She declared that the Koreans are especially desirous of learning the Christian teachings, and all the mission meetings are crowded. WESTERN COOPERAGE COMANY BUYS 17 ACRES NEAR ST. JOHNS

The option taken last May by the Western Cooperaage Company on 17 acres near St. Johns and adjoining the site of the Port of Portland drydock, was closed during the past week, the Cooperaage company taking over the land. The officials of the company have been trying for some time past to secure a small tract of river frontage from the Port of Portland, a long lease on which has at last been secured, the Port officials declining to sell the holdings on any terms.

The officials of the Western Cooperaage company decline to state when they will put in a plant in Portland, but that and in view. This concern owns a valuable tract of cottonwood timber on the lower Columbia, which will be utilized in supplying its Portland plant with the raw material.

The sale of the 17-acre tract was negotiated through the realty brokerage firm of E. S. Jackson and company.

BRAINARD CUBS BEAT THE EUGENE COLTS

The Brainard Cubs went to Eugene yesterday and played the Eugene Colts, champions of the Willamette Valley league, defeating them by a score of 5 to 2.

Heavy hitting won the game for the Portland club. Cass Campbell of Portland pitched a good game for Eugene, but the Cubs found him for 15 hits. Kotteman of the Cubs was very effective and the Colts were able to land on him safely but three times. Kotteman struck out 11 men, while Campbell fanned 14. Manager Smith reports that the sentiment is strong in the valley for an extension of the Tri-City league in that direction next year, to take in the towns of Salem, Eugene and Albany.
