

### RAILROAD STRIKERS ARE UNDER ARREST

Fifty-Three Men Are Captured by Four Deputy Sheriffs in Nevada.

(Journal Special Service.)  
 Rhyolite, Nev., Aug. 16.—Dissatisfied with the long hours they were required to work, steel layers on the Los Vegas & Tonopah railroad struck. Fifty-three strikers were arrested yesterday afternoon by four deputy sheriffs at Bonnie Clara. This is the largest body of men ever included in an arrest in Nevada. The trouble originated over the demand of the men, who are members of the Industrial Workers of the World, for an eight-hour day. They claim to have been working 9, 10 and 11 hours. They walked out at 3 o'clock Wednesday afternoon and refused to take their places.  
 Deputy Sheriffs C. F. Jackson and George B. Swasey arrived on the scene from Tonopah. John Casey hurried from Rhyolite and Tom Devine from Beatty.  
 One striker showed signs of resistance and was clubbed into submission by Deputy Devine, who wielded a revolver. Beyond this there was no violence.  
 Rhyolite is very much excited over the arrests. The labor organizations are circulating petitions for the removal of Deputy Casey, who is a member of the Miners' Union, and sentiment among the union class is very bitter.
