THINKS GOD HAS CHOSEN NIPPON

General Booth Declares the Little Brown Men Ready for the Gospel.

(Special Dispatch to The Journal.)

Seattle, June 8.—"I tell you," said General William Booth of the Salvation Army, upon landing from the steamship from his tour of Japan, "my trip through Nippon confirms what I have always said about human nature when you reach the hearts of men. All precedents have been upset in Japan. Their ancient philosophy and religion has been unable to restrain thousands from embracing our religion."

General Booth spoke of his trip as being a continuous ovation. He was dined by General Nogi, the hero of Port Arthur, was entertained by Oyama and received by the mikado.

"Tears, with the Japanese," he said, "are considered an evidence of cowardice, but thousands rushed to us in the penitent form, groaning, weeping and giving evidence that they were deeply moved spiritually.

"In Yokohama, Tokio and other cities the Salvation Army has organized Japanese Young Women's Protection leagues, the purpose of which is to stop the traffic in white slaves.

"I cannot account for the Japanese attitude toward Christianity and the United States," said General Booth, "unless God has chosen that field at last for conquest."

General Booth was met at the boat by his daughter, Commander Eva Booth, who has been on a tour of this country. The party will leave for Quebec, where the general is booked for a lecture. He will return to Seattle in October for a series of lectures.

CADETS SAIL FROM ANNAPOLIS ACADEMY

(Journal Special Service.)

Annapolis, Md., June 8.—On the cruiser Olympia, flagship of Admiral Dewey at Manila, and the monitors Arkansas, Florida and Nevada, two classes of midshipmen at the Naval academy set sail today on their annual cruise. The cadets will make their first stop at the Jamestown exposition, where a battalion will go ashore Monday to act as escort of honor to President Roosevelt during the Georgia day ceremonies.

After a stay of 10 days the squadron will sail from Hampton Roads for a cruise at sea and will arrive at New York on June 27. Two days later they will sail from New York for New London, Connecticut. The next two months will be spent in cruising about in the vicinity of New London and Newport and other places along the New England coast. The squadron will return to Annapolis at the end of August.

ENGLAND WELCOMES RULERS OF DANES

(Journal Special Service.)

London, June 8.—All the naval and fortification guns at Sheerness gave King Frederick of Denmark and his consort a noisy welcome today upon their arrival in England on a visit to the British royal family. The Danish rulers crossed over from Flushing in the royal yacht Victoria and Albert. Immediately after the arrival of the yacht in the harbor the royal party was on board train, bound for Windsor, where they were received by King Edward and Queen Alexandra. It is the first visit the king and queen of Denmark have paid England since King Frederick came to the throne, and elaborate plans for their entertainment have been made. Early in the coming week King Edward and his royal guests will attend the international horse show at Olympia.

Monday positively the last day of discount of west side gas bills.

JAPAN WILL TRY TO EXPORT ITS COOLIES

(Journal Special Service.)

Tokio, June 8.—A representative of the Japanese residents in the United States who arrived here and called upon Foreign Minister Hayashi reports that Hayashi assured him that American proposals that Japan enter into a mutual agreement for the restriction of labor immigration would be rejected.

He says Hayashi told him every effort would be made to cut out the last clause of the article of the present treaty when it came up for revision in 1909 but it is expected that America will not yield easily on this point. It is probable that a special commissioner will be sent to America to examine exact conditions.

One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the ethical character of its product has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the approval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtlessly it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.

KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

CURED OF BRIGHT'S DISEASE.

Mr. Robert G. Burke, Elnora, Saratoga Co., N. Y., writes:—I am glad to have an opportunity of telling what magnificent results I have had from using FOLEY'S KIDNEY CURE after having tried other advertised medicines and several physicians. Before I began it I had to get up from 12 to 20 times each night to relieve my bladder. I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family across the room. In fact, I was so badly used up that I had given up hope of living when I was urged by a friend to try FOLEY'S KIDNEY CURE. One 50-cent bottle worked wonders, and before I had taken the third bottle the superfluous flesh had gone, as well as all other symptoms of Kidney trouble. My friends were surprised that I was cured, as they all thought I was going to die. Every few days some one comes from miles away to learn the name of the wonderful medicine that cured me of Bright's Disease, and not one that has tried it has failed to be benefited.

Two Sizes, 50 Cents and $1.00.
