WEATHER REPORT

All reports from eastern points were missing this morning. The Washington high area was gradually moving inland, the pressure along the coast being stationary, while over eastern Washington it was rising rapidly. This high area controls the weather conditions of the entire Pacific northwest, clear skies being reported this morning from that entire region. No rain occurred at any Paing reported this morning from that en-tire region. No rain occurred at any Pa-cific coast points, although cloudiness was prevalent along the southern Cali-fornia coast. Temperatures fell decid-edly over the extreme northern portion of California, Oregon and eastern Wash-ington. Elsewhere no marked thermal changes occurred.

Indications are for fair and warmer weather tonight and tomorrow over this entire district, excepting over western Washington, where temperatures tomor-row are expected to be about stationary.

Descried Woman and Carbolic.

(Special Dispatch to The Journal.)

Waltsburg, Wash., Aug. 15.—Lulu
Hamilton, recently of Walla Walls, attempted suicide in her room at the City
hotel but was prevented by the landlord, who kicked in the door and struck
a bottle of carbolic acid from her hand.
She and William Kirby were ordered out
of Walla Walla Friday and came to
Waitsburg Saturdsy. They had trouble
and it is said Kirby gave her a beating
and left for the Palouse country. The
attention of guests in the hotel was attracted by the woman's crying and the
landlord was notified in time to save
her life.

An Acre or Two

THE OREGON DAILY JOURNAL, PORTLAND, THURSDAY EVENING, AUGUST 16, 1907.

Of FAIRVIEW FRUIT FARMS WILL Make You INDEPENDENT FOR LIFE

The most fertile land in Oregon—in the rich heart of Mult-nomah county. Soil and climatic conditions make this tract pecul-iarly favorable for the growing of CELERY of the finest kind. One acre of CELERY will net a profit of not less than \$6,000 a year,

conservatively estimated. Fruit of every kind, berries, cereals, lettuce, peas, string beans, every variety of market garden produce flourishes on this land, and poultry raising and dairying can be pursued with big profit.

windlers to a great extent.

There are already two men at work probing the charges made by Aubury—Edward Doyle and L. R. Glavis. Speaking of Aubury's charges, the commis-

ing of Aubury's charges, the commissioner said:

"Mr. Aubury makes a blanket or general charge. He is not specific enough. For instance, he says land frauds have been rampant in seven townships located in two counties of this state. Now that may all be true. I do not deny his assertions. But that is not enough. We must come out of the air and get down to particulars. If there is much fraud I want all the particulars and want them badly. I will confer with him on the subject and see if we cannot by mutual agreement and arrangement him on the subject and see if we cannot by mutual agreement and arrangement get down to particulars. I appreciate Mr. Aubury's motives and his zeal, and no doubt he can be of much assistance to Secretary Garfield and myself in exposing land frauds in California.

"There have been exposures of land frauds in this state, Oregon and elsewhere which have served to clear the atmosphere to a considerable extent. They have, I am inclined to think, tended to minimize fraudulent transactions. Relative to the prosecutions in Oregon.

(Special Dispatch to The Journal.)
Garfield, Wash., Aug. 15.—Since Monday morning the sun has been brightly shining over the wheat fields of the Palouse country. The big threshing machines and combines have all started up, after the delay from the rain of Friday. The damage from the rain was very slight and the rain has stimulated the farmers to greater activity and work will be pushed with vigor until the wheat is sacked and under cover. Men and teams are in demand and at the big wages the farmers are paying for labor many young men will make enough to buy small tracts near some good town, and many who are here from the east are working for that purpose. Others who live in the mountain districts come down to work in the big harvest. What these men earn during the harvest goes far to provide for their families during the winter. They cut wood in the winter and sell it readily at their doors to the farmers of the Palouse country after the farmers of cut wood in the winter and sell it read-ily at their doors to the farmers of the Palouse country, after the farmers have finished their spring seeding, and re-ceive \$3.50 a cord for it. You will also find that we are following out the plans of science in our treatment of the various diseases of men. We especially invite all men afficied with chronic allments or any acute conditions recently contracted. We cure to stay cured for life.

Our reliability and financial standing is unquestioned and from records, which, if you wish to do so, you may look up and you will find that we are all we claim to be, both in professional standing and the oldest specialists in the city, as this institution has been here for 37 years and has an unreproachable reputation.

It will not cost you anything to call at our office, and by to define it. It will not cost you anything to call at our office, and by so doing it may save you much time and money, because if we cannot cure you we will honestly and frankly tell you so, and you will not be under any financial obligation to us.

We want every man in the country who is afflicted to write us about his allment. WE CURE YOU AT HOME

BLOOD POISON—There comes a time in your life where, after you have tried all the health resorts, springs, etc., that you give up all hope and at times you consider life very dark. You have spent a great deal of money trying to be relieved and yet have received no result. We will cure you of your dreaded malady and by our methods we do not use any drugs that will cause any had effects or destroy your constitution. Call and see us before it is too late.

NERVOUS DEBILITY—Less of energy, will power, lack of concentration of thought, loss of memory, which weakens your entire system, mental as well as physical. This lowered vitality of the nervous and physical condition is strengthened so that in a short time you will have your original strength and be yourself again.

RHEUMATIBE—Both acute or chronic, or varied forms, cured to stay cured for life. VARIOCOLLE is a diseased condition of the scrotal veins. It may blows, kicks, fulls, heavy lifting, mumps, early indiscretion or may be a of some special weakness.

The proper treatment consists of local application for the purpose of dispelling stagnant blood and contracting the swollen veins, as well as internal medication strengthen the nerves which govern the blood supply to these veins.

Though causing you no trouble at the present time, your Varioccale will, if parmitt to go without the proper treatment, impair and destroy the elements of vitality.

Never Guess

Experiment or take chances of any sort. I attempt to cure only those diseases that I have been curing for the past 25 years, and feel sure I am justified in saying that I have learned all about them. Were I lacking in knowledge pertaining to my specialty I would never have attained my present success, nor would I today be recognized as the leading specialist treating men's diseases. If afflicted, you can depend upon it that the service I offer you is the service you need, and is service such as can be rendered by no other physician.

"WEARNESS."

My cures of this disorder are permanent and lasting. We tonics that stimulate temporarily, but thoroughly scientific treatment for the removal of conditions responsible for the functional derangement. "Weaksness" is merely a symptom of inflammation or congestion in the prostate gland, and under my own original local treatment this gland is promptly restored to its normal state and complete functional activity is the lasting result.
