holding elections for senators and representatives shall be prescribed in each state by the legislature thereof. Stops Formation of New States.

JEOPARDIZES REPUBLICAN GOVERNMENT.

That the initiative deprives the legislature of the power to direct the manner in which the state shall choose its electors for president and vice-president, in violation of article 2, section 1, which prescribes:

ENDANGERS CHOICE OF SENATORS.

That the initiative deprives the legislature of the power to choose senators in congress, in violation of article 1, section 3, which prescribes:

MAKES LEGISLATORS OF ALL VOTERS.

The telephone company charges also that the initiative is null and void because it makes legislators of all the voters in the state without their being elected as legislators, but solely because they are voters, and does not require them to take any oath as legislators.
