PUBLICITY PLAN WAS DISCUSSED

East Siders Talked Over Scheme for Advertising That Section.

Plans for the advertising campaign to be launched immediately by the East Side Business Men's club were discussed last night at a meeting of the committee appointed by the club some time ago.

The plans include the holding of a contest to secure an east side slogan, which will be placed at the intersection of Grand avenue and East Morrison street, on an electric arch, and which will be used in a systematic publicity campaign.

Those who compose the committee and who met in the office of Calif. Bros. on East Morrison street last night, were David H. Stronbridge, Dan Kellisher, C. A. Biglow, H. A. Calif and Mr. Fulton of the Citizens' bank.

Only one day remains! Mail checks, or send remittances, to general offices, Park and Burnside streets, on or before August 10 and save 25 cents. Home Telephone & Telegraph company.

SERIOUS TROUBLE NARROWLY AVERTED

Serious trouble was narrowly avoided last night on a St. Johns car because of a stubborn conductor. Leaving Second and Alder streets about 7:30 o'clock he refused to permit anyone to ride in the trailer, although the leading car was crowded to suffocation.

Appeals from the suffering passengers were ignored entirely by the conductor until he saw that they meant business, and then he consented to throw the trailer open. On the return trip the same conductor had trouble with a passenger because of refusing to punch a transfer ticket as requested.
