A double handful of fans braved the storm yesterday and journeyed to Athletic park to find out for themselves what Portland and Oakland would do with the double header scheduled to begin at 2 o'clock.

At the hour appointed the pitchers' hill and the plate were covered with protections of canvas, and Walter McCredie was the only ball player in uniform to be seen. Soon, however, the others came straggling along, and about 3 o'clock Mr. Derrick said "Play ball."

Bobby Groom went through the motions of a windmill, and Jimmy Smith pointed a bat at him. Jimmy hit the ball into Casey's hands and quit. Haley went out on a grounder to Fay. Van Haltren hit one which started for the right bleachers, but changed its mind and shot back into the diamond and past Donahue. Eagan whiffed the air three times and then the Beavers took a turn at swinging the bat between the rain drops. Casey went out on a grounder. Burdette fanned and Bassey fouled out.

Game Ends in Second.

"Heinie" Heilmuller hit the first and the last ball pitched in the second inning. It traveled through hole between Mott and Fay to the outfield. By that time Derrick deciding that he had enough Sunday wet for any dry town went a run for shelter. The game followed, and when the rain began to gather in puddles a few minutes later Derrick told the faithful to go and get their rain checks.

The Oakland team will not appear on the local grounds this year. But two weeks of local baseball remain. This week Portland and Los Angeles will play, and next week Portland and San Francisco will wind up the season here. The Beavers did not go to Kelso today, as they had planned to do. The outlook was too unpromising, and the excursion was called off by wire and postponed until next Monday.

Beavers Make Better Showing.

McCredie's bunch has made a better showing during the past week than it did for three weeks previous. For the three weeks ending a week ago yesterday the Beavers averaged about one game out of six. Last week they took three out of five from the Commuters, and thereby put a large-sized dent in Van Haltren's chances for the pennant.

The effective work of Charlie Hartman won one of those three games. The other two were captured by means of the heavy hitting of Casey, Bassey, Burdette and other member of the team.

The record was a record breaker for heavy hitting. Eagan got a home run and a two-bagger. Burdette did even better with two three-baggers and two two-baggers. Bassey, McCredie, Mott and Fay each hit once for three bases, while Heilmuller hit three two-swats and Bassey hit twice for two bases.

The Frakes are once more in the lead of the Tri-City league, with but one more Sunday to play this season, unless that Sunday ends with a tie between the two lead clubs.

Yesterday the Frakes put it over Astoria in two games played on the Salmon Cannery grounds. The Kelso Tigers and the St. Johns Apostles played a hot seven-inning game in the rain at St. Johns yesterday, and despite the fact that Charlie Moore, the league's premier twirler, was in the box, Kelso carried away the victory.

A second game was to be pulled off, but it was postponed on account of the rain. Next Sunday Kelso will have a chance to even up matters with the Frakes, for they will be scheduled to play two games, while the Frakes will have but one to play.

If each team wins they will be tied in the pennant race, and the final game will be pulled off between the two on the St. Johns grounds on September 29.

Texas Tennis Championship.

(United Press Leased Wire.) Dallas, Sept. 16.—Fast tennis players from many parts of Texas and from several other states as well thronged the courts at the Dallas club today for the opening of the tournament for the Texas state championship. The play will continue through the week, and no signs of a tournament will be the most successful ever pulled off in this section. The winner in singles will be called upon to play C. C. Cresson Jr., while the team winners in the doubles will contest with Leon and Walter Walthall for the championship of the state.

HUNTING LAWS MORE RIGOROUS THAN EVER

Latest Restrictions Which Hedge About Sportsmen in Various States.

(United Press Leased Wire.) Washington, Sept. 16.—Peculiar are the game laws of the several states, as shown by a review of changes made by the legislatures of 1907, which the agricultural department has just established.

Montana, in a fit of economy, added the duties of fire warden and fish commissioner on her game warden's burden. Generous Massachusetts, on the other hand, has set apart a portion of Martha's Vineyard as a summer home for the health.

Only two states allow deer to be exported, and they are principally states where deer cannot be found—Delaware, Georgia, Kansas, Kentucky, North Carolina and Ohio.

Hunting on Sunday is prohibited in all but four states east of the Mississippi river, and in Iowa, Kansas, Missouri, Minnesota, Nebraska, North Dakota and Oklahoma.

Arkansas adds election day to the closed season, and Ohio includes Monday. The only apparent reason is that it was a holiday.

Only two states allow non-residents to hunt all kinds of game without license. Washington makes the fee for a license \$25. Michigan assesses the same fee on non-residents for a 20-day deer season in November. Colorado and Lafayette county, Florida, require licenses to be renewed daily. In Arkansas non-residents can hunt only on their own property.

Trunkmakers Are Beaten.

(Special Dispatch to the Journal.) McMinnville, Sept. 16.—The McMinnville baseball team won yesterday from the Trunkmakers of the Portland Tri-City league by the score of 10 to 9. The last seven innings of the game were played in the rain and the field was so sticky that the Trunkmakers were played. In the first two innings, which were played on a dry field, McMinnville scored four to the Trunkmakers' nothing. The home team has won 19 out of 22 games played.

Question OF THE HOUR,

discussed with earnestness in hundreds of homes, and dealing with the future material welfare of thousands of young people, pertains to school matters. What course shall be taken? What will be the best in the end?

LET US REASON TOGETHER

We may be able to help you solve the important question under consideration. These are facts—ours is a growing institution. We occupy 2 floors 65 by 100 feet, and have a \$20,000 equipment. All schoolrooms are large, well ventilated, perfectly lighted, warm and comfortable. Our building is new, plumbing is modern, general conveniences are first-class in all respects. Our faculty is composed of bookkeepers, stenographers, lawyers and others who have practiced what they teach, know business requirements, and instruct accordingly. Supervision of the work of students is close, their progress rapid and substantial. Reports are mailed to parents at intervals of two weeks. This is an incentive to regular and punctual attendance, earnest application to study, and correct deportment. It also conveys valuable information to parents, and enables them to cooperate with us to impart business-like habits to young people.

ITS LEADING CHARACTERISTIC

The dominant feature of the Portland Business College is quality of instruction. No school in America outranks it in this respect. Reputation for thorough work brings us many more calls for office help than we can meet. A position is certain for each student as soon as competent.

WE TEACH THE FOLLOWING BRANCHES

Spelling, Grammar, Writing, Arithmetic, Correspondence, Commercial Law, Bookkeeping, Banking, Business Forms, Business Practice, Corporation Accounts, Office Work, Shorthand, Typewriting, Letter Copying, Manifolding, Mimeographing, Legal Forms.

CALL, TELEPHONE OR WRITE. Office open from 8:30 until 6 o'clock, and at any hour in the evening by appointment.

IDAHO TO CONTEST IN BIG SHOOT HEREAFTER

(Special Dispatch to the Journal.) Payette, Ida., Sept. 16.—Idaho militiamen are making preparations to send teams in the future to contest in the army shoot which is held by the government every year at some eastern place, in which teams from the regular army and militia take part. It is thought by those in command that Idaho can produce a team of marksmen which will be hard to beat.

Each of the three battalions in the state will have an opportunity this year for special target practice. The encampment of the Second battalion was held at Meza, in the south part of the state, August 19 to 29, and Charles Elmer, private secretary to Governor Gooding and acting adjutant-general, was in Payette Friday to confer with Colonel L. V. Patch and members of company I in regard to the Third battalion encampment, which is to be held at Boise some time between October 5 and 25. The encampment is to last 10 days. The encampment of the First battalion will be held at Coeur d'Alene some time later this fall.

At these encampments the men spend all their time in target practice. There are no drills. At Meza a number of the men made high marksmen grades, and will be given the regular army marksmen pins. Major Galey of Idaho Falls, chief of the command of the camp, made the grade of sharpshooter.

SULLIVAN-DASHLER GO WILL BE VERY FAST

Baltimore, Sept. 16.—Tonight's battle between Kid Sullivan of Washington and Dave Dashler of Boston is expected to be a fast go from the sound of the gong until the finish. The fight is scheduled for 16 rounds and it is believed that Sullivan will win. Sullivan secured the decision over Dashler in a hard 16-round fight in Boston last winter. They will weigh in at 133 pounds at 3 o'clock.

A Home Drink

After the fatigue of the day's work—after the dinner is over and you sit down for a comfortable evening at home, a bottle of Pabst Blue Ribbon will add to your enjoyment, and aid your digestion.

Pabst Blue Ribbon

The Beer of Quality

is brewed from Pabst Famous Eight-Day Malt, which contains all of the nourishing, wholesome, food properties of barley-grain in predigested form. These properties, together with the tonic quality of the choicest hops, give nourishment and tone to the system. The very small percentage of alcohol (less than 3 1/2%) is a mild stimulant that prompts the stomach to do its best work.

CUBS DEFEAT CAMAS IN DRIZZLING RAIN

(Special Dispatch to the Journal.) La Camas, Wash., Sept. 16.—The Brainard Cubs of the Tri-City league, Portland, easily defeated the Camas team on the local grounds yesterday, the game being played in a drizzling rain.

By mutual consent the game was shortened to seven innings. The visitors put up a fast fielding performance and hit at opportune times. The Cubs' battery, Kotteman and Thomas, were in fine fettle and delivered the goods in excellent shape. Kotteman smashed the ball on the nose for a clean home run during the sixth inning. Cox of the Camas team also made a home run out of a three-bagger and an error by the Cub outfield. The Camas team was crippled by the absence of Pitcher Neffzer, but the result might have been the same, as the balls used during the game were too wet to curve and the pitchers had to depend entirely upon straight, fast delivery. Score by innings:

Cubs	1	0	0	0	2	8
Runs	1	0	0	0	2	4
Hits	2	1	4	0	2	1-10
Errors	0	0	0	0	0	3
