and every package is sold with the distinct understanding that it costs nothing unless it cures. Baoth's Hyomel company, Buffalo, New York.
