CLAIRVOYANTS AND PALMISTS

THE CELEBRATED CLAIRVOYANT AND TRANCE MEDIUM TELLS YOUR NAME, AGE, OCCUPATION WITHOUT ASKING A SINGLE QUESTION, SO CAN THE FUTURE BE FORE-TOLD.

Realizing that this city has been over-run with pretenders, under the guise of palmistry and spiritual mediumship and that many of the best citizens of this city would be only too anxious to visit a good medium if they were first assured of satisfaction; therefore he agrees to give each caller's name in full or tell them anything they wish to know. Is this not honesty? Could any-thing be fairer?

full or tell them anything they wish to know. Is this not honesty? Could anything be fairer?

This is not done to catch business or the riffraff, but to show those who have money to spend where to go for reliable information.

The best citizens have come—those who have never visited a medium before. Why? Because I intelligently unravel their troubles. I see all, I tell all, and never ask one solitary question, but you must come to me fairminded and honest, or I cannot help you; the very nature of my profession admits of no challenge contest. Be passive and I will tell your inmost soul, what is your name, your business, what you can earn, and the prospects of an increase of business; who your employer is, and how you rate with him, who your employes are and who are honest or dishonest with you.

I give the names of those who love you, who are true, and those who are false. I locate missing persons, papers, and furnish evidence. I give the names of your rivals, enemies, and friends. I do find out what causes your bad luck, and remove spells, hindrances, stumbling blocks and hurtis. I stop evil habits, vice, and your enemies designs.

About marriage, I tell you the one who is sincere, and do effect reconciliations, reunite the separated and cause happy marriages. You who are now in sorrow, can't you look back and see now how all of it might have been avoided by proper information as to who was secretly doing you harm; perhaps it is not too late. Come and see me and I will help you frustrate your enemies, rival, or the efforts to ruin your business.

If you are going to consult a medium, who not see the best? I am a specialist your business.

If you are going to consult a medium, why not see the best? I am a specialist why not see the best? I am a specialist in mental impressions; every person respects me because of my sincerity. I can describe the place you searched for hidden treasure and tell you what you may expect about it; locate coal, mineral, oil or gas on land miles away. If you are the interested party and will come and see me candidly and let me fall in asympathy with your mind. fall in sympathy with your mind.

I wonder if you consider my terms fair, square and honest, if so consult

the greatest palmist clairvoyant and receive the most wonderful free test that was ever given. He tells more in five minutes than others do in a life time. There are few persons but who at some time or other have not wished that they might know what the future has in store for them to have guidance has in store for them to have guidance in some business matter; to learn as to what locality is most favorable for their business; to foresee if a journey should be taken, or perhaps to know if the one upon whom their affection is centered will say "Yes" or "No."

Make no mistake when you undertake anything of importance. Get his advice first. Hundreds of others have been put on the road to fortune by him, so why not you?

He gives truthful revelations on all love affairs, troubles, marriages, and, by proper advice restores lost affections, the separated, settles lovers quarrels, tells you when and whom you will marry and how woman you love and how to make your husband or wife be true to you, and how to overpower all your epemies; gives full secret how to control and charm any one you love or meet; you are told how to avoid weakness; warned are told how to avoid weakness; warned against all treacherous friends; locates buried treasure, mines, old estates, lost friends, etc. As a test in his readings, he will tell the name of his callers, what day, the month and the year you were born in, your mother's maiden name, and your most important question.

P. S.—Ladies and gentlemen can call on Mr. Naganzi without the least fear of unpleasant surroundings or having their confidence betrayed. Can be consulted personally only at his private office, 841 1/2 Morrison st., corner of Seventh.
