Black Dress Goods
 Extra Good Values.

Black, the absence of color, and yet always becoming, always appropriate, and this season more fashionable than ever. Prices like these would almost make the unpopular fabrics usual. You need them anyway—you pay full prices for the same fabrics usually. It is the combination of special timeliness with special small pricings that makes the marvel of this sale. Many different fabrics and as many reasons for their sale here under-priced. Reasons would take too much space to tell—space is valuable today. So here is just the bare list of bargains.
