

BILLIK'S POWERS USED ON JURY

Five Men Selected to Try Hypnotist for Murder Fall Under Baneful Spell.

(Journal Special Service.)
Chicago, July 2.—Five jurors summoned to try Herman Billik for the murder of the Vrsal family have been mysteriously stricken.
Two were prostrated Friday and had to be relieved from duty. Yesterday a new sensation was created when three more jurors fell victims to the plying malady. The belief that Billik, the hypnotist, voodoo doctor and fortune teller, has cast his spell over these men, who would have been called on to decide his fate has grown among court attachés and those who have been attending the trial.
At the opening of court two of the accepted jurors rushed into the courtroom in a condition bordering on hysteria and begged to be released. The third juror, Carl Peterson, was unable to talk when questioned by Judge Barnes.
"I feel dizzy," said Peterson after Judge Barnes had sharply questioned him.
Then, when excused, he fell prone to the floor and lay at full length in front of Billik. The inscrutable stolid prisoner smiled grimly when Weise and Seehausen made application for discharge from jury service. According to the claim of the state, Billik possesses most remarkable psychic powers and it is claimed for him that he is able to exert telepathic influence over all persons who are susceptible to hypnotism.

WESTERN BUSINESS HANDLED IN WEST

Change in Northern Pacific's Management in the Interest of Quick Action.

(Special Dispatch to the Journal.)
Tacoma, Wash., July 2.—Important changes took place in the management of the western portion of the Northern Pacific railroad with the coming in of July. The following officials are now discharging their duties at headquarters in Tacoma:
H. C. Nutt, appointed general manager of the Northern Pacific lines west of Trout creek, Montana.
B. E. Palmer, who has been assistant general superintendent of the Northern Pacific with headquarters here, but was promoted to be general superintendent of what will be known as the western division of the road.
J. C. Roth, the newly appointed superintendent of transportation of the western division.
When Third Vice-President C. M. Levey was placed in charge of maintenance and operation with headquarters at St. Paul and the road divided into eastern and western divisions, H. J. Horn, who had been general manager of the road, was then made general manager of the eastern division and Mr. Nutt was made head of the western division. General Superintendent Gilbert will in future have charge of only the eastern division, with Mr. Palmer's jurisdiction extending to Trout creek.
Officials of the road expect that this plan of operation will prove much more advantageous, both to shippers and in the operation of the road, than the old plan of having the general headquarters at St. Paul. The new policy gives the western officials power to act on their initiative and does away with a vast deal of red tape.

IDAHO DEMANDS CHEAPER PHONES

State Administration Asks a Cut of Sixty-Three Per Cent All Once.

(Special Dispatch to the Journal.)
Boise, Idaho, July 2.—There has been a serious clash between the state administration and the local representatives of the Rocky Mountain Bell Telephone company. It seems that the power to be at the state house, which is that the state was paying too much for telephone service, and notified the company that they wanted it to cut its bill for the past three months, which, it is said, had not yet been paid, from \$2.75 to \$1 per phone per month, and that if it did not do so the phones would have to be taken out.
If the bill against the state is not soon paid, litigation will result. The company claims it cannot grant such a cut and make a profit from its service and that it would not be fair to other parties taking the service to make such a discrimination. The company claims the state officials did not ask for a cut on the past three months till the state had had the service, and it says it does not propose to grant the demand.

SALARY LAW TEST IN WASHINGTON

(Special Dispatch to the Journal.)
Olympia, Wash., July 2.—Preparatory to a plan to test the right of members of the state board of control to the increased salary of their offices as made by the last legislature, Governor Mead has reappointed James H. Davis, H. T. Jones and Matt H. Piles as members of the board, on the theory that the law of 1907 created an entirely new board. Matt H. Piles, it has already been conceded, is entitled to the increased salary raise through the expiration of his term and his reappointment in April prevented under the present understanding Mr. Piles was again reappointed. The new appointments date from June 12, when the new law went into effect.

J. H. Davis has begun mandamus proceedings to compel State Auditor C. W. Clausen to issue his salary warrant for \$3,000 under the 1907 law instead of for \$2,000 as heretofore. Clausen contends that the old board was not limited out of office, and that under the constitutional inhibition the members of the board can not receive an increase in salary during their term of office.
The attorney general's office recently advised that a reappointment of the board of control was not necessary, as the old law was only amended.

TACOMA'S LID IS SOLDERED DOWN

Tacoma, Wash., July 2.—The city officials seem finally to have the saloon forces whipped to a standstill, and it is said there will be no more trouble holding the lid down on Sunday. Tacoma was dry Sunday with a vengeance. There was not a back door of a single saloon open and the man with a thirst was obliged to leave the city to abate it. An energetic campaign has been waged against the saloons that have had a tendency to slightly pry the lid by opening back doors Sunday afternoons, by both the city administration and the county prosecuting attorney. From the present outlook there will be no more Sunday saloons here, at least until there is a change in public officials.

Women Who Wear Well.

It is astonishing how great a change a few years of married life often make in the appearance and disposition of many women. The freshness, the charm, the brilliance vanish like the bloom from a peach which is rudely handled. The matron is only a dim shadow, a faint echo of the charming maiden. There are two reasons for this change, ignorance and neglect. Few young women appreciate the shock to the system through the change which comes with marriage and motherhood. Many neglect to deal with the unpleasant pelvic drains and weaknesses which too often come with marriage and motherhood, not understanding that this secret drain is robbing the cheek of its freshness and the form of its fairness.

As surely as the general health suffers when there is derangement of the health of the delicate woman's organs, so surely when these organs are established in health the face and form are witnesses to the fact in renewed comeliness. Nearly a million women have found health and happiness in the use of Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well. Ingredients on label—contains no alcohol or harmful habit-forming drugs. Made wholly of those native, American, medicinal roots most highly recommended by leading medical authorities of all the several schools of practice for the cure of woman's peculiar ailments.

For nursing mothers, or for those broken-down in health by too frequent bearing of children, also for the expectant mothers to prepare the system for the coming of baby and making its advent easy and almost painless, there is no medicine quite so good as "Favorite Prescription." It can do no harm in any condition of the system. It is a most potent invigorating tonic and strengthening nervine nicely adapted to woman's delicate system by a physician of large experience in the treatment of woman's peculiar ailments.

ROCKEFELLER TO COME TO COURT

Oil King Promises to Appear Before Judge Landis in Standard Case.

(Journal Special Service.)
Cleveland, July 2.—John D. Rockefeller has decided to give himself up and testify before Judge Landis in the federal court in Chicago. It was learned last night upon trustworthy authority that the oil king had reached an understanding with the government of officers through his counsel, and that he heretofore will not be molested by United States agents.
According to the present program, Rockefeller will arrive in Cleveland on July 4 to spend the summer at his summer home, Forest Hill. No government officers will meet him to serve summons for his appearance in the Chicago court. Instead, service will be obtained upon the oil king's counsel, who have promised to have Rockefeller testify in the Standard Oil cases in Chicago on July 8, or whenever his testimony is desired. It was impossible to learn the present whereabouts of the oil king.

WEST VIRGINIA DAY AT JAMESTOWN FAIR

(Journal Special Service.)
Norfolk, Va., July 2.—This was West Virginia day at the exposition, and visitors from that state were much in evidence about the grounds and buildings. Exercises appropriate to the occasion were held in the auditorium, Senator Stephen B. Elkins presiding. The speakers included Governor Swanson of Virginia and President Tucker of the exposition.
Another feature of the program was the formal opening of the West Virginia state building, one of the most substantial and attractive of the state buildings at the exposition. The structure is colonial in style and occupies a place of prominence on the boulevard overlooking Hampton Roads. Among the relics of colonial times displayed in the building is the map prepared by General Washington on the journey to the French on the upper Ohio in 1753. Another feature of the exhibit shows the home life of the pioneers of West Virginia.

GENERAL KING WILL RUN FOR COMMANDER

(Journal Special Service.)
Mantowoc, Wis., July 2.—General Charles King of Milwaukee will be put forward as a candidate for national commander of the United Spanish war veterans at the coming national encampment. This has been decided upon by the Wisconsin branch of the organization, which opened its state encampment here today. James G. Armstrong, also of Milwaukee, is prominently mentioned for the office of department commander. There is a large attendance of visitors at the state encampment and the town is elaborately decorated in their honor. The business will last three days, and will be interspersed with parades, campfires and other entertainment features.

PROCLAIMED FROM THE HOUSE TOPS POWERS' SEMI-ANNUAL RED TAG SALE

OUR business year ends August first and we intend to clear our store of all Odds and Ends by that time. This Red Tag Sale for the month of July is to finish the best year's business we have known and place the stock in shape to receive the recent purchases made by our Mr. Powers, who is now in the market. He writes that to insure stock for this fall, shipments must be made at once, and to make room we must put our already large stock down to a price that will move it. So all Odd Pieces, all Floor Samples and all Discontinued Patterns will be greatly reduced to clear the floors for the new fall lines. Cash is also a consideration, for these new goods must be paid for long before we need them, and we are willing to sacrifice on our present stock.
