WEATHER REPORT Has beautiful view of river, harbor and mountains.

Has one of the few beautiful boulevards.

Has central location on the peninsula, where all the big improvements are being made.

A small disturbance was central this morning over Utah. It caused showers and thunderstorms at widely scattered places in northern Nevada and in southern and eastern Oregon, eastern Colorado, northern New Mexico, and western Nebraska. Another small disturbance was central north of Lake Huron, and showers fell in the lake region and middle Atlantic states. The barometer continues relatively high over the Guif states. It was cooler in northern California, and warmer in eastern Oregon. eastern washington, and Idano. In the eastern states the temperatures were generally from four to eight degrees above normal.
