

STANDARD OIL SUED IN LOCAL COURT FOR SELLING POOR STOCK

J. J. HILL OFF WATER WAGON STILL

WILL GRIND ROCKS AT KELLY MILL

Ernest Peterson, as administrator of the estate of Victoria Beatrice Peter-son, deceased, entered suit in circuit court this afternoon against the Stand-ard Oil company for \$5,000. Complain-ant is a brother of deceased and he al-leges in his bill for damages that his sister met her death at Troutdale be-cause of an interior grade of kerosene oil sold by defendant company. There is a law in the state of Oregon that no kerosene shall be sold in the state for lighting purposes under 120 degree test. The contention is that the kerosene which exploded and caused Victoria's death was only 88 degree proof. Peterson is a brothe, of deceased who was only 15 years oid. She was work-Ernest Peterson, as administrator of ing as a domestic for a family named

TO PUT UMATILLAS ON A WHITE BASIS

(Special Dispatch to The Journal.) Pendeton, Or., Aug. 30 .- It is under-

stood that instead of enforcing the \$10 per month payments to the Umatilla Indians, as was intended, the Indian de-partment will defer the \$10 payment plan for six months, to give the Indians time in which to pay up their debts, and make ready for the change.

make ready for the change. It is said that all the money due the Indians at this time will be paid now, but that at the end of six months the tribe will be classified and those who tribe will be classified and those who ness in a businesslike manner, will be paid in full as now, but that those who are addicted to drink and who are slow in paying debts will be paid but \$10 per month, and merchants and business man will be so notified.

per month, and merchants and business men will be so notified. Persistent complaint has been made by the Indians against the adoption of the \$10 payment plan, on short notice, as many of the best Indians are in debt and such a small payment would not en-able them to meet their current ex-penses Poor old James J. Hill, the "king of the drunks," again made his appearance in the municipal court this morning on months' labor." And Balliff Circle led in the municipal court this morfling on a charge of drunkenness and disorderly conduct. Patrolman Goltz, who seems to be Hill's nemesis, made the arrest. After hearing the details of the aged mebriate's 3582nd jag. Acting Judge Strode sontenced the habitual drunkard with the railroad magnate name to 90 days on the rockpile. "Bhure, yer honor, wuz it nointy days to said?" inquired Hill after sentence had been pronounced. "Tes," curtly replied the judge. "Then Fill hev to wolk for nointy days penses. Pennes. The Umatilla Indians will gradually be classified and those who are capable of conducting their business will be gradually released from the tribal relaernment, although the government will

guard their interests and see that they are not mistreated. It is estimated that about one sixth of the adult Indians on the reservation are now capable of conducting their own

ON NEW STEEL BRIDGE

The southern California officials were notified of Slater's arrest, and a dis-patch was received asking that he be held pending the arrival of an officer with extradition papers. This morning a 375-word copy of the complaint came over the wires indicating that the San Diego peace officers are most anxious to get the prisoner. According to the dispatch Slater is accused of mulcting a considerable sum by means of a check

a considerable sum by means of a check on a bank in which be had no funds. Slater states that his father was a former governor of Indiana, and sus-

money back. Slater is a member in good standing Pasadena, California, lodge No. 672, P. O. E. and for this reason was able to induce Bills to cash his checks. The district attorney has decided to allow the California authorities to have the defendant and Constable Place is now on the way from San Diego with the necessary papers. The case has been continued until September 3.

(Special Dispatch to The Journal.) Helena, Mont., Aug. 30 .--- Wallace Cor-

bett of Spokane has just completed an inspection of the New Departure mine. near Dillon, in which he is interested, and is most enthusiastic over the property, which was discovered only a few

erty, which was discovered only a few months ago, but which has been ship-ping regularly since the tunnel touched the vein. Two carloads netted \$2,860. The ore occurs in deposits all the way from two to twenty feet wide. The copper values run about 4 per cent, but in time is is believed the red metal will have an important bearing. These are himself, taking no chances on waste or

088. Good indications of pay copper have been found in the property of the Sal-tese Consolidated company, operating in the Saltese district, Sanders county. At 100 feet a blind ledge was encountered, and later a huge volume of water-the same conditions that existed in the fa-BOB LA FOLLETTE IS

same conditions that existed in the fa-mous Snowstorm. A tunnel is being driven to tap the mother vein, which underlies an iron capping more than 100 feet wide. This will be done at a depth of 100 feet. At 450 feet from the tun-nel portal, the face of the opening cut into a four-foot vein of high grade ore which assayed from 8 to 35 per cent copper, and from \$10 to \$12_ip gold.

(Special Dispatch to The Journal.) For the first time since the prosecu-tion of the railway ticket "scalpers" during the Lewis and Clark exposition under the statute passed by the legisla-ture in 1905, warrants were issued this morning by Deputy District Attorney Haney for the arrest of M. Maxwell tickets to G. H. Beasley of 90 Eleventh

IN CIRCUS RUNAWAY

The dead are: Thomas Wakeley, William Nelson and his S-year-old son, Raymond Cole, age 6; Harley Cole, age S; Zack Van De-venter; Edward Reynolds; Albert Smith; W. A. Price. There may be others. All named are residents of Mattoon, Charleston or neighboring towns. The spectacular feature of yesterday The spectacular feature of yesterday afternoon was a parade about eight blocks in length that included several hundred school children of the county, each carrying a flag. The parade was reviewed by Governor Chamberlain and United States Senator Fulton. Many handsome floats of local business firms, citizens in carriages and a band were also in line. Mattoon, Ill., Aug. 20.—Late reports show that 12 were killed outright, and it is reported eight more died in the hopsitals; nearly 60 were injured and other deaths will follow. The car steps were crowded with passengers. Of those on the steps only a few es-caped, the others being orushed under the debris. The express car was trying to make a switch just passed by the passenger car. also in line.

also in line. At the courthouse square the exer-cises included the following: Invoca-tion by Rev. J. R. N. Bell; address of welcome, Dr. James Withycombe; re-sponse, Superintendent L. R. Alderman; address of the day by Governor George E. Chamberlain.

PHIL ROGOWAY E. Chamberlain. The governor's remarks were along educational lines, in keeping with the

cccasion. In the evening Dr. W. J. Kerr of O. A. C. gave an excellent address to a large and entusiastic audience on the courthouse lawn. The greatest crowd of all is expected tomorrow.

Phil F. Rogoway, well known in local political circles and the proprietor of DETERMINED TO TALK barber shops in the Marquam building and adjoining the Title Guarantee & Trust company, died at 1 o'clock this aft-

SUDDENLY AT

(Journal Special Service.) Pittsburg, Aug. 30.-United States Senator Robert M. La Follette of Wis-consin had a tilt with County Superin-tendent of Schools Samuel Hamilton yesterday when the senator arcse to address the Alleghany County School Teachers' association at the Carnegie in-stitute. ernoon Mr. Rogoway was apparently in good health this morning, spending the day in his Marquam building shop. He went to his home at 670 Fifth street, for lunch and died while there. Rogoway has mingled much in voll-tics, serving one term as license col-lector. He managed Senator Mulkey's short-term campaign. He was a Re-publican.

EUGENE WANTS FIRE CHIEFS' CONVENTION

Teachers' association at the Carnegie in-stitute. The senator said he had been warned not to discuss politics, but he would say what he pleased. Hamilton, who intro-duced the senator, arose and insisted that politics be eliminated. After an ex-change of warm words the senator be-gan an address on "Representative Gov-ernment." Later Hamilton interrupted La Follette while he was telling how the Pennsylvania senators voted against amendements to the rate bill, and told the senator that he must stop. The audience insisted that he should continue, and La Follette announced that he would finish his address in the street if anyone cared to hear him. Fully 1,500 people followed the senator to the steps of the Carnegie insitute, where he continued his address for an hour. He was repeatedly cheered and urged to give a fullet account of the votes of the Pennsylvania senators. (Special Dispatch to The Journal.) Eugene, Or., Aug. 30.—The local firm-men and the commercial bodies are working to secure the 1908 convention of the Pacing Coast Fire Chiefs' asso-clation for Eugene. W. C. Yoran, chief of the local department, will attend this year's convention at Centralia. Wash-ington, which will be held September 10-13, and he will boost Eugene for the next meeting. The Merchants' Pro-tective association, the Commercial club and the board of fire delegates have all indorsed the movement to secure the convention.

TO FAIR THIS YEAR OVER SAFE BRIDGE

(Special Dispatch to The Journal.) Salem, Or., Aug. 30.—The re-enforced concrete bridge being built by the city of Salem and the Portland General Electric company is nearing completion. This bridge is located on Commercial Street, over North Mill creek. The street, over North Mill creek. The main arch is now ready for use, and the final touches in filling and finish-ing are being put on. There was some anxiety that the work would not be completed in time for the Greater Oregon state fair. September 16, and had such been the case, the company would have lost thousands of dollars, since that is the big work of the year in street car patronage. Visitors at the fair will be glad to ride over a new and modern bridge, instead of the old rickety and unsafe structure which was condemned by passengers for many was condemned by passengers for many years. Under the new conditions the handling of the immense crowds at-tending the fair will be greatly facili-tated.

FAIRBANKS WILL BE GUEST OF FRAT MEN

(Journal Special Service.)

(Journal Special Service.) San Francisco, Aug. 30.—Vice Presi-dent Fairbanks will reach this city at 7:30 o'clock Saturday evening. He will be met at the station by a delegation of Phi Gamma Delta fraternity men from Stanford, where the vice-president will spend Saturday night and Sunday. Mon-day he will return to San Francisco and be entertained by the Pacific Union club.

622. ALBANY DETERMINED _

asked, to go into effect on August 30 and expire on September 5. In refusing the commission called at-tention to legislation on the subject re-quiring 10 days' notice, said that in urgent cases charges had been granted without 10 days' notice, but it had been careful that the new rate did not expire before 10 days after its establishment. It expressed the opinion that the pro-posed rate was a typical "midnight tar-iff." If there was any valid reason why the tariff should go into effect the com-mission expressed itself willing to en-tertain an application to that end. But in no case would the rate be permitted to be discontinued without 10 days' no-tice to the public and to the commission. Another letter has been received from S. P. Decker of Silverton, complaining of the equipment for shipping stock at that place. He says that the yard is only large enough to hold one deckload, and that it was built by the shippers themselves. Albany, Or., Aug. 30.—Albany is de-termined to have a public library. It is desired to establish one without the assistance of outside capital. In the event of this proving a failure an effort is to be made to secure a Carnegie library and have the city government back the institution. A piece of ground has been offered the local association.
