"Bull" Perrine wished himself a pleasant journey to California, so he gave yesterday's Coast league game to Oakland. Doubtless he is enjoying plenty of cigars and other refreshments on the way.

"Bull" worked hard for 16 innings to turn the trick. His umpiring of yesterday was as bad as anything ever done here by the despised Derrick, and for calling Van Halteren safe in the tenth inning he deserves the severest condemnation. The double play from Groom to Carson to Mott was as nice as anything ever saw, but Perrine didn't see it. He called Oakland's old warhorse safe. Van Halteren had a moment later on a single by Egan and the game ended in favor of the visitors, 5 to 4.

McCredie's Base Running.

The Beavers ought to have had the game, anyhow. If Walter McCredie had not lost his head in running bases he would have had the thing won in spite of Perrine. With the score 3 to 3 and apparently safe in Oakland's pocket, Pitcher Wright made a balloon ascension. After an out by Kinsella, Halsey singled, Mott reached first on Halsey's fumble and Casey singled, scoring Halsey. Wright walked Donahue, filling the bases. Then McCredie batted, coming over Smith's head, which cleared the stations ahead of him and put him on third.

McCredie beat the ball to third by a inch. Hogan dropped it and it rolled a half dozen feet into the grass. Then McCredie was seized with the idea that he could run faster than the ball could fly. He tried it, and, of course, was caught. Had he hung with his bag he would have come in in a walk when Moore sent a liner over second. He would have ended the game in the ninth with Portland on the long end of a 3 to 4 score.

McCredie did another poor piece of base running in the second, when he ran home on a caught foul without first touching third base. Perrine saw it, and Moore called out. Kinsella is batted freely. Kinsella twirled the first seven innings for Portland and was hit freely. He got a bad start, soaking two Commuters. This, combined with a passed ball by Moore and a passed grounder by Donahue, gave the visitors two hits. A brace of hits in the fourth scored another, Bigbee, and hits by Halsey and Wright and a wild throw by Schimpff would have ended the fourth time for Halsey. This was in the seventh inning. Kinsella was upended by Groom.

The Cheapest Form of Health Insurance

YOU can buy Health Insurance now. Several good "Accident" Companies sell it. Sixty dollars per year will bring you \$25 per week for every week you are sick. But, your time alone may be worth far more than that. And \$200 per week might not pay for your suffering.

That's why "Casarets" insurance, which prevents Sickness, is worth ten times as much money as other "Health" insurance. Yet "Casarets" insurance will cost you less than Ten Cents a week. That gives you a "Vest Pocket" Box to carry constantly.

One tablet taken whenever you suspect you need it will insure you against 90 per cent of all other ills likely to attack you. Because 90 per cent of these ills begin in the Bowels, or exist through poor Nutrition.

Casarets don't purge, don't weaken, don't irritate, nor upset your stomach. No, they act like Exercise on the Bowels, instead. They stimulate the Bowel-Muscles to contract and propel the Food naturally past the little valves that mix Digestive Juices with Food.

The time to take a Casaret is the very minute you suspect you need one. When you have a touch of Heartburn, Gas-bubbling, Acid-riking-in-throat, or a Coming-or-Going.

Carry the "Vest Pocket" Box ready for business where it belongs, just as you would your Watch, Pocket-knife or Lead-pencil.

It costs only 10 cents. At any drug-gist. Be sure you get the genuine, made only by the Sterling Remedy Company, and never sold in bulk. Every tablet stamped "C.C.C."

JOE TYLER BACK IN SEATTLE READY FOR THE TENNIS SEASON

(Special Dispatch to The Journal.)

Seattle, June 24.—Joe Tyler, one of the best tennis players Seattle ever produced, and a man that many good judges pick for the coming champion of the Pacific coast, has arrived in Seattle after six months spent in the mountains with a surveying party. Joe is as brown as a berry and looks to be as strong as a bull moose. He has been tramping around the hills all winter, and as he was no weakening when he went up there, he is in the finest possible condition right now, and though he has not had a tennis racket in his hand this spring, he will have more speed than ever because of his perfect condition.

There will not be much doing in the way of tournaments in Seattle this summer, because the tennis courts have been destroyed to make room for an apartment house, but Joe expects to take in all the tournaments in the northwest and may go down to California later in the season to try his hands with the best players there. Private courts will likely be fixed up who twirled in good form, but a tumble by Schimpff put Van Halteren on first in the tenth; he stole second, was called safe by Perrine at third and made the winning run on Egan's single.

DALLAS COLUMBIAS DEFEAT DEVOTE TEAM

(Special Dispatch to The Journal.)

The Dallas, Or., June 24.—The Dallas Columbias won by a score of 3 to 2 from the C. C. Clive Devote team of Portland here yesterday. Taliaferro struck out five men, Gardner six. The Dallas team got eight hits, the Portland team three. Gardner kept his hits well scattered, which accounts for the small score. Conroy and Patterson played their first game with the Dallas Columbias today. Patterson is the new pitcher. He was the star of the day. Patterson fielded his position very well and was strong with his stick.

SAILOR BALL PLAYERS BEAT BUNKER HILLS

The Charleston sailor ball players made their debut before an audience of enthusiastic fans on the old Portland grounds Sunday. The game was with the Bunker Hill Maroons and was hotly contested from start to finish. The sailors won a "Garrison" finish by brilliant hitting and errors on the part of the opposing team.

The Journal team is the champion of the newspaper league, having defeated the Telegram in the final game at the Coast league grounds yesterday morning in 7 innings by the score of 13 to 10. Features were so numerous in the game that no spectator could see them all. They happened about three at a time all through the game.

Keel Steals Home.

Next of interest was Keel's steal home from third in the sixth inning—the inning in which the Journal chased in six runs after two men had been put out. William Charles Stepp, the office boy, who played third base for the Journal in the third inning, sent Strangberg to the morgue by faking a pass of the ball to Stepp, who was pitching. When Stepp stepped over as if he were going to pitch the ball, Strangberg stepped off the base, William Charles tagged him and Umpire Schimpff waved him out.

They are given cards directing them to places of entertainment and messengers are sent with those who are strangers in the city. Free carriage of baggage is provided. Stettlers Defeat Montavillas

With a patched-up team the Stettlers White Sox defeated the Villars Sunday by a score of 19 to 13. Probst, the Villars wonder, was batted out of the box. The game was marked by many errors, and both sides hit fiercely. The White Sox having the better of it in the hitting line. Bird, the Villars crack, catcher, sprained his ankle and had to retire.
