A Lazy Liver

May be only a tired liver, or a starved liver. It would be a stupid as well as savage thing to beat a weary or starveman because he lagged in his work. So in treating the lagging, torpid liver it is a great mistake to lash it with strong drastic drugs. A torpid liver is but ar indication of an ill-nourished, enfeebled body whose organs are weary with over work. Start with the stomach and allied organs of digestion and nutrition. Put them in working order and see hov quickly your liver will become active Dr. Pierce's Golden Medical Discovery has made many marvelous cures of "live" trouble" by its wonderful control of the organs of digestion and nutrition. It re stores the normal activity of the stomach increases the secretions of the blood-making glands, cleanses the system from polsonous accumulations, and so relieves the liver of the burdens imposed upon it by the defection of other organs.

If you have bitter or bad taste in the moreing, poor or fariable appetite, coated tongue foul breath, coastipated or irregular bowels
feel weak, easily tired, despondent, frequen
headaches, pain or distressin "amail of back,"
gnawing or distressed feeling in stomach,
perhaps nauses, better of soft "risings" in
throat after eating, and kinded symptoms
of weak stomach and torpid lives no medi-

cine will relieve you more promptly or cure you more per manently than Doctor Pierce of Golden Medical Discovery. Perhaps only a part of the above symptoms will be present at one time and yet point to torpid liver or billousness and weak stomach. Avoid all hot bread and biscuits, griddle cakes and other indigestible food and take the "Golden Medical Discovery " regularly and stick to its

use until you are vigorous and strong. The "Discovery" is non-secret, non-alco holic, is a glyceric extract of native medicinal roots with a full list of its ingredients printed on each bottle-wrapper and attested under oath. Its ingredients are endorsed and extolled by the most eminent medical writers of the age and are recommended to cure the diseases for which it is advised.

Don't accept a substitute of unknown composition for this non-secret MEDICINE W BROWN COMPOSITION.

dispensed with a celebration last year on a promise that Walla Walls would do the same this year and assist the Columbia county town. As a result a big excursion of Walla Wallams left for Dayton this morning to spend the day. Several hundred went to Milton and Freewater to spend the Fourth there, a big celebration being planned by the Oregon towns. The Northwest Automobile association is holding a big racing tournament at the fair grounds this afternoon, which attracted several hundred visitors. The tournament is being held under the auspices of the County Fair association.
