

# WORLD'S EVENTS AT JAMESTOWN

## International Athletic Contest Will Be Held There on July Fourth.

By Manhattan.

Jamestown, Va., July 2.—The ups of the amateur athlete is now turned to Jamestown, where, on July 4, the all-round championship of the world will be contested. It is to be regretted that Johnny Garvella, the Michigan wonder, will not compete. A contest between him and Martin Sheridan would have been a sight worth seeing.

Sheridan is in wonderful form, and if he is pushed he will doubtless break some records at Celtic park. He has the 100-yard dash in 14.4 seconds; 16-pound shot, 43 feet 5 inches; high jump, 5 feet 8 inches; half-mile walk, 3 minutes 52.3 seconds; 45-pound vault, 27 feet 5 inches; broad jump, 21 feet 7 inches.

Sheridan Almost Cleared Boards. Sheridan did not do the mile run, which is the tenth on the list, and he took part in the other events were remarkable. In some instances he did much better than is shown above, but he insisted on taking the worst of it in each case. His total points by including the percentage he made in the mile run when he won the title of all-round champion three and three years ago would, according to his present showing, reach 7,242 out of a possible 10,000. This is 400 points more than he made when he won the championship, and 800 more than T. J. Kiley of Ireland, who now holds the title.

There is liable to be a general breaking of records in amateur athletics this season. Taylor, Hillman and Sheppard are liable to do things to the sporting records, while at the longer distances, Harman, Cohn, Rodgers, Lewis, Coe, Lightbody, Rowe of Michigan, Bonbay Longboat and Nobrich are a formidable body of feet. Garvella may knock out the records over the hurdles.

Expect Record From Hill. If the high jump record is approached this summer it will probably be done by a collegian—the Michigan wonder, Garvella, or Marshall of Yale. Some look for great things from Channing Hall, the Pacific coast jumper. He came last to St. Louis and "flashed" in 1904, and the eastern experts do not take him any too seriously.

Any one of half a dozen men may break the pole vault record. The present mark is 12 feet 5 1/2 inches, by Walter Day of Yale. His college mate, Gilbert, and Roy Sams of the College A., are likely to be the nearest contenders for record honors.

It's a dull year when the weights do no furnish some new records, and 1907 will be no exception. The veterans will be gadded on this summer by the presence of Lee Talbot, the Mercersburg giant, who gives promise of smashing John Flanagan's dinch at the hammer throwing game.

Coe's Distance Safe. Wesley W. Coe's shot put record of 48 feet 8 inches looks pretty safe. Ralph Rose is reported to be training again. Then there's Krueger of Swathmore, Garvella of Michigan, Sheldon and Horton of the N. Y. A. C.—all good feet and better, but 48 feet will hold them safe, and that is 18 inches short of Coe's wonderful effort.

OBSERVE ALL LAWS ON GLIDDEN TOUR. Autoists Cover Distance in Nine Days Without So Much as Killing a Chicken.

Buffalo, N. Y., July 2.—Having covered the entire route of the Glidden tour in nine days from the time they started from Cleveland, Ohio, George M. Davis and E. C. Richard have returned to their homes in Buffalo with the Thomas Speedway Flyer in which they made the trip. Much better time could have been made by the powerful car had any effort at speeding been made.

Two tourists, however, have the satisfaction of knowing that in no locality was a speed law violated, not a chicken or dog was hurt, although the roads at some points in the run were infested with both, and not a horse owner could complain of the consideration given them. In fact in a number of instances they backed the car several hundred yards along narrow roads where there was not width enough to turn in order to reach a crossroad where the machine could be hidden in order to avoid scaring a fractious horse.

Among the many things the two in the Thomas learned regarding this year's tour are: That very little level country will be seen after the four leaves Columbus, Ohio.

That rousing receptions are being planned at many of the cities in which the motorists will stop over night. That it would be well for the tourists to brush up a bit on their civility and history in order that they may understand the battlefields over which they pass.

That tolls will amount to much more than they did in Canada last year. That the people of Maryland, particularly those living on farms, are most cordial to automobilists.

That there is one straight, long stretch of 69 miles of macadam and gravel roads between Indianapolis and Richmond, Indiana.

That the tour will not be any easier than it was last year, despite some opinions that it will be.

RACING PROGRAM AT HOLY CROSS PICNIC. There will be a picnic for the benefit of Holy Cross church on the Columbia university grounds July 4. Its pleasant and accessible location makes the picnic grounds a peculiarly desirable one.

FIAT MACHINE WINS PARIS RACE. (Journal Special Service.) Paris, July 2.—Nazzaro on a Fiat machine won the grand prix auto race today over a 50-mile course in 6 hours 45 minutes.

Francis Sais, the Frenchman who won the grand prix in 1906, came in second; time, 6 hours 53 minutes. Fifty thousand spectators put hopes in G. Duray with his French car. His machine broke a bearing in the eighth round, leaving Nazzaro, the Italian, in the lead by four minutes. Sais' second and Lanca's third.

Preferred Stock Canned Goods. Allen & Lewis' Best Brand. The Salem Statesman is confident that the capital city will pay within a thousand years.

Tommy Burns, Who Fights "BHI" Squires of Australia in San Francisco Next Thursday.

## TENNIS PLAYERS REACH SEMI-FINALS

Men's Doubles Will Be Played on the Fourth—Four Teams Ready for the Match.

Spirited games marked the playing at Irvington courts yesterday and four teams are ready now for the semi-finals. Bellinger had the misfortune to sprain his ankle while playing against Northrup.

Cookingham beat Raley, 6-4, 6-4; Jollinger beat Nunn, 6-2, 6-4; Benham beat Scott, 6-2, 7-5; Mrs. Cook beat Mrs. Banks, 6-2, 6-4. In the women's singles, Mrs. Cook and Bellinger beat Miss Fox and Ferris, 4-6, 6-4, 8-6; Morse and Nunn beat Rohrs and Edgar, 6-3, 6-3; Northrup and Benham beat Jollinger and Ferris, 6-3, 6-1; Mrs. Raley and Miss Schaefer beat Mrs. Judge and Miss Fox, 7-5, 7-5. This match was very closely contested and Mrs. Raley and Miss Schaefer deserved great credit for winning a hard, up-hill match. In both sets the losing team had a big lead, but Mrs. Raley's clever cross-court shots and Miss Schaefer's strong back-hand returns gained the points.

Bellinger and Northrup met in the third round and were playing a very close and exciting match when, with the score at set-all, Bellinger sprained his ankle and was obliged to postpone the match. It is very doubtful whether he will be able to take any further part in the tournament.

Four teams have reached the semi-finals in men's doubles and the final will probably be played on the Fourth.

DECISIVE GAME TO BE PLAYED SUNDAY. St. Johns and Woodburn Will Battle With Strong Teams for First Place.

The St. Johns and Woodburns will make their first appearance in the city at the league grounds tomorrow at 3 p. m. The game promises to be worth seeing, as these two teams are putting up the best ball in the Tri-City league and both contesting for the honor of being the visiting team to victory.

St. Johns has added several new men and expect to trim the Woodburn Indians in this game.

Coppanon, the premier pitcher for Woodburn, is in the best form and will pitch tomorrow's game. Charlie Moore's team is also pushing hard for the leadership in the Tri-City league. If St. Johns wins this game it will put them in the lead.

Woodburn team will arrive in the city in the morning with a special train and a large number of rooters will be on hand to cheer the visiting team to victory. The line-up will be as follows:

St. Johns Position Woodburn C. Moore.....C.....Huddleston C. Moore.....P.....Wallace Conannon Trowbridge.....ss.....Shorey Clark Moore.....ib.....Layner Brown.....2b.....Coleman Gates.....lf.....Meikel Hinkle.....of.....Poland Rippley.....rf.....White

GREAT PARIS RACE TO BE RUN TODAY. (Journal Special Service.) Paris, July 2.—The eyes of automobile enthusiasts everywhere are turned today toward the famous seashore town of Dieppe, in which vicinity the Grand Prix race is being contested over a 50-mile course, the same as was used for the race of last year. The race itself holds front rank among the automobile events of the year and the present contest promises to eclipse all of its predecessors, not only in the number of contestants, but in the variety of machines taking part, and possibly in the matter of speed records.

There are 17 makes of cars in the race and 37 starters. The cars represented by complete teams are the Renault, Panhard, Clement-Bayard, Darrault, Dietrich, Brasier, Montebello, Germain and Mercedes.

The only American in the race is Walter Christie of New York. He has the honor of being the only American to win the race last year, and the favorites in the betting. Other well-known drivers in the race are Wagner, Duray, George Heath, Werner, Gabriel and Demogot, all of whom have been seen in the Vanderbilt cup and Ormond Beach events in America.

Contractor Won His Money Back. (Special Dispatch to The Journal.) Astoria, Or., July 2.—I. K. Time, a Japanese contractor who furnishes men to work in the Warrenton mills, was in Astoria Sunday and paid his men. After the men got their money they got into a gambling game with the contractor, who won most of their money, causing a fight during which Time stabbed a man in the neck, wounding him very seriously. A warrant has been issued for the arrest of Time.

# HOODOO FOLLOWS MAY BE CRASHED

## Oldfield, Seibel and Wallace Go After New Honors Tomorrow.

The fine speed program arranged for the auto races tomorrow is simply an indication of what the progressive third and fourth of July committee is going to put on the finest meet that has ever been promoted and the energy and snarl of the meet of a week ago will again be in evidence.

The program shows nine numbers. The management has made most of the events for cash prizes, with the choice of plate if the driver so desires. There is no reason why there will not be plenty of thrilling races, with events and pepper enough to thoroughly sprinkle the track.

The novelty race with \$15 and \$10 in gold will be the feature. The 50-mile endurance donation derby for 50 miles with \$100 in cash for first and \$75 in cash for second in fast filling and it is believed the record for this style of a race will receive a jolt.

The restrictions of the race regarding the carrying of passengers is before the technical advisory board and will be decided in accordance to the will of the majority, so the event will be fair for all.

Of course the star attraction will be the match race between Oldfield, Wallace and Seibel. The big German has just completed the repairing of his Red Devil. The engine was taken out and showed a bunch of complications which were not conducive of speed on the last day of the meet just passed. Several new pistons were made and a new cog on the time shaft, so that the Dutchman is all smiles as he tells what he "must have broken my engine at Fresno when I hit the fence there last month," said Seibel, but I now have her sharp again and she dings ven I get hit dese fellows."

Seibel, however, is serious and wants to slip a lime to some one, that is sure. Oldfield has been in the car up also, but then Barney is always ready. His machine never leaves the track and a few crank wheels always starts a row from the iron throat of the Green Dragon that can be heard for half a mile.

"I never promise anything," said the champion when asked what he could or would do tomorrow. "When you asked me that a week ago I did not make any promises. I will do my best, that is sure," and with that he turned to the face of the champion which means that some one will have to cover every mile in less than 50 seconds to lower the crown which has been worn jammed over his ears for the past five years.

"Of course I expect to have to extend myself and hope for the best of the game that everyone's car is in the best of shape, as I always like a good contest. With these conditions let the best man win. Of course every driver thinks he has the finest car and the most nerve to drive it, and I suppose I have a certain amount of confidence in which has come with many victories. And I assure you that the record I made on your track a week ago shows me what it is possible to do in a race on a fast track. I have a fast car, and if I loose I will have no kick to make, as my car is in the best of shape and I am in the best of condition."

Oldfield and Wallace Ready. On the outcome Barney fails to express himself except to say, wait and see. Seibel is in high spirits. The fact that Wallace has done defects in the internal parts of the car explains why the machine has not been behaving well and he now has his confidence restored.

Wallace, the regular driver, is saying little but working hard. "I always have my car tuned to the limit," said the Dutchman, "and I feel that with the experience I have gained from the last meet that I will do better. I hope to lower a few records for the benefit of the spectators who are over you will see where I finish."

List of Events. The list of events for tomorrow: Event No. 1—Motorcycle handicap. Two to five miles, distance to be announced. \$5 gold. Event No. 2—Novelty race. Oldsmobile; Stoddard-Dayton, H. A. Burgis; Stevens-Duryea; Ford; Cadillac; Covey; White; Kelley. Event No. 3—Exhibition by Bruno Seibel, the flying Dutchman. A three to ten mile distance to be announced. Event No. 4—Exhibition by Covey. "Hot Not" an Auto Race. Event No. 5—Free-for-all handicap. Wallace and Seibel are on scratch in this event. Red Devil, Bruno Seibel; Thomas, Wallace, Cadillac; Covey; Stevens-Duryea; Litt; White, 1904 model; Kelley; Pope-Hartford; Gill.

Event No. 6—Exhibition by Bruno Seibel, the flying Dutchman. A three to ten mile distance to be announced. Event No. 7—Trial against time by Wallace. The fastest time to lower world record for equipped car in its class. Five miles. Event No. 8—Patriotic sweepstakes. Open to all. \$2,000 in gold. Oldfield, Wallace and Seibel. This event may be run in heats at the discretion of the referee. Distance from three to ten miles, to be announced. The start will be a rolling one, with 500 yards. The pole car shall set the pace to the tape. Any car failing to comply with the rules in three starts shall be barred at the discretion of the starter.

Event No. 9—Donation derby of endurance. Distance 50 miles. If six cars start in this event the first prize shall be \$100 in gold. The second prize shall be \$50 in gold. Pope-Hartford, Gill; Cadillac; Stevens-Duryea; Wallace; Covey; Tourist; Peeler's; Cook Motor Car company. The record for this type of car and this distance of race is held by minutes 36 1/2. This record is expected to be lowered.

LONG WINS FIGHT IN FIFTH ROUND. (Journal Special Service.) Vancouver, B. C., July 2.—Louie Long of San Francisco knocked out Kid Sorg of Chicago with a straight left to the jaw in the fifth round of a scheduled 10-round fight at North Vancouver last night. The fight was disappointing, Sorg being completely outclassed.

The actor men and the newspaper men's all-star baseball team will chase bases this afternoon at 4 o'clock on league grounds in an effort to play nine innings before dark. The game is expected to have numerous dramatic situations.

Butler pitched two games yesterday in succession for the Tacoma team against Vancouver, British Columbia, at the latter place. He shut out the British players in both games and during the 18 innings allowed but 10 hits.

The jacksies from the U. S. S. Charleston were defeated in Sunday's game at Gresham by a score of 3 to 2. The game will be played next Sunday on Multnomah field.

The Stephens team won its nineteenth consecutive game Sunday by defeating the Peninsular tappers in a 14-inning contest. Stronach pitched a good game for the Stephens, striking a good game for the Stephens in several different innings. Conney pitched for the Peninsular team and was equally effective.

CONTRACTOR WON HIS MONEY BACK. (Special Dispatch to The Journal.) Astoria, Or., July 2.—I. K. Time, a Japanese contractor who furnishes men to work in the Warrenton mills, was in Astoria Sunday and paid his men. After the men got their money they got into a gambling game with the contractor, who won most of their money, causing a fight during which Time stabbed a man in the neck, wounding him very seriously. A warrant has been issued for the arrest of Time.

THE SMILE. That won't come off, appears on baby's face after one bottle of White's Cream Vermifuge, the great worm medicine. Why not keep that smile on baby's face if you keep this medicine on hand? You will never see anything else but smiles on his face. Mrs. S., Blackwell, Oklahoma, writes: "My baby was peculiar and fretful. Would not eat and I feared he would die. I used a bottle of White's Cream Vermifuge and he has not had a sick day since." Sold by all druggists.

BLOOD POISON. is the worst disease on earth, yet the cure is so simple that YOU KNOW WHAT TO DO. Many have pimples, spots on the skin, sores in the mouth, ulcers, falling hair, nose-bleeds, itching, and don't know what to do. Send to DR. BROWN, 123 N. 3rd St., Portland, Ore., for BROWN'S BLOOD CURE, \$2.00 per bottle. Lasts one month. Sold in Portland only by Woodard, Clark & Co.

# We Cure Men

## SEE US FIRST AND YOU WILL NOT HAVE SO MANY MEDICAL FEES TO PAY.

OUR FEE \$10 IN MOST CASES No Pay Unless Cured

If you have a disease or weakness peculiar to men your condition calls promptly for the best treatment the medical profession affords. We have long studied and thoroughly mastered infirmities of this character. Our business and professional methods are clean. While we are naturally ambitious to cure as many men as possible, yet we want to do so on a fair and square basis, with mutual confidence between physician and patient. Our object is not so much to do the work that other doctors can do, but rather to do that which they cannot do. What we solicit in particular is obstinate cases; cases which have been made worse by all kinds of inferior treatment. The knowledge, skill and experience of years are at your service.

By the latest and best methods we cure to remain cured, VARICOSE OR KNOTTED VEINS, BLOOD POISON, NERVOUS DEBILITY, BLADDER AND KIDNEY Troubles, and all associate diseases and weaknesses with their reflex complications. We make no misleading statements, deceptive or unbusiness-like propositions to the afflicted, neither do we promise to cure them in a few days, nor offer cheap, worthless treatment in order to secure their patronage. Honest doctors of recognized ability do not resort to such methods.

CONSULTATION FREE AND INVITED—Our reputation and work are not a mushroom growth. We have been curing men for 27 years. Write, if you cannot call. All correspondence strictly confidential and all replies sent in plain envelope. Enclose 2-cent stamp to insure reply.

OFFICE HOURS—9 a. m. to 5 p. m.; evenings, 7 to 8:30; Sundays, 9 a. m. to 12 noon.

# AUTO RACES July Third

## Oldfield --- Wallace --- Seibel In the Patriotic Sweepstakes, Best 2 in 3 Heats

## Eight Other Big Events Including 50-Mile Donation Derby of Endurance

## RACES START AT 2:30 P. M. Admission \$1.00

## FOR WOMEN ONLY CUTS THAT ARE WORTH ALL YOU PAY FOR THEM

## THE LEADING SPECIALIST IN MEN'S DISEASES

There is no ailment peculiar to men that I cannot cure. For sixteen years I have devoted my entire time and energy to the treatment of men's diseases.

My methods have been perfected by actual experience, with a thorough theoretical knowledge as a basis. I am the only physician thoroughly and permanently curing those functional derangements commonly classed as "Weakness" and my success in overcoming such cases has placed me foremost among specialists treating men's diseases and has brought me the largest practice of its kind in the west.

Every afflicted man is invited to write me a description of his case. Such is my knowledge of men's diseases and so perfect are my methods in treating them that I am able to effect cures in all ordinary cases without seeing the patient in person. All correspondence strictly confidential. Those visiting Portland may feel free to call at my office for personal consultation.

WEAKNESS. So-called "weakness" in men is curable—fully curable. It has not been cured by those measures commonly employed, for they are methods based upon supposition and not upon fact. Prematureness and loss of power in men is due to a chronic state of inflammation to the prostate gland, and not to a disordered nervous condition, as has been supposed. I treat the inflammation by local process that does not fall to accomplish its purpose, and with this condition corrected full and complete strength and vigor returns.

Contracted Disorders. Every case of contracted disease I treat thoroughly cured; my patients have no relapses. When I pronounce a case cured there is not a particle of infection or inflammation remaining, and there is not the slightest danger that the disease will return in its original form or work its way into the general system. No contracted disorder is so trivial as to warrant uncertain methods of treatment, and I especially solicit those cases that other doctors have been unable to cure. I have the largest practice because I invariably fulfill my promises.
