

COAL FAMINE TO BE PREVENTED

Rock Island Road Takes Steps to Ward Off Shortage Along Line Next Winter.

REDUCE RATES NOW SO DEALERS WILL STOCK

Officials Want Cars Free for Other Uses When Heavy Traffic Is on and Are Also Providing for the Comfort of Consumers.

Chicago, May 23.—In order to provide against coal scarcity, such as that of last winter, the Rock Island road has made arrangements to lay in an abundance of coal along its lines in Kansas, Texas, Oklahoma and Indiana territory. April 20 last it began storing 180,000 tons from its Indian territory mines in the states named.

It wishes to reduce its coal car mileage to a minimum and to have the cars free for service when there is the greatest demand for them, so that it will have no difficulty in meeting commercial needs when they arise. The plan adopted involves an expenditure of more than \$300,000, but the road expects to save more by its adoption ultimately.

It is also trying to impress on coal dealers in the territory named the desirability of laying in their supplies earlier, so that when the winter's rush of traffic comes all danger of coal famine will be averted. In order to encourage them to adopt this policy, it has reduced rates on coal for the summer months, and prices of the mines have been cut to the minimum.

NEW NATIONAL BANK ORGANIZED AT SEATTLE

(Special Dispatch to The Journal.)
Seattle, May 23.—Seattle is to have a new national bank and a new trust company, with a combined paid-up capital and surplus of \$1,100,000. Both will be established by the same syndicate, headed by Samuel Hill, a son-in-law of James J. Hill, and will be allied institutions. Articles of incorporation for the United States Trust company, with a capital of \$500,000, were filed yesterday. The United States National bank has reserved its name with the controller of the currency. The two will be opened for business early in the fall.

Amiliated with Hill are Harvey Lindley and J. D. Farrell, vice-president of the Oregon & Washington railroad; Thomas Burke, former general western counsel for the Great Northern and several times a millionaire; Elbridge A. Stuart, the "Carnation Cream" millionaire; James E. Stewart of Schwabacher Brothers; John Erickson, Alaska millionaire and a heavy holder of Seattle Realty, and Arthur E. Hanford, a brother of Federal Judge Hanford and a well-known Seattle capitalist.

NEW PRECINCT CLUB WILL DIG UP VOTES

A new cog was added to the Republican machine last night at Fourth and Mill streets at the Italian hall, when J. A. Kelly, precinct committeeman, organized a precinct Republican club for the twenty-fourth precinct in the fifth ward. A. E. T. Gebhardt was elected president and W. M. Manning, secretary. There was a charter membership of 24 and a second meeting will be held on Saturday next, when it is expected that more names will be added to the list. The new club, according to the plan of the Union Republican club, is subsidiary to the Fifth Ward club, which in turn is an auxiliary of the Union club.

The Knocker's Fate.

Real estate dealers should have "Killingworth's Auto Ride" in a conspicuous place in their offices to show knockers their doom.

ANTHONY GOING TO CONGRESS FROM KANSAS

Topeka, Kan., May 23.—A special election in the first congressional district was held today to fill the vacancy caused by the resignation of Charles Curtis. The election of D. R. Anthony of Leavenworth, the Republican nominee, is assured, as he is without opposition.

EIGHT SITES FOR NEW CITY JAIL

Certified Checks Are Sent With Bids to Council Committee for Six of Them.

Eight bids have been submitted to the ways and means committee of the city council for furnishing a site for a new city jail and will be passed upon this afternoon.

Certified checks were missing in two of the bids which will probably prevent them from being considered when the selection is made. The tenders submitted are as follows:

- J. H. Greibel and F. Windler—South-east corner Eleventh and Flanders streets, being lots 5 and 7, block 31, Couch addition; \$21,000.
- Ludwig Wilhelm—Lots 5 and 6 and the north six feet of 3 and 4, block 33, Couch addition, being \$23,000 feet in the center of the block bounded by Couch street, Davis street, Twelfth street and Thirteenth street; \$20,000.
- Roman Catholic Archbishop of the Diocese of Oregon—Lots 1 and 2, block 165, Portland, being the southwest corner of Fifth and Columbia streets; \$50,000.
- The Moore Realty company—North-east corner of Ninth and Davis streets. This property has a heavy concrete foundation which has been constructed within the last 90 days and would cost in the neighborhood of \$4,500; also about \$1,500 worth of structural steel is now on the grounds. Option expires Monday, May 27, 1907, at 12 o'clock, noon; \$40,000.
- Sengstacke & Lyman—Lots 5 and 8, block 59, Couch addition, being the southwest corner of Park and Flanders streets, with building; \$35,000, without building; \$25,000.
- Frank T. Berry and James S. Gleason—East half of lots 6 and 7 and lot 8, block 65, Couch addition, being an ell-shaped piece 160 feet on Couch street and 60 feet on Ninth street; \$48,000.

MAKE PROMISES FOR THOS. DEVLIN

Candidate Unable to Attend Meeting Owing to Illness, but Another Speaks for Him.

Owing to illness, Thomas C. Devlin was unable to address the political meeting held last night in the Artisan hall at Front and Gibbs streets. The principal speakers were City Treasurer Werlein, Republican candidate for reelection, and Wallace McCamant.

Mr. Werlein spoke in the first person, making many important promises for Mr. Devlin. He emphatically denied that the Republican candidate for mayor was allied with the north end in any way and promised that that part of the city would be thoroughly cleaned should Mr. Devlin be elected.

Following Mr. Werlein came Wallace McCamant, who made a strong partisan plea and wound up with the "vote 'er straight" slogan. Mr. McCamant did not say Roosevelt had his eye on the Fifth and Sixth wards, but did say the approaching municipal election would have a momentous influence in the next presidential campaign. Mr. McCamant said he would vote for anything if it was on the Republican ticket, although other speakers were loudly resolved to vote for no one if he were allied with the north end.

Burglar Gang at Baker City.

(Special Dispatch to The Journal.)
Baker City, O., May 23.—Several stores have been broken into recently, and the police are diligently at work, but are the operations. The Baker City Packing company has lost \$5.00 from its cash register. The burglars left no clue as to where they made their entrance. Skeleton keys must have been used. The Moeller grocery store was burglarized the same night, and about \$10 in money and some merchandise were taken. The Baker City Mercantile company is also loser of a sum. E. P. Vorus's store was entered two nights in succession. No trace of the intruders has been found.
