They were referred to the police committee with instructions to report the findings to the executive board.

Fire Chief Campbell reported to the board the resignation of A. L. Brasse, chief engineer of the fireboat, without the customary five-day notice. The board provides that when city employees quit the service without a five-day notice of their intention the city may deduct the wages for that period from any money coming to them. Brasse will lose \$25 for his neglect.
