

SPORTS OF THE DAY

FINAL GAME OF TRI-CITY LEAGUE

Winning of Pennant Hinges on Sunday's and Monday's Contests.

FRAKES MEET KELSO IN PORTLAND SUNDAY

Will Cross Bats With St. Johns Following Day—No Saturday Game Here—Trunks and Brewers Play Labor Day at Athletic Park.

Not feeling equal to the task of playing three games in succession, the Frakes have decided to abandon their game with the Cubs at Vaughn street on Saturday afternoon. This game was one of those postponed from last Sunday, and not being played leaves the Frakes two games behind with both the Cubs and Trunks upon an effort will be made to have these games pulled off later to even up on the schedule.

The Frakes will meet the fast Kelo Tigers who are leading the league with a comfortable margin, on Sunday at Vaughn street and on Labor day will tackle Charlie Moore's bunch at the stadium. On these two games practically hinges the winning of the Tri-City pennant, although if the Frakes are required to play off their postponed games there is a possibility of their being put out of the running. The game at Astoria promises to be a stemwinder, the two teams having battled for 14 innings without a finish a few days ago.

The Cubs will play at Eugene Sunday, their opponents being the Eugene Colts, possibly the fastest team in the West Coast Valley league. Manager Smith has been very fortunate with his outside games and has managed to present in without a single loss. He hopes to bring back the Eugene scalps. On Labor day the Woodburn Indians and the Cubs will meet upon the Willamette park diamond at Oregon City in a final battle for honors. In the last try the Indians won by a single score and the Cubs believe that they can win with ease in the next contest.

Sunday the Trunks and Brewers lay off, but on Labor day they will cross bats at the Vaughn street diamond, under the auspices of the Federated Trades amusements committee. This will be a regular league contest, however.

BROADSWORD CONTEST AWAKENS INTEREST

With the sensational broadsword contest for the championship of the world, between Major Robert F. Reid and Carl Nelson only three days off, interest in the coming combat, which is to be held at Multnomah field next Monday afternoon, grows apace.

On every side the battle is being discussed and bets are being freely made. There appears to be an equal amount of nervousness on the part of both contestants. The odds continue at even money. Nelson's training quarters at the armory have been visited by hundreds of his admirers daily. The manner in which he works and his excellent physical condition have attracted much interest, yet Reid smiles confidently when asked relative to his chances of winning, and declares he will finish Nelson in short order.

It is anticipated that a large number of officers and enlisted men from Vancouver Barracks, Washington, will attend as several applications for reservations have already been received. The best seats have been reserved and it is assured that every available seat at Multnomah field will be taken. The contest will start promptly at 8:30 p. m. to afford plenty of time before the start for the 29 attacks. The rules provide that each attack shall be for one point and either man scoring the 15 points will be declared the winner.

The general admission will be 50 cents and 25 cents for children and seats in the grand-stand. Tickets are now on sale at Schiller's cigar store, Woodward, Clarke & Co.'s, and the Northwest Gun store.

Second Lid Case at La Grande

La Grande, Or., Aug. 28.—The second lid case at La Grande is that of Ernest Thorson, proprietor of the Blue Front saloon, who when arraigned before Recorder Snook pleaded not guilty, but was fined \$50.

La Grande Pastor Resigns.

La Grande, Or., Aug. 28.—Rev. E. B. Hayes, who has been the pastor of the First Presbyterian church in this city for the past three years, has tendered his resignation to take effect on or before October 1, and it has been accepted by the church after weeks of consideration. Rev. Hayes has not fully decided upon his new location.

Two Pendleton Divorces.

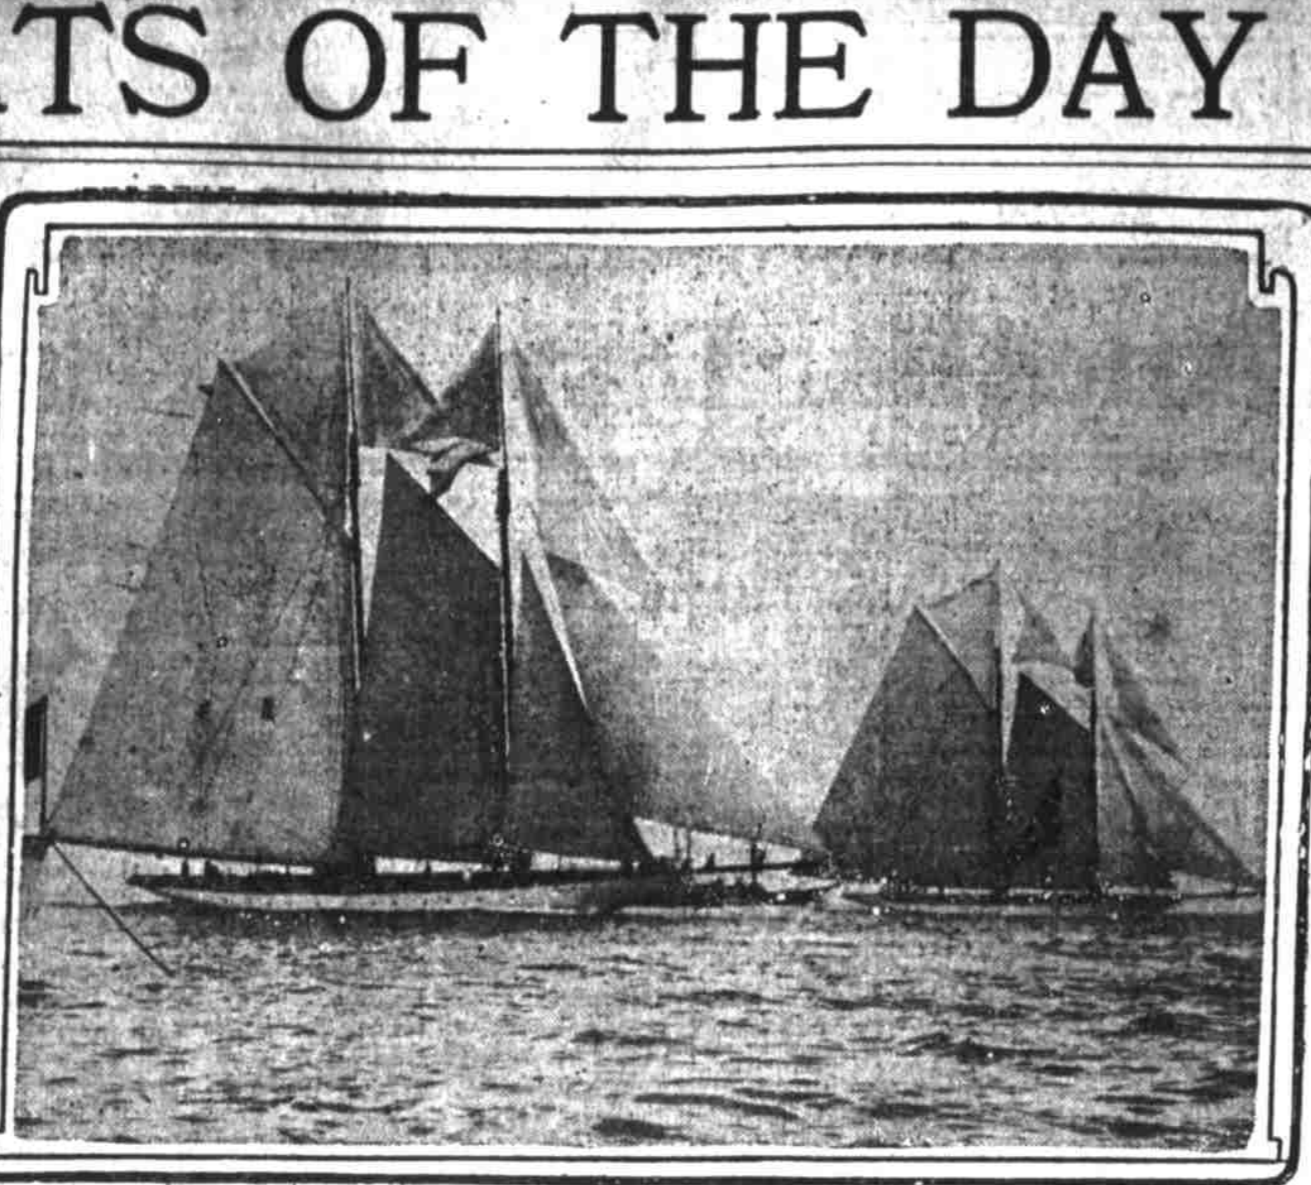

Pendleton, Or., Aug. 28.—In the circuit court Judge Bean has granted a divorce to Mary E. Day from J. Frank Day, and to Lillie Mae Creason from Samuel W. Creason. Peter West was the attorney for the plaintiffs in both suits.

Miss Laughland in Albany Schools.

Albany, Or., Aug. 28.—The board of directors of the Albany public schools have elected Miss Maud Laughland of Baker City to a position in the Maple street school's primary department. Miss Laughland is an experienced teacher and will prove a valuable addition.

Henry Woodruff will be seen again this season in "Brown of Harvard."

Henry Woodruff will be seen again this season in "Brown of Harvard," opening at the Grand Opera House, New York, on Labor day.

Remarkable photograph showing J. Rogers Maxwell's Queen and Commodore Plant's Ingomar crossing at the finish of the New York Yacht Club cruise from Glen Cove to Huntington, Long Island. The Queen won the cruise.

TWO STRONG MEN OUT OF TOURNEY

Andrews and Ewing Defeated in Second Day's Play at Irvington.

H. V. Andrews and J. F. Ewing, two heavily handicapped men, were put out of the open handicap singles in the Irvington tennis tournament yesterday. Andrews was defeated by Wells Gilbert and Ewing was beaten by J. K. Turner.

Andrews was compelled to give Gilbert a handicap of one 15-2. He was in fine form, however, and annexed the first set easily, 6-2. Gilbert was over-cautious in the first, but in the second he adopted a dashing, smashing style of play, which put his opponent on the defensive. The second set was the decisive one and was a bitter contest. When Gilbert got it by the score 7-3 he had his opponent beaten. The second set went to Gilbert, 6-4. Turner and Ewing played on even terms, both being won 3-6. The score of the match was 6-2, 6-2.

Miller, Cawston, W. K. Scott and C. D. Starr were put out of the scratch singles, open only to club members. A. B. McAlpin, Brandt Wickersham, R. R. Benham and J. Wesley Ladd were victors in the scratch matches, respectively. De Schweinfelt and Rosenfeld had set all when darkness ended their match.

There were a number of close matches in the men's open handicap. In the tournament now going on the odds favor the past three years, has tendered his resignation to take effect on or before October 1, and it has been accepted by the church after weeks of consideration. Rev. Hayes has not fully decided upon his new location.

HUNT CLUB FINDS IDEAL STRUCTURE

Secures Oriental Building at Fair Grounds for Horse Show.

ENORMOUS FLOORING SPACE FOR ANIMALS

Seven Thousand Dollars to be Spent in Fitting Up Place and Every Accommodation Will be Afforded to Visiting Horsemen and Patrons.

The Oriental building at the Lewis and Clark fair grounds will be the scene of Portland's big horse show, which the Hunt club will hold the first Thursday, Friday and Saturday in November. The place was selected at a meeting of the club directors last night.

There is probably no structure in the city better suited for the purposes of a magnificent exhibition of fine horses than is the Oriental building. Four hundred and fifty feet long by 200 wide, it will afford an enormous flooring space for the animals.

Exhaustive plans for preparing the building and grounds for the horse show were presented last night by President J. S. McGraw, who is in active charge of the enterprise. The plans were approved by the board and the work of putting the building into proper shape will begin at once. Something like \$7,000 will be spent in fitting up and remodeling.

The present floor will be covered with two inches of planking and over this six inches of dirt will be filled in. The top of the dirt will be spread three inches of tan bark.

Rows of seats will be arranged around the walls and 44 other seats will be built. Promenades will be provided between the rows, so that there will be plenty of room and no crowding. The building is equipped with a fine gallery, which will be used for general admission purposes. Seats will be provided for the 4,000 to 5,000 people.

Every effort will be made to look after the comfort of the patrons. In case of rain a canvas archway will be erected from the streetcar stopping place to the entrance of the building. Heating and windchill will be provided in the building, which will be open to the rear to accommodate the visiting horsemen. For 200 will be provided around the building, which will be a covered way for the horses. A passage way to and from the show ring will be partitioned off from the rest of the building and the exit of the building will be no delay in bringing on the various classes.

JOE FAY THROWS AWAY ANOTHER

Portland Shortstop Continues His Poor Record in the South.

(Journal Special Service.)

San Francisco, Cal., Aug. 29.—Joe Fay, who has been playing like a dub ever since the Beavers came south, yesterday tossed away another game that his team should have had. At a critical point in the ninth inning Fay lost his range and threw a mile over Alberton's head, allowing Spencer to score the winning run. Score, 2 to 1.

The game was pitcher's battle for the most part, Joe and Kinella both being in great form. For two innings the score was tied. In the second half of the ninth Spencer beat out a bunt which was advanced on Wheeler's sacrifice and went in next two bases when Fay lost his head and threw the bleachers. It was another game that should have gone to Portland. The official score:

SPORTING NOTES

Local and Otherwise

HOPE THAT FLOOD OF JAPS IS CHECKED

(Special Dispatch to The Journal.)

Vancouver, B. C., Aug. 29.—The steamer Indiana, which recently brought a cargo of Japanese from Honolulu and which was to return to the island for another load, will not make the second trip. The charterer was cancelled by the charterers. This looks as if the influx of Japanese would cease.

ANTI-SPOONING ORDER SCORNED BY STUDENTS

(Special Dispatch to The Journal.)

Tacoma, Wash., Aug. 29.—Students of the University of Puget Sound are nearly in rebellion over the report that they are to be compelled to make written statements daily of where they were and what they did the previous evening. It is understood that the statements, through the force of publicity thrown on their actions, are to prevent spooning by those having such inclinations, and the order is resented by most of the students as something into which the faculty and college officials have publicly invited women to attend en masse.

Wednesday will be ladies' day at Croil's garden. Joe Gans' training quarters, until his fight with Britt, September 9.

The new Pacific Coast league umpire, Kelley, is already in worse odor than Pop Darrick ever was. Back to the Nevada sandhills for Kelley!

George Hildebrand, San Francisco's left-fielder, is in training for backstop work and next season may see him wearing a mask. Hildebrand, has a great throwing arm, and Danny Long is anxious to use it where it will do the most good.

Walter Carlisle, the home-run hitter whom Hen Berry has sold—much to the disgust of the Los Angeles fans—to the Boston Americans, has just confessed that he was born in England. He came to America when he was 2 years old and learned the game at Minneapolis.

PEACH DAY BROUGHT MANY TO FREEWATER

(Special Dispatch to The Journal.)

Freewater, Or., Aug. 29.—Hundreds of people yesterday for the Peach day celebration were in the city for the exhibition of fruits and vegetables ever seen in the inland empire was exhibited. Among the speakers of the day were Senator Fulton, Congressman Ellis, ex-Governor Geer, William M. Patterson, Frank K. Wells and others from Walla Walla and Umatilla county towns.

A special train was run from Pendleton to Freewater for this occasion and many were in attendance from Pendleton and intervening points and from the Walla Walla valley. The Third District Development began at 10:30 o'clock. From 12 o'clock a basket dinner was in order. One hundred tickets were sold from Pendleton alone.

Neighbors Got Pooped.

"I was literally coughing myself to death, and had become so weak to leave my bed; and neighbors predicted that I would never leave it alive; but they got fooled, for thanks be to God, I was induced to try Dr. King's New Discovery. It took just four one dollar bottles to completely cure the cough and restore me to good sound health," writes Mrs. Eva Unsworth of Grovetown, Ga., Ind. This King of coughs and cold cures, and healer of throat and lungs, is guaranteed by Red Cross Pharmacy, 50c and \$1. Trial bottle free.

PLANS FOR FAIR FAR ADVANCED

Committees Will Be Ready to Report to Directors Next Monday.

COUPONS ARE READY FOR THE QUEEN VOTE

Concessions May Be Negotiated Soon—Gresham Businessmen Ready to do All They Promised—Everybody in Multnomah Boosts.

(Special Dispatch to The Journal.)

Gresham, Or., Aug. 29.—Preparations for the Multnomah county and grange fair and carnival are progressing rapidly and all indications point to a much greater exposition than was at first conceived or intended. The various committees are pushing ahead and will be ready to report favorable reports to the board of directors next Monday. The premium list is almost ready for the printer and will be issued as soon as possible.

Arrangements for the voting contest for a carnival queen are almost completed. Voting coupons have been printed and will be distributed to all localities which desire to enter the contest. Any place in the county may nominate a candidate and elect her if possible. Maids of honor will also be chosen, probably from among those receiving fewer votes than the one who is chosen queen.

Business Men Ready to Work.

The business men of Gresham, who have promised to build stock pens and other necessary structures, are ready to begin work and will fulfill their promise as soon as the fair means a whole lot for Gresham and are ready to do their part.

The outdoor displays of flowers and trees will take up about two acres and plans for the grounds have been prepared by Dr. Louis Bechman, chief of that department. The grounds will be terraced and bordered in exquisite taste and filled with choice plants of many varieties. This exhibit will be one of the most pleasing features of the fair.

The stock and dairying industries will be an extensive scale. It is desired to give object lessons in dairying, also milk and butter tests. Professor B. C. Altman, who has charge of the dairying factories, is a practical dairyman, and will make his exhibit worth while to all who are interested.

So Ready to Get Concessions.

The concession committee, consisting of President J. J. Johnson, President H. E. Davis and Secretary E. L. Thorpe, is almost ready to make announcement of bids for the various privileges they will have for sale. Their plans will be formulated and made known at the directors' meeting next Monday. Many applications are coming to the secretary, who will be in a position to give definite answers as to the various concessions that all applicants make their wants known in writing, then they will be attended to in regular order as soon as all plans are perfected.

Interest is widespread.

"It is simply astonishing," said Secretary Thorpe today, "how many people I find taking an interest in our proposed fair. Everybody is talking about it and all are optimistic. I am in close touch with the grangers of eastern Oregon and Multnomah, and the granger who is not willing to boost the fair alone. One man, and only one, still doubts his grangers have a local fair, but he is not opposed to the whole county plan and will help it along."

All directors and committees are requested to be on hand at the Gresham grange hall next Monday at 10 o'clock. The session will probably last all day, as details must be perfected then if possible.

FOUR DISEASES THAT WRECK MEN!

Nervo-Vital Debility Stricture Specific Blood Poison Varicocele

The four great destructive maladies which wreck men—SCROTAL VARICOCELE, URETHRAL OBSTRUCTION, SPECIFIC BLOOD POISON AND NERVO-VITAL DEBILITY—undermine manhood and lower the standard of vital power in an inconceivably vast army of men. It is a deplorable fact, but nevertheless true, that the great majority of all men are compelled to turn away disappointed and mortified to discover that they are but worklings, unable to enter the ranks of the vigorous and sturdy because of the debilitating effects and vicious ravages of these chronic, treacherous afflictions. The importance of early treatment for these diseases cannot be too strongly emphasized; they will never cure themselves, but, on the contrary, are constantly becoming more aggravated, and in time, if neglected, will break down the strongest constitution and fill your whole future with misery and suffering. Many men make the grave mistake of selecting the cheapest treatment obtainable, and consequently are disappointed in the result. Skilled service is always cheaper in the end and much more satisfactory. Because you have tried other treatments and have been disappointed is no reason why we should fail. We claim many advantages over the ordinary physician, who lacks the knowledge, equipment and experience so necessary in special cases. Years of devoted study and extensive experience in the treatment of MALE DISEASES, and our ever readiness to adopt every improved curative, scientific discovery, have enabled us to evolve unapproachably perfect methods, for the cure of these prevalent, destructive ailments and their many reflex complications.

CREDENTIALS AND QUALIFICATIONS

Our chief Consulting Physician, WHO CAN ALWAYS BE SEEN WHEN YOU CALL, graduated from a leading eastern medical college March, 1888. DIPLOMA HANGING IN OFFICE.

He was licensed to practice medicine in Oregon by the State Board of Medical Examiners July, 1906. LICENSE HANGING IN OFFICE.

Post-graduate of the Polytechnic of New York City.

Has had an experience in the treatment of diseases and weaknesses of men and chronic diseases extending over a period of nearly a quarter of a century.
