

BIG COUNTY FAIR

QUEEN OF CARNIVAL WILL BE ELECTED

Arrangements Will Rapidly Take Shape for Exhibits Fully Worthy of County's Great Resources—Next Meeting September 2.

(Special Dispatch to The Journal.) Gresham, Or., Aug. 13.—The directors of the Multnomah county fair and carnival met at the Grange hall here yesterday afternoon. H. E. Davis of Gresham was elected vice-president of the board of directors.

A letter was read by the secretary from Fred T. Merrill in which he suggested that the bank block and streets be used as a portion of the grounds and that theatre privileges and other concessions be sold to the highest bidder.

The president, vice-president and secretary were appointed. The president, H. E. Davis, has in his possession with full power to close contracts.

An education and entertainment committee was named. It is composed of Professor R. F. Robinson, superintendent of schools of Multnomah county; Professor C. C. Baker of Gresham; Professor J. B. Gehr of Evening Star grange; Miss Mary Isom, Multnomah county librarian; and Dr. A. Thompson, pastor of the Grange church.

It was suggested that E. J. Ladd of the Portland Seed company be appointed manager of the poultry department. This was left to the agricultural committee.

The prize committee was made up of the chairman of the different committees.

Arrangement of exhibits will be under managers as follows: Charles Cleveland, dairy cattle; Joseph and Boyd Richard Wilson, beef cattle and horses; B. C. Altman, dairy machinery and dairy products.

Mrs. M. Krosenberg, chairman of the committee on music and art, appointed the following to assist her: On art, Mrs. Charles Cleveland, Mrs. J. W. Shattuck of Gresham grange and Miss Lucy Metzger.

H. E. Davis, chairman on agriculture, appointed R. P. Rasmussen of Corbett, W. Townsend of Clatsop, M. Smith of Russellville and E. J. Spooner of Lents.

Dr. L. Dechman, chairman on horticulture, appointed E. P. Smith of Eastwood nurseries, Max Ruehle of Rockwood and Mr. Griesel of Montavilla.

Will elect Carnivals Queen. It was voted unanimously to elect a queen of the carnival to be elected by popular vote at 5 cents a vote, and that the four young ladies receiving the next highest vote be considered for queen of honor.

HALF MILLION IN ONE SHORT YEAR

Metropolis of North Idaho Projects Many Improvements on Big Scale.

(Special Dispatch to The Journal.) Lewiston, Ida., Aug. 13.—The city of Lewiston will during the ensuing 12 months expend more than half a million dollars, of which nearly \$400,000 will go for permanent improvements. The items already agreed upon, where construction is now in progress, or where the preliminary arrangements are being closed, are as follows: Sewer system, \$120,000; street paving, \$160,000; water plant system, additional, \$27,000; fire department, for improvements, \$10,000; total, \$317,000. The sewer work is now in progress. City Engineer Gulland is completing the final estimates for the street paving, which includes the entire business district and portions of the residential section. Resolutions calling for an election to vote \$157,000 for installing larger water mains for the water system have been passed, and Commissioner Kiling is now securing data and estimates for the fire-fighting apparatus, to be installed at a cost of \$30,000 and for which a bond issue is to be called early in the fall.

The two special street improvement districts on Normal hill will involve an expenditure of \$65,000, bringing the total for permanent improvements this year to \$442,000. Lewiston's bonded indebtedness is \$225,000 and its total assessed valuation \$4,800,000, giving it the right by the law allowing cities to bond up to 15 per cent of their valuation to issue bonds to the amount of \$720,000. All of the work now planned will, it is intended, be completed before the holidays.

MILWAUKEE BUYS GROUND AT BOVILL

(Special Dispatch to The Journal.) Moscow, Ida., Aug. 13.—The Chicago, Milwaukee & St. Paul Railroad company has bought 160 acres of land adjoining the townsite of Bovill, to be used for depot grounds and storage tracks to accommodate the large volume of business expected from the Potlatch lumber company's road, which will form a junction with the Milwaukee at that point.

The Milwaukee surveyors engaged in running the line from St. Maries, a point on the main line, to Bovill, are reported to be nearing Collins and have encountered no difficult problems in engineering. They expect to get the line to Bovill in about 10 days.

The Natural Cure Does Away With Drugs

It is time the old, foolish system of drugging were done away with. Nearly everybody knows that drugs are poisons, and poisons can't cure. When the human body is ailing, it needs nourishment—something to build up, not tear down. Electricity is that nourishment, it's the natural cure.

Words cannot express my gratitude for what Electro-Vigor has done for me. I have worn it three months and my back is cured, my stomach acts in better and I have gained in strength. H. H. PETERSON, 150 Ballard Ave., Ballard, Wash.

Free to You

I have a beautiful 100-page book which tells all about my treatment. It is written in plain language, too, and finely illustrated. This book contains a lot of valuable information which may be of use to you. It is free. I will send it, closely sealed and prepaid; if you will mail me this coupon.

S. A. Hall, M. D.

1439 Fillmore Street, SAN FRANCISCO.

Please send me, prepaid, your free 100-page illustrated book. S-12-7

Beaverton-Reedville Acre

Centering at Wheeler Station.

THE PASADENA OF OREGON

The largest body of the finest land ever offered in small tracts in Oregon—1 to 10 acres, some with fine buildings, bearing orchards, etc. Richest of soil and fine location. None better. Four trains daily through land and electric line surveyed over it. This is destined to be one of the most highly improved regions in the west—a suburb of Portland.

Three houses in course of construction and the surveying but little more than half done.

Make your selections without delay. We are offering rich and fertile acres, not gravelly lots; tracts that will make and support a home or provide a good investment. Let us show them.

The Shaw-Fear Company
