SALOONS OF ALBINA WILL BE CLOSED UP

Action Will Be Taken as Result of Vote of June, 1905, Which Was Never Observed or Reported by County Court Until June of This Year.

Eighth street to the river. Nearly 40 saloons in precincts 40, 55, 56 and 57 will be closed by the district attorney's office as the result of the vote of June, office as the result of the vote of June, 1905, which was never observed or reported by the county court until June 27 of this year, when the order of prohibition was entered by the county court. The nonenforcement of the order was brought to the attention of District to the strength of the strength o Attorney Manning this morning by a committee of citizens, headed by Rey. G. L. Tufts, and action to close the saleons in the affected district will be

salons in the affected district will be taken immediately.

Much surprise is expressed in official circles over the discovery made by Dr. Tufts that the four precincts had all gone dry by substantial margins in the election of June, 1905. An examination of the records shows that City Auditor Devlin reported the outcome of the local option vote in that election immediately after the results had been determined by filing a notification with the office. filing a notification with the office

Through some oversight in the clerk's

Some time ago Dr. Tufts discovered that the vote had not been observed and at once began an investigation. As a result of this the omission was rectified and the order of prohibition affecting the four precincts was made on June practically two years after the vote

27, practically two years after the vote had been cast.

At noon today the committee appointed at a meeting of citizens held in the Forbes Presbyterian church Sunday night called upon the district attorney and presented their findings to Mr.

Manning. The district attorney stated that he would officially make an investigation and if he found the reports brought to him by the committee to be true he would at once take steps to see that the law was enforced and the salsons closed.

This action will practically put all of

Albina is dry as well as precinct 40, | Albina in the dry list, and will also extending between Hawthorne avenue close a number of saloons further south and Division street and from East slong the east side water front, partic-

> trict attorney and asking his official action in regard to the enforcement of the law. In his address Dr. Tufts spoke at length upon the saloon question. He maintained that the saloon business was in itself criminal because it was productive of at least seven-eighths of the crime of the United States. The speaker contended for the abolition of the saloon and spoke in favor of local option.
>
> Twenty-seven saloons in precincts 40, 55, 56 and 57 will be put out of business by the discovery of Dr. G. L. Tufts that the precincts had voted for local option in the general election of June, 1905. The saloons affected by the discovery and which will be forced to go

covery and which will be forced to go out of business are as follows:

Precinct 40—M J Callahan, 406 Hawthorne avenue; Mangiantini & Dellaselva, 354 Hawthorne avenue; Henry Through some oversight in the clerk's office no notification of prohibition was ever made by the county court, and since that time up to the present the large number of saloons have been transacting busines without hindrance though put out of commission by the vote of the people.

nis, which begin tomorrow at 10 o'clock at the Multnomah club courts.

The entry list, which closed this morning, is about 20 per cent larger than it was last year.

The entire number of entries last year 12 players competed in the mers singles; this year the first thing is and doubles, while Joe Tvier and Carl Lewis of DuBots of Vancouver and Miss Bush of DuBots of Vancouver and Miss Bush of Bush and Mr. Pealing and a very fair apportionment of Bush of Bush

ARGUMENT

Judge Wolverton in Federal Court Listened to Contention Which Will Have Important Bearing on All Irrigation Projects.

Judge Wolverton in local United States circuit court this morning heard arguments in the case of the United States against Alex. Martin and Fred at \$1.50. H. Mills, which, if the contention of the

math Lake Irrigation project as a right of way for an irrigation ditch.

The defendants contend that the irrigation act is not constitutional and on that ground deny the right of the government to condemn private property for the use of its irrigation projects.

Should the defense be successful in establishing its point the decision will establishing its point the decision will have serious effect upon all the proposed irrigation projects, as it will prevent any means of compelling owners of private property to sell land for the use of the project when it is needed for its compellion.

MAKING HEADWAY IN HARD FIGHT

J. G. Woolley, Temperance Worker, Holds Citizenship of Country Responsible for Saloons.

That citizenship of the country is responsible for the existence of the saloons of the country is the contention made by John G. Woolley, one of the great temperance workers of the nation, who spoke at the Y. M. C. A. yesterday afternoon upon the subject of "Christian Citizenship as Related to the Liquer Traffic".

Liquor Traffic."

In his remarks Mr. Woolley went into history of his battle against the liquor business. He told flow in the beginning he seemed to have begun battle with an unconquerable foe but that as time had passed he had made head-way in his fight until now success was eginning to shine on the efforts of his

The speakor contended that the fault for the existence of the saloon in the country was at the door of the citizenship of the country. The voters were not aroused to the evils of the business and passed the question over or paimed the responsibility off onto the shoulders of others. of others.

Equal suffrage is one of the cures for

Equal suffrage is one of the cures for the evil, the speaker said. It was the women of the country who suffered most by the drunkenness of the men and yet they were not given an oppor-tunity to assist in their own protection. It was only a matter of time the speaker argued, before the labor unions, the large employers and all other in-

The Ice Delivery company by which he was employed took care of him after the accident, sent him to the hospital and furnished medical assistance, and the manager of the company or one of the employes remained with him constantly till this morning when his sister from Aberdeen took charge of him.

Bullet Entered Back of Head.

The bullet entered the back of the victim's head and passed around to the left, piercing part of the brain, and lodged in such a manner that it is impossible to remove it now and it may be left there without further injury. The case is considered a remarkable one because of his splendid chances for recovery.

A Mrs. Stevens on the east side who also has a son named William employed by the lee company heard about the accident Saturday night and hurried right into town in great distress, being told that her son was killed. The

ANOTHER PIONEER CALLED TO REST

J. N. Howlett, a ploneer of 1857, died Saturday morning at the home of his daughter, Mrs. Powell, at University

park. Mr. Howlett had lived in Portland for the past seven years, prior to which he had for 40 years been a resident of Eagle Creek.

St. Louis, July 22.—September wheat closed today as follows: St. Louis, 89 % asked; New Yor, 99 %; Minneapolis, 97%. OPERA QUEEN WEDS

> RAILWAY CONDUCTOR 248,000, Divorced From Husband of Artistic

Temperament, She Choo Practical Sort.

(Journal Special Service.) Chicago, July 22. - When Madame Hulda Flodenberg, creator of classic rolls and lyric exponent of Wagnerian passion music, late of the Paris opera. company, decided to get married the Chicago, July 22.-World's shipments second time it was a conductor of a railroad train and not of an orchestra whom she chose for her helpmate. Madame Foldenberg has decided that one artistic temperament, whatever that is, is enough for any family.

So when a divorce was granted her from her husband, one Mr. White, she hastened across the Indiana line and embarked afresh upon the reasons.

embarked afresh upon the seas of mat-rimony, this time with Frank Kenney, a man who, she is satisfied, does not possess an artistic temperament.

Madame Flodenberg has been plucked from the jaws of the papier mache dragons in half the theatres of Europe by handsome and ardent tenors without slipping a note in her verbal pyrotech-nics, but when she was rescued in real life from a position of no peril what-ever she was speechless with gratitude and married her rescuer.

Leave the office in time to stop at Robinson & Co.'s and get a high granegligee shirt at the lowest pri Special sale on.

MAN AT CHURCH IS KILLED BY LIGHTNING

(Journal Special Service.)
Racine, July 22.—An electric storm killed Wenzel Miksch, injured several and destroyed many buildings, horses and cattle in Waterford. Miksch was leaning against the door of St. Mary's church, when lightning struck the steeple, killing him and knocking a gathering of worshippers down. gathering of worshippers down

nauts who ascended in a military bal-loon on last Friday, are believed to be drowned. The balloon was picked up at sea and the men are missing.
