the Dakotas. The disturbance over Lake Superior has advanced east to the upper St. Lawrence valley. Light showers and thunderstorms occurred at widely scattered places in the intermountain states and also in the sound country. Light rain also fell in the lake region, middle Atlantic and New England states. The hottest weather of the search of the sea states. The noticest weather of the sea-son occurred yesterday in eastern Ore-gon, eastern Washington and Idaho and temperatures of 100 degrees or over were reported at a number of stations. Indications are for showers and thun-derstorms in this district tonight and tomorrow, with cooler weather east of the Cascade mountains.
