Heinrich Conried Enabled to Walk by Peculiar Treatment of Dr. Frankel.

(Journal Special Service.)
 Berlin, May 31.—Heinrich Conried, who, for the last two months has been lying on his back at the Kaiserhof hotel, hardly able to move his limbs, owing to a form of locomotor ataxia, walked nearly two thirds of a mile yesterday, as a result of a novel treatment given him by Dr. Frankel.

The treatment consists in making the patient walk the floor, placing his feet according to chalked diagrams in certain positions. The treatment began five months ago by massage, when Conried paid Dr. Frankel \$50,000 to go to New York. That the treatment is bona fide is assured by the fact that half a dozen patients, formerly unable to walk, are now able to get about Berlin. One is completely cured.

At first Dr. Frankel was disparaged by medical colleagues, but now this feeling is said to have changed. Dr. Frankel's usual charge is \$50 an hour, millionaires in proportion.

LOCATED MEN TELL ABOUT THE SYSTEM

(Special Dispatch to The Journal.)
 Moscow, Idaho, May 31.—Berstel H. Ferris, a witness in the land fraud cases, testified that he was to be located by Robnett, who also furnished the money for proof, for which he gave a mortgage on the land to Kettenbach. He admitted, however, that he had not paid interest on the mortgage or taxes on the land since the loan was made.

Joel H. Benton testified that he had been located by Robnett in a similar case to that of Ferris. He had realized very little out of the land, which finally passed to the defendants.

ROOSEVELT APPEARS IN GAUDY PAJAMAS

(Journal Special Service.)
 Hillsdale, Mich., May 31.—President Roosevelt reached here at 7:41 o'clock this morning. The largest crowd attended this morning at Hillsdale, where at 8:35 o'clock, a band and line of school children greeted him. The president hastily threw on a shirt and trousers over his gaudy pajamas and rushed to the platform, one arm in his coat and one out.

"Good morning," he cried to the crowd.

The president laughed, and so did the crowd.

At Hillsdale a large crowd was made noisy by college students yelling as the train pulled in.

I am opposed to a wide open town. N. L. M. Davis on ballot.
