Polar Bear Steak.

According to Max Fleischman, who has not only killed polar bears, but has eaten the same, the meat was fairly palatable, although it was necessary to cut it into very thin strips and hammer it thoroughly before broiling in order to get the blubbery taste out of it.
"In addition to this precaution," says Mr. Fleischman, in the National Geographic magazine, "I would advise that a plentiful mixture of onions be used in broiling fresh bear meat, and if the onions are strong enough and one has a penchant for onions one won't really mind bear steak. It is the opinion of the writer and also of the ship surgeon, who was the taster of all new food, that young seal is a great deal more palatable than bear meat."

Sportsman's African Home.

From the London Daily Graphic.
Lord Hindlip who presided at a dinner of the British East Africa association recently, is the first English peer who has built himself a residence in the East African protectorate. He has acquired there a large sporting and agricultural estate.
The house is quite modern inside, and Lord Hindlip and his wife (a great sportswoman) spend there a great part of the year. Lord Hindlip has traveled extensively and has shot big game all over the world. His wife has the distinction of being the only lady in society who has succeeded in shooting a giraffe.

MEN TAKE THE HOUR'S TIME! SAVE THE DAILY WORRY!
YOU CAN DO IT BY CONSULTING THE
St. Louis Physicians and Surgeons
Doctors That Can Cure
SICK MEN

IT Really seems strange that men who are SERIOUSLY WEAK will go to the charlatan, when they might just as easily AND FAR MORE SATISFACTORILY, spend the time consulting physicians of known merit. To the weak, rundown and nervous man no better advice can be given than this:
SEEK HELP WHERE IT IS CERTAIN TO BE FOUND.
IF You persist in going to those who have no standing professionally, HOW CAN YOU EXPECT TO TO BE CURED? This institution has built up its splendid practice more by the free advertising given it by its PERFECTLY SATISFIED PATIENTS, who have received the benefit of its modern, scientific and legitimate methods, than in any other way. If you are not a perfect man—come to us. Isn't it worth the little time it will take when you are CERTAIN that you will have the benefit of HONEST, SINCERE physicians who never attempt to deceive you in any way? A consultation costs you nothing EXCEPT your own time.

Men's Diseases Cured
To Stay Cured
My Fee $10.00

DR. TAYLOR, The Leading Specialist.

I will treat any single uncomplicated ailment for $10 for the fee.

Different doctors have different ideas in regard to cures. Some call a suppression of symptoms a cure. They dose for drug effects and claim that nothing more can be done. But the real ailment remains, and will bring the real symptoms back again, perhaps the same as before, but very likely leave the patient in a much worse condition. I claim that nothing less than complete eradication of disease can be a real cure. I treat to remove the disease, and not merely the symptoms. I search out every root and fiber of an ailment, and I cure to stay cured.

You Pay for Cures Only

"Weakness"

I not only cure "weakness" promptly, but I employ the only treatment that can possibly cure this disorder permanently. It is a system of local treatment entirely original with me, and is employed by no physician other than myself. This may seem a broad assertion, but it is just as substantial as it is broad. So-called "weakness" is but a symptom of local inflammation or congestion, and a radical cure is merely a matter of restoring normal conditions throughout the organic system, and this I accomplish thoroughly and with absolute certainty.

Syphilis

I cure this leprous disease completely. The system is thoroughly cleansed and every poisonous taint removed. The last symptom vanishes to appear no more, and all is accomplished by the use of harmless blood-cleansing remedies. Do not submit to the dangerous mineral dosing commonly indulged in. Such treatment merely obscures the symptoms.

Varicocele Cured Without Cutting

cocele had no choice othery man afflicted with vari-
The time was when ever than to allow the disease to go on undermining his power and health or submit to a surgical operation. Now he can choose a thorough cure by painless treatment. I cure varicocele in one week, and it is seldom necessary that the patient is detained from his business even a single day. My method is original with myself and is the only safe and successful treatment for varicocele ever devised.
