Melvin has decided to place his consultation fee within reach of all.

In Confidence

In Confidence

There is absolutely no accurate method whereby he can keep the full list of the wooderful things that have been accomplished and are now day by day being brought around to brighten the sad hearts of the many who have been fortunate edough to call on him, simply because the nature of the hundreds of different things that his wonderful power has accomplished, such as winning the love of your heart's desire, or bringing about all manner of private affairs, is so astounding and of such a great secret nature that after this secret power has once gained your desires you naturally feel a hesitancy about even trueting your bosom friend, knowing that your great happiness is simply the cause of his power, but there have been many who, out of pure grafitude and appreciation, have allowed themselves to lay aside this pride of secrecy and taken him into their confidence of bappiness. While he holds all such information secret which is strictly professional, never revealing to a living mortal, yet be feels as though it is a duty to himself and to the virtues of the power he possesses to give you a little outline of his record which has been brought around during the last year ending December, 1906, by bim. Yet be reveals no names or secreta, only the bare facts.

only the bare facts.

721 marriages; 142 separations, without any after trouble, came by the mutual consent of opposing parties; located 10 buried treasures; located 18 wills and 11 deeds; success in gaining 810 pensions; reunited 118 separated; one helped 182 investors; there have been 714 cases of such private nature that he does not feel like classifying; in fact, it suffices to only say there is no heart so sad or wish too great that your hopes cannot be speedily realised by the force of this wonderful power.

HOW TO OVERCOME ALL TROUBLES. our Wish and Object in Life Can Be Ob-tained.

The All-Wise Creator did not endow you with high ideas, noble aspirations, desire for happiness and return for that great love craving within your heart without at the same time placing within your reach the means of attaining these desires. You would not desire a thing if you were not capable of attaining

A SECRET YOU SHOULD KNOW, THE POWER TO CONTROL.
