I AM MASTER OF Special Low Rates WEAKNESS

Note the announcements of all other specialists and medical institutes and you will see how little they say about their treatment for Men's Weaknesses and how lightly they pass over the subject. Yet one man out of every four has a vital weakness which constantly drains his power, and that man must continually force

himself along in his everyday path of living. The Leading Specialist. There is no real joy or happiness that is not marred by his ever-present feeling that he is not as other men. Now to such men I offer hope. I not only hold out a helping hand to lift them up, but I urge them earnestly to accept my aid. I can gain their confidence from the first examination by locating the seat of their trouble exactly, and can always entirely convince them of the logical effect of my treatment when I explain its action. I never charge for this examination or consultation.

"Weakness" Means Just This

That there is some functional derangement, the direct result of infinantion, enlargement or excessive sensitiveness of the prostate gland, brought on by early dissipation or resulting from improperly treated contracted disorder. This condition cannot possibly be removed by internal medicines, and any tonic system of treatment that stimulates the activity of the function can but result in aggravating the real ailment. This is a scientific truth I have ascertained after a careful and scientific truth I have ascertained after a careful and scientific study and upon which my own original system of treatment is based. I study and upon which my own original system of treatment is based. I employ neither tonics, stimulants nor electric beits. I treat by local direct methods exclusively, and my success in curing even those cases that others have falled to temporarily relieve with their tonics is conclusive evidence that my method is the only possible means of a complete, radi-cal and permanent cure.

A Guarantee Worth Something

I do not care what your experience has been with other treatments, what guarantees you have, and what promises were unfulfilled in the past, as unsuccessful, unscientific treatments and unreliable concerns are in ho way a reflection upon honest trustworthy business. past, as unsuccessful, unscientific treatments and unreliable concerns are in no way a reflection upon honest, trustworthy business methods lived up to in this city by me for twenty years. I have an established reputation, and my guarantee means that my patients are indisputably insured of success in their case. There is all the difference in the world between a guarantee of this kind and the promise of those mushroom concerns which are continually failing in business. I repeat my straightforward, square proposition to wait for my fee until the cure is effected.

VARICOCELE, SPERMATORRHEA, LOST VIGOR, ORGANIC WEAK-NESS, CONTRACTED DISORDERS, STRICTURES, SPECIFIC BLOOD POISON and PILES I also treat and cure promptly and thoroughly.

EXAMINATION FREE

I offer not only FREE Consultation and Advice, but of every case that comes to me I will make a Careful Examination and Diagnosis without charge. No ailing man should neglect this opportunity to get expert opinion about his trouble.

If you cannot call, write for Diagnosis Chart. My offices are open all day from 9 a. m. to 9 p. m. and Sundays from 10 to 1.

Rockefeller has succeeded at the expens of his health. He poured his vitality into the hopper and brought out millions, and would gladly give those millions now for a stomach that would appreciate a square meal. It is proven that the vi-tal energy of the human body is electricity. There-fore I believe that elec-tricity is the foundation of

John D. Rockefeller Says: "The man with nothing but health is richer than the man with nothing but wealth."

Why? Because health is happiness. What is money compared to happiness?

Men who can eat three square meals a day and enjoy them are getting more happiness out of life than Rockefeller with all his millions.

Rockefeller hasn't eaten a square meal in fifteen years. He has stomach trouble.

When you overtax your vital forces you don't break down all at once; the first drain is upon the most sensitive organs, like the stomach, and as the body is sapped of its force other organs fall gradually until the body is like a dried lemon.

Your body is run by sectricity. The stomach

digestive fuices of the stomach, consequently you do not get the proper nutrition from your food. It's the action of these fuices upon your food that produces the human electricity. So can't you see that as long as you fill your stomach with poisonous drugs it cannot generate this force?

The reason the kidneys. Hiver, stomach or other organs become weak or debilitated is because they lack electricity. This must be restored, either artificially or by Nature, before they can do their work properly.

My Electro-Vigor pours a stream of electric life into your nerves while you sleep, and these conduct the force to every organ and tissue of your body, giving health and strength to every part.

Electro-Vigor is not an electric belt. It is a dry-cell body battery and you never have to charge it.

Electro-Vigor is far cheaper than a siege of drugging. When I began the use of Electro-Vigor I had tried many doctors and a lot of drugs without getting any benefit.

Electro-Vigor cured me of digestive trouble and restored my strength after I had tried many other methods without benefit.
