TODAY'S MARKETS
TOMATOES OPEN UP
Canned Goods Market Firm - Fruit Values Have Not Been Opened.

Today's market features: Canned tomatoes open up. Logansberries are steady. Strawberry season is closed. Walla Walla onions make appearance.

At the California Fruit Canners' association has named its opening value on canned tomatoes. Prices are listed as follows: Standard 2 1/2 cts. per lb. on standard 2 1/2 cts.

Loganberries are steady. A steady tone is ruling in loganberries, especially for the better quality. Poor stock is hard to sell at any price.

Practically no strawberries are now being received in this market and the season is closed. A Hood River paper this evening reports that the berries are generally in the best condition.

Walla Walla Onions Arrive. The first car of Walla Walla onions to arrive this season came in late yesterday and was unloaded this morning.

Country Market is Higher. On account of the very liberal demand and generally small arrivals on the street, the poultry market is quoted in advance of about 1c a pound in price today.

GRAIN BAGS - Calculated, 5c large lots; small lots, 10c. WHEAT - Club, \$4.95; red Russian, \$5.00; white, \$5.10; valley, \$4.95.
