Our Greatest Sale of Embroideries

The finest collection of High-Quality Imported Embroideries ever shown here is selling at half price and less. Hundreds and hundreds of yards of Beautiful New Embroideries that are suitable for every purpose in which embroidery is used. We secured these embroideries from a manufacturer who ranks among the largest and finest in the world. The entire unsold balance of his spring stock was sold to us at a great sacrifice. Sound business logic influenced the maker to accept our low offer. His spring season was over—ours just in full swing. His traveling representatives are active in the campaign for next season. It was desirous to clear stockrooms of all remaining embroideries in the quickest possible manner. Instead of selling fractional quantities to many stores at a small discount, he took a big reduction and accomplished his object quickly. THAT'S THE HISTORY OF THESE VALUES. It will pay to buy a full year's supply. The values average better than ever before—come early.
