

# ABSOLUTE CLIMAX OF ALL BARGAIN GIVING

A SALE HAVING NO PARALLEL IN THE PAST OR PRESENT

The great "Reorganization Sale," now in full swing at our establishment, embraces every department in the store. It is an original and masterly trade event never approached in the wonderful value-giving now presented.

## ABSOLUTELY EVERY ARTICLE IN THE HOUSE STANDS DRASTICALLY REDUCED

During this sale our object is to unload at once every dollars' worth of present stocks, whether seasonal or staple. To clear the decks in order to carry out our extensive plans for the fall season under the new store management. In order to accomplish this we've inaugurated a selling period which utterly annihilates all previous cut-price events and creates a bargain epoch which no other Portland house would dare attempt or could successfully carry out.

### TOMORROW'S SECOND GREAT WEDNESDAY "HOURLY SALE"

Caps the climax of bargain-giving. Read the values and be on hand at the advertised hour. The Golden Eagle will be a profitable place in which to spend the day tomorrow. Read:

**SCOTT BADLY MIXED ON WITNESS STAND**

(Journal Special Service.) San Francisco, Aug. 27.—Cross-examined by Delphin Delmas yesterday afternoon in the Glass trial, President Scott of the telephone company became badly mixed and contradicted himself many times. **ALL BOYS IN PORTLAND VANISH WHEN WORK SEASON COMES AROUND**

There are no idle boys in Portland. For a month the juvenile court has been hunting for boys who want work but has been unable to find them. For this reason the plan of having industrial camps at the hop yards for the boys of Portland has been abandoned. Early in the year the court officials decided to replace the customary camps at the beach by the industrial camps in the hop yards, thereby giving the boys the double advantage of an outing in the fresh air and earning money at the same time. Some time ago Probation Officer Marion R. Johnson began to make preparations for sending two or three parties

**BIG TAX BOOST IN TACOMA AND PIERCE**

(Special Dispatch to The Journal.) Tacoma, Wash., Aug. 27.—Tacoma and Pierce county find themselves richer this year than ever before. The board of equalization, which has just finished its sessions, gives the county an assessed valuation of \$59,000,000 as against \$50,500,000 for last year. On account of the sharp rise in valuations there is a possibility that the tax levy may be cut from 33 mills to 30, and it may even be cut to 29 mills. With a tax levy of 30 mills this year's taxes will amount to \$1,700,000, or \$317,000 more than last year, when the taxes amounted to \$1,383,000. A considerable
