

PORTLAND ACADEMY BASEBALL TEAM SCHEDULED TO PLAY P. H. S. TODAY

RING RECORD OF BILL SQUIRES

Australian Won Nearly All His Battles in Short Order by Knockout Route.

Very little is generally known about the fighting record of Bill Squires, the Australian champion who is now in America preparing to fight the best man for the championship of the world.

He has only been fighting since 1902, but in nearly all his battles he has won by the knockout route. His first contest of any account was with Willie Costello, whom he defeated in three rounds.

The following year, 1905, Squires again met Felix at Sydney and knocked him out in one round. He followed this by stopping Pat Farley in one round and Tom Penney at Melbourne in four rounds.

Artie Ross came to town today and reported at once to Manager McCredie. McCredie gave Ross a Beaver uniform and told him to be prepared to play center field for Portland this afternoon.

Artie Ross should prove a great addition to the Portland team. He is a great hitter and has been doing better than ever this year. Ross played for three seasons with the Los Angeles Coast league club.

There was no game at the league grounds yesterday, as a heavy shower fell just as the players were about to leave for the grounds.

FIRST NATIONAL TEAM LEADS THE BANKERS

Consolidated Aggregation Was Defeated Twice During Week, Dropping a Peg.

The consolidated team was beaten twice this week, once by the U. S. National team, score 5 to 3, and again yesterday by the First National, by a score of 3 to 1.

President Foster of the First National bank team suffered a day's wrenching knee in the fifth inning, which may put him out of the game for some time.

For some unexplained reason a number of Philadelphia fans have taken a dislike to Ernest Courtney. Perhaps if he was a "cut-up" he would stand well with them.

Monday positively the last day of discount of west side gas bills.

Chelatis, Wash., June 3.—The county commissioners have laid over for another month the petition of H. Tsappert for a saloon license, business to be carried on at Doty, a small sawmill town on the South Bend line.

Waterloo is leading the Iowa State league at present and looks strong enough to hold the place.

The Little Rock team, under the management of Mike Finn, is not the joke it was last season.

The Wichita team is setting a terrific pace in the Western association.

HOW JONES GOT WELL "Hello, Jones, what's the trouble?" "I got all in, down and out. Got a pain in my back, my stomach is all out of gear, and I haven't hardly enough energy to breathe." "Why don't you see a doctor?" "I've been to a half dozen already, but here I am in the same fix. Saw my family doctor first, and he gave me a lot of dope to take. One compound was to build up my stomach. Another was a stimulant to make me "brace up," and the last was a nerve medicine to stop the pain in my back. Well, the dope made my stomach worse than ever. Even the smell was nauseating, and the horrible taste it left in my mouth was worse than the stomach trouble.

of people, whom he had cured with his Electro-Vigor. One read as follows: "When I began your treatment my whole system was broken down. I had kidney and bladder trouble, rheumatism that always follows kidney trouble, weak stomach, varicocele and general debility." "Drugs did me no good. As for results of the use of Electro-Vigor, I am now well and hearty, every organ works properly, and I have no pain." West Butte, Cal. J. L. COLWELL. Another said: "Electro-Vigor has proven to be all you claim for it. In spite of my age—I am past eighty—it has given me a new lease on life; my health generally has improved; I have gained eight pounds in weight and feel much stronger." Santa Cruz, Cal. JOS. SMITH.

(Special Dispatch to The Journal.) Seattle, Wash., June 3.—Four of the star athletes of the Olympic club of San Francisco will be sent to represent that association at the annual track meet of the P. N. A. to be held in this city on June 22.

Will Inglis received word last evening from the south that these men would be sent, and he is also confident that other California athletes will be here to test their ability against the northwest stars.

Snedigar will make a formidable opponent for Dan Kelly in the sprints.

It is expected that not fewer than 15 colleges will be represented, and there will be much rivalry in the matter of turnouts. As a large majority of those who will play in the game are graduates of colleges in various parts of the United States, the parade will be very appropriate to the occasion.
