Some of the letters which Mr. Blasuw received from the children have been turned over to this paper for publication and they will be printed daily for some time to come. Last month nearly some time to come. Last month nearly a carload of Golden Grain Granules was sold in Oregon, and the more of it the better. It means healthler people, better complexions, less doctor fees, less drug bills, better men, women and children, less suffering. We have got to get to it—plain cereal coffee is what we ought to drink, and as it is true that Golden Grain Granules is the standard (190 per cent pure), and we can get it in any grocery store, we better celebrate Fourth of July, the day of liberty, by turning over a new leaf and start to drink this coffee.

Dr. and Mrs. Andrew C. Smith have returned from their bridal trip of several weeks throughout the east. Dr. inith attended the National Medical envention at Philadelphia and said that it was one of the largest ever held in the history of the medical profession in this country. In speaking of the con-yention, Dr. Smith said that 5,000 physicians were present from every state in the country, while many noted members of the profession attended from Europe. Dr. Smith was second vice-president of the society association and stated that the reason no officers were elected from western states this year was due to the slight attendance from states west of the Rocky mountains.

The town of Milwaukie will celebrate the Fourth of July in grand style. There will be a big street parade in the morning, city officials, firemen, societies, and different business firms will participate to the extent of about 20 floats. There will be two ball games, races, and other amusements in the afternoon. The Milwaukie band has been engaged for the entire day. The band will play for the different festivities of the day and give a concert at the river front in the evening. They expect to have a \$500 fireworks display and will finish up with a grand ball at the city hall. The Fourth of July committee will make this a gala event. the Fourth of July in grand style.
