# When I have accepted your case for treatment you may look forward to a complete and permanent cure, and with the very first treatment the curing will begin. This is pretty definite talk upon what is commonly regarded as an uncertain and speculative matter. But I am in a position to speak definitely and positively. With me the cure of men's diseases is not uncertain or speculative at all.

DR. TATLOR.

The Loading Specialist.

Varicocele

This most prevalent of all dis-eases of men is also the most neglected, either through dread of the harsh methods of treatment commonly employed, or, through ignorance of the grave dangers that accompany the disease. As varicocale interferes directly with the circulation and process of

ONLY

WHARMESS GONORRHOBA STPRILIS GLEET

Cured

I have treated so many cases that I know just what I can do and what I cannot do, and I never promise or attempt too much. I accommo case in which I have doubt as to my ability to cure, and results are always equal to the claimbs I make. Following are some of the diseases I cure, and reasons why my cures are certain.

# Contracted Disorders

In no other ailment peculiar to men is a prompt and thorough cure so essential. Contracted disorders tend to work backward un-til the most vital nerve centers be-come involved in the inflammation Then follows a chronic stage that stubbornly resists all ordinary treatment. Safety demands that every vestige of infection be eradicated at the earliest possible moment. My treatment is thorough. The remedies employed have a more positive action than has ever before been attained, and so perfect is my method of appli-cation that even chronic cases

yield completely.

varicocale interferes directly with the circulation and process of waste and repair throughout the generative organs, the necessity of a prompt and thorough cure cannot be too forcibly empha-sized. I cure varicocale in one week by an absolutely painless process. My cures are thorough and absolutely permanent—and are accomplished without the use of knife, ligature or caustic.

Consultation and Advice Free
