WEATHER REPORT

The disturbance yesterday over British Columbia advanced to the Dakotas and caused light rain in Washington, castern Oregon, Idaho, Montana, northern Utah. Another small disturbance was central this morning over the New England states and light to moderately heavy rain fell in the lower lake region, middle Atlantic and New England states. A new high pressure made its appearance off the Washington coast and the barometer was relatively high over the lower Ohlovaliey. It was cooler in northern Nevada and warmer in northeastern Washington. Elsewhere on the Pacific slope the changes in temperature since yesterday morning were small and unimportant.

Indications are for fair weather in large and warmer in fair weather in large the changes in temperature since yesterday morning were small and unimportant.

Indications are for fair weather in

Indications are for fair weather in this district tomerrow. It will be cooler tonight in all sections, except near the Min. Precip.
