Sale Commences Monday Morning at 8 A. M.

Sale Commences Monday Morning at 8 A. M.

Our stocks—even after the terrific selling of the past two weeks—are still too large. Some must stand more reduction than others, but all must be made smaller, before we undertake the hard task of taking stock. So now we offer—commencing tomorrow morning at 8 o'clock—this Clean Sweep Sale. Only such items are here given as we can find space for. These we offer merely as examples of what may be had in all lines during this sale.
