

LOADING LOCOMOTIVE AT ALBINA DOCK

To Be Used in Building Railroad in Tillamook County.

Equipment for railroad construction was loaded today in the sailing vessel Wallace, and will be taken down the river tonight en route to Bay City, on the Tillamook coast. For the first time in its history the town of Bay City will

witness the arrival of a railroad train and hear the toot of the steam locomotive. The shipment is being sent by the Portland Bridge & Construction company, which has a contract for building and equipping 20 miles of the Pa-

cific Railway & Navigation company's lines in Tillamook county. The cargo included one 35-ton locomotive, one 35-ton steam shovel, 10 flatcars and a large quantity of railroad iron. The equipment was loaded at the Albina dock of the O. R. & N. company.

STOLL IS SOUGHT BY FORMER WIVES

Three Women Claim Right to Bear Former Government Man's Name.

(Journal Special Service.)
New York, July 26.—Two women claiming to have the legal right to bear his name in this city seek to get into communication with a woman they believe has the same right in Chicago, a host of creditors flourish checks, investment receipts, I. O. U.'s and other claims, amounting to thousands, and are on his trail.
So Captain Frederick F. Stoll, superintendent of Chicago mail delivery under President Cleveland, once captain of the Illinois National Guard and lately president of the Suburban Realty Brokers' association, has gone into retirement.
Stoll's disappearance followed closely a call by Mrs. Julia Garrett Stoll on the captain and Mrs. Alma Earle Stoll at the Hotel Albany. Mrs. Julia Garrett Stoll says she was married to him in Benton Harbor, Michigan, in 1899. He met Miss Earle, a pretty San Francisco actress, in April and, it is claimed, they were shortly afterward married.
The Benton Harbor wife charges that he also has a third wife in Chicago.

WAREHOUSEMEN CONSPIRATORS

This Charge Brought by Indignant Farmers of Walla Walla.

(Special Dispatch to The Journal.)
Walla Walla, Wash., July 26.—A prospective result of the warehouse companies' advancing warehouse charges from 50 to 75 cents a ton will be an attempt on the part of a number of big Walla Walla county farmers to prosecute the grainmen on charges of conspiracy. Several big farmers say they believe the raise was made solely for the purpose of forcing farmers to sell their crops early in the season in order to escape the exorbitant warehouse charges.
A number of farmers have called on Prosecuting Attorney Rupp and asked him to investigate the situation with a view of petitioning either Judge Brents of the superior court or Judge Whitson of the federal court to order a grand jury investigation of the action of the warehousemen. If there are any grounds on which the warehousemen can be prosecuted ample money will be forthcoming to bring the suits.
The only company refusing to join with the other warehouses in raising the storage rate was the Farmers Warehouse company, composed principally of a number of Walla Walla farmers.

NO DIVORCEMENT OF CHURCH AND STATE

Slogan of New Club Will Be "Good Citizenship, Pure Politics and Roosevelt."

No divorcement of church and state is desired by the newly created Roosevelt Republican club now taking its first steps over on the east side. At the meeting held last night it was decided to adopt the slogan "Good citizenship, pure politics and Roosevelt" as the battle cry of the organization. In order to promote this policy it was also decided to ask each minister in the city to set apart one day for the discussion of good citizenship from the pulpit.
There were very few people at the meeting last night, but those who were there were very enthusiastic and made many speeches telling of what ought to be done. It was decided to rise above the quest for mere men in considering applicants for public offices and seek the principle that underlies each and every question of public moment. A committee of three consisting of J. S. McDonald, C. B. Riesland and Leander H. Wells was appointed to draft a declaration of principles upon which the club could place its feet as a stepping stone for future greatness.
It was also decided to work up some plan by which every member of the Republican party in the Eighth ward might be reached and induced to become a member of the club. The meeting adjourned at a late hour to meet again at the call of the president.

AT THE THEATRES

Dandy Dixie Minstrels.
In bringing the Dandy Dixie Minstrels to the Heilig theatre next Sunday night Messrs. Voelckel & Nolan offer what is claimed to be the most expensive, colorful and unparalleled aggregation of colored players ever organized. Seats now selling at theatre box office, Fourteenth and Washington streets.
"Whose Baby Are You?"
The amusement loving people of Portland are unanimous in pronouncing "Whose Baby Are You?" as presented by the Allen stock company at the Lyric this week one of the finest summer shows ever given here. It is one long laugh from beginning to end with no serious moments.
"The Road to Frisco."
The Allen stock company is going to offer its patrons something rare in the way of up-to-date entertainment next week in the shape of the thrilling new melodrama "The Road to Frisco." The only accurate reproduction of the famous San Francisco disaster.
"Man's Enemy."
There will be two more matinees of "Man's Enemy" at the Star, the last performance being Sunday night. "Man's Enemy" is a British melodrama, with one of the most interesting stories ever told on the Star stage. The stock company is always at home in melodrama.
"A Royal Slave."
That noted Mexican romance, "A Royal Slave" is the play selected for production by the Star theatre stock company next week. Frank Oranough will appear as Aguililla, the last of the Montezumas, a role he appeared in on the road for three seasons.
Fun for Children.
Children can see one of the most delightful animal acts in vaudeville at the Grand. The trained dogs and cats will amuse the youngsters as nothing else will. "Picking a Winner" is a racetrack comedy presented by Nellie Elting & Company and it causes laughter.

SPECIAL SLEEPER PORTLAND TO ASHLAND

The Southern Pacific Railway company, August 1, will inaugurate a special sleeping car service between Portland and Ashland, a convenience that has for some time been greatly needed by the Oregon traveling public. The car will be a standard Pullman sleeper, and will be served exclusively for Oregon travelers. It will be attached southbound to overland train No. 12, leaving Portland every night at 11:30 o'clock. Northbound the sleeper will leave Ashland daily on train No. 16 at 4:30 p. m.

SECRETARY WILSON COMING NEXT WEEK

Advices received by the Portland Commercial club today are to the effect that Secretary James Wilson, of the department of agriculture, will arrive in Portland some day next week. The

EVEN IF DISCOURAGED PIG IRON ONLY KIND ON COAST

Seven Tons Smelted in Shasta County Without the Use of Fuel.

(Journal Special Service.)
Redding, Cal., July 26.—A ton of pig iron piled on the pavement in front of the Lorenz hotel in this city is an exhibit of which Shasta county is very proud. This is a portion of the first lot of seven tons of pig iron ever smelted on the Pacific coast without the use of fuel, at the electrical process smelter at Heroult on Pit River, in this county.
Since making a complete test run last week, the smelter has remained closed because the Northern California Power company, which furnishes the electricity, could not spare the 2,000 horsepower of energy longer than was necessary to make the demonstration.
However, the company is now increasing the system so that its wires will carry double their present 20,000 volts. This charge will be completed by the end of the week, and then the smelter will be started up again and will be kept running steadily, producing 25 tons of pig iron a day. Not a pound of coke or coal will be used in the process.

POSTAL CARD CRANKS CAUSE CONFUSION

Postal card cranks and fiends can now cause the postoffice clerks still more trouble than formerly by reason of a recent order from the department to the effect that writers can cover both sides of all government postcards with writing.
Already cards are beginning to pour into the Portland office with the side formerly reserved for the address alone covered with closely packed inscriptions crowding the name and address into insignificance to such an extent that the postal clerks have a hard time in many instances to tell the destination of the missive.
SICKNESS ETARDS THIS INVESTIGATION
Owing to the indisposition of C. A. Cogswell, of the street committee of the executive board of this week, no action was taken toward investigating the alleged stealing of city dirt to fill private grounds by city employees.
Mr. Cogswell is expected to return to the matter which will be taken up early next week and will be reported upon at the meeting of the street cleaning committee of the executive board next Wednesday.

Pabst Blue Ribbon Beer

Visit the great Pabst Brewery at Milwaukee, and you will marvel at its immaculate cleanliness. Pabst believes that pure beer demands a clean brewery, and Pabst Blue Ribbon Beer has been recognized for years as the standard of purity in beers.

You demand that your home be clean, and especially your kitchen where your food is prepared. As beer is a food, you have a right to know that the conditions under which it is made insure perfect cleanliness in the best of all beers—

Pabst Blue Ribbon

The Beer of Quality

From the time the barley goes into the Pabst malt houses, and the hops into the Pabst brewery, no ingredient used in Pabst Blue Ribbon Beer comes in contact with human hands. Even the air in which the malt is grown, by the famous Pabst Eight-Day Malting Process, is washed and filtered; every kettle, pipe and tank is regularly and thoroughly cleaned and sterilized.

After the beer is brewed the atmosphere never touches it. It is aged in air-tight tanks, it is filtered, bottled and pasteurized; it is a clean beer, just as it is a pure beer—and cleanliness and purity make it a good beer for you to drink.

Pabst Blue Ribbon Beer is rich in the food values of perfect malt and the tonic properties of choicest hops, with a very low percentage of alcohol—less than 3 1/2%—strictly a temperance beverage.

When ordering beer, ask for Pabst Blue Ribbon.
