

PIONEERS AS GUESTS AT CHAUTAUQUE PARK

Busiest Place on Chautauque Territory Today is the Pioneer Tent.

UNUSUALLY FINE FEATURES IN FORUM

Gray Morning Lulls Campers to Tardiness, for Once—Economic Problems in Yesterday's Forum—Professor Hoadley's Lectures Feature.

(Special Dispatch to The Journal.) Oregon City, July 16.—The dull morning had the effect of keeping the campers at Chautauque a little longer abed this morning than usual, and it was a few minutes after the musical old gong clanged out its call for devotional exercises and the Junior Bible class at 8 a. m. before many of the campers threw back the flaps of their tents for the day. This was unusual, as the proverbial bird never rose earlier to catch its worm than the Chautauquan does to go after the good things spread before them in the various class tents.

This morning Professor R. J. Hoadley began his course on American literature, taking up "Orators." His lecture yesterday on "Kipling" was considered a masterpiece by every one that was fortunate enough to hear it. This is Professor Hoadley's sixth year in charge of the English and American literature class, which speaks well for his methods and popularity, for the rule is after two or three seasons the frequenters of Chautauque want a change, but no such desire has been made manifest in this class.

Miss Tingle's class in domestic science seems to gather numbers each day and this morning when she called them together at 10 o'clock there was more than usual to hear about the much-neglected vegetables.

The following classes were all under full swing today:

- 8 to 10 a. m.—Junior Bible study, Mrs. Alice M. Handaker.
- 9 to 10 a. m.—Mission study, Professor J. D. Ewing.
- 9 to 11 a. m.—Physical culture, Professor A. M. Griley.
- 9 to 10 a. m.—English literature, Dr. B. J. Hoadley.
- 9 to 10 a. m.—Elocution, Professor W. Eugene Knox.
- 10 to 11 a. m.—United States history, Hon. Willis C. Hawley, M. C.
- 10 to 11 a. m.—Domestic science, Miss Lillian Tingle.
- 10 to 11 a. m.—Bible study, Rev. James Hoffman Batten.

The Pioneer Tent. The busiest place, perhaps, on the ground today is the pioneer tent, which is in charge of Miss Mary Doherty, Mrs. J. P. Wager and Mrs. Moore. It is Pioneer day, and although it will be but a miniature of the annual one, with its music and flowers, it is in charge of putting forth every effort to make it resemble, as far as possible, the real one. Early the women were up and about the grounds, getting the decorations and all the available flowers and arranging them in a graceful and artistic manner. Since the opening of the season this tent has been one of the busy spots on the grounds, with its protecting fence and carpet of cedar. Many pioneers are arriving on every car and the cool morning has done much to bring them out. Several very fine addresses will be made, and Dr. Heritage will sing a solo and direct a chorus in "The Morning Grape," words by Mrs. Eva Emery Dye.

Dr. Smith's Lecture. Dr. Frank G. Smith, pastor of the Warren Avenue Congregational church, of Chicago, will talk this afternoon on "The Man of Our Times." He is the only lecturer Dr. Smith has been able to give, and the Chautauque management considers itself most fortunate in securing him, even for one meeting. He is considered one of the most forceful and persuasive speakers in the Congressional church. When the program was almost full, Miss Jennie Johnson opened with a solo and had to respond to a determined encore. Professor Knox had the common sense when he gave one of his popular readings just before the lecture opened.

WATCH THE FIRMS THAT CRY "WOLF"

Many Houses Jealous of Eilers' Success—Wide-Awake, Wide-Open, Fair and Square Policy of House of Eilers Makes Less Liberal and Less Popular Firms Envious

Values This Week at \$138, \$156, \$198 and Other Figures Prove That Eilers Saves the Buyer From \$50 to \$150 on Every Piano Sold.

There is a great difference between cheap pianos and pianos sold cheaply. You can fool some of the public all the time, and all of the public some of the time, but you cannot fool all of the public all of the time. The mere assumption of any firm that a reference to "Quality" is all that is needed in the shape of an argument is a pretty poor proposition, from the buyer's standpoint.

Eilers Piano House not only gives you positively the very lowest prices that are asked by any firm, but also gives you in the bargain the very highest quality. Investigation is the surest test. Compare the value of pianos sold by firms who base their claim to your patronage, alone on a quality argument, and you will find that equal values can be secured at Eilers Piano House at a saving of from \$50 to \$150 in every instance.

Eilers Piano House tolerates no fake pianos and firms who cry "wolf" need to be watched. Every inducement that is offered you at Eilers is legitimate. Eilers will sell for less because of greater buying power, a greater output, better facilities for shipping, handling and distributing. Many sales, small profits in the Eilers policy. And it is the policy that has made the House of Eilers the Biggest, Busiest and Best of all.

Look into the piano values offered by Eilers Piano House at \$138, \$156, \$198 and at other prices, and then try to duplicate the value given anywhere else. Investigate these values this week—today, tomorrow. Plain figures, strictly one-price—a definite guarantee and easy terms. And remember, Eilers Piano House does not exact one cent of tribute for the advantage you have of buying from the "Line of Highest Quality." Remember, it's the Piano House on Washington street, 355, corner of Park. The House that Makes Piano Buying Easy.

There is a great difference between cheap pianos and pianos sold cheaply. You can fool some of the public all the time, and all of the public some of the time, but you cannot fool all of the public all of the time.

PURE FOOD IS SESSION THEME

Commissioners Assemble at Jamestown Exposition for Conference.

(Journal Special Service.) Norfolk, Va., July 14.—What promises to be the most important pure food meeting ever held opened at the Jamestown exposition today, when the members of the Association of State and National Food and Dairy Departments assembled for their eleventh annual convention. Those in attendance included the commissioners, standard committees, chemists and inspectors, both from the states and federal government.

The gathering was called to order in the convention hall of the exposition at 10 o'clock this morning by the president of the association, Horace A. Cheney, of Xenia, Ohio. The address of the president and the reports of other officers and of committees occupied the forenoon session.

At the afternoon session papers and addresses were presented as follows: "Cooperation Between the Federal and State Authorities," Dr. H. W. Wiley, chief of the bureau of chemistry of the United States department of agriculture; "Cooperation Between the State and Federal Authorities," A. H. Jones, state food commissioner of Illinois; "Publicity in the Enforcement of Pure Food Laws," L. Ward K. Slater, commissioner of the dairy and food department of the state of Michigan; "Cooperation Between State and City Health Authorities," Dr. Eugene H. Porter, commissioner of health of Albany, New York; "Possible Accomplishments by Independent City Action," Dr. W. P. Cutler, general food inspector of the board of health of Kansas City; "Food Control Work in the South During the Past Year," T. K. Bruner, secretary of the department of agriculture of North Carolina; "Review of Port Inspection Work," Professor R. E. Doolittle, chief of food inspection laboratory, appraiser's store, New York.

FREE REIN TO TRADE

(Continued from Page One.)

"4. To fix or establish a standard price or figure for the purchase or sale of any article, commodity, merchandise or produce intended for sale, barter, use or consumption within the said city whereby the price of the same to the public shall be in any way increased or controlled.

"5. To bind themselves not to sell, dispose of or transport within said city any article or commodity for public trade, use or consumption below a common standard figure or fixed price, or to keep the price of such article or commodity, or the transportation of the same within said city at a fixed or graduated figure, or to in any manner establish or settle the price of such article or commodity or the transportation of the same within said city between or among themselves, or between or among themselves and others so as to directly or indirectly interfere or interfere with a free and unrestricted competition among themselves or any purchasers or consumers in the sale or transportation of any such article or commodity within said city, or to unite their interests in the sale or transportation of any such article or commodity at its price, or to sell said city may be in any manner affected.

Free Market for all.

"6. To preclude the sale of any article or commodity to the consumers or merchants or dealers of said city or to restrict or limit the sale to any certain person or persons or to any corporation or corporations or to any certain association or associations of any article or commodity or merchandise manufactured, produced or sold within said city.

"7. To refund or rebate to any member of or party to such unlawful agreement, understanding, arrangement, contract, trust, pool or combination, any part of the price of any article, commodity or merchandise bought by any consumer of said city or any person within said city not a member of or party to such unlawful agreement, understanding, arrangement, contract, trust or combination.

"Section 7. Any person or persons who shall as principal, manager, director, agent, servant, employe or in any other capacity violate any of the terms or provisions of this ordinance, shall be punished by a fine of not less than \$50 or more than \$500, or by imprisonment in the city jail not exceeding six months or both such fine and imprisonment at the discretion of the court and each day's violation of any of the provisions of this ordinance shall constitute a separate offense."

WILL PROSECUTE
