Rates, 1 cent a counted word, seven insertions for the price of six. Simply count the words and you have the price of one insertion, the minimum price, however, being 15 cents per insertion. In case you want the ad inserted for a week, multiply the number of words (minimum 15 words) by six and you have the cost for seven insertions, including insertion in the big Sunday Journal. The carrier that delivers your paper will collect for ads sent in by telephone, calling for the money as soon after the first insertion of the ad as possible.

Advertise in The Journal, daily and Sunday and semi-weekly issues, for any want you may have, whether you want to buy or sell something, hire, rent, exchange, trade, or have lost or found something. A little ad in The Journal will do the work at small cost. It is well to read these little ads, as there is always something of interest in them to every reader of the paper. They go before the eyes of 150,000 readers daily, and among this vast array there is always a number of people more or less interested in your wants and needs, and you in them and theirs. Office open every evening until 8 o'clock and on Saturday nights until 10:30. Telephone any time before noon for your ad in the paper that afternoon and any time before 9 o'clock Saturday night for your ad in the Sunday morning paper.
