FEW CHAMPIONS LOSE IN RETURN MATCHES

Victory of Young Ketchell Over Joe Thomas One Exception to the Rule.

The defeat of Joe Thomas by young Ketchell is one of the few instances where the "unknown" profited by the second meeting with a pugilist of champion caliber. But that was only be-cause Ketchell was a great but "un-discovered" champion himself. Many champions or near-champions have run against snags in picking up a little so-called "easy money" and have been all but beaten by the unknown. As a rule the unknown clamors wifely

for a return match, feeling that the "champ" will be easy next time.

Abe Attell has had his share of surprises. A young unknown named Carsey surprised the champion at Davenport, Iowa, several months ago and it took all of Attell's speed and cleverness to pull out a draw at the end of 15 rounds. Carsey was there strong with the "I was robbed" cry and the men were rematched. In bout No. 2 Carsey bit the matched. In bout No. 2 Carsey bit the dust in round three. Harry Baker also thought he "had something on" the featherweight champion after their first bout and his one ambition in life was to entice Abe back into the ring. When the men met for the second contest Baker was handed a sleeping potion in round sight.

round eight.

Kid McCoy had several narrow escapes from unknowns, but in a second meeting was always able to demon-strate. It is usually the champton or the fighter of class that is benefited by a second engagement.

KETCHEL AND THOMAS MAY FIGHT ONCE MORE

Also Possible That Joe Gans May Be Matched Against Welterweight Champion.

(Pacific Coast Press Leased Wire.) San Francisco, Sept. 17 .- Another Ketchel-Thomas fight is spoken of, but the weight question is proving a stumbling block. Thomas says he will never make 150 again for anybody. He wants catch weights. Ketchel will allow Joe to weigh 152 pounds and not an ounce more. As Thomas is distinctioned to enter into any contract that does not permit of his fighting section.

inclined to enter into any contract that does not permit of his fighting at catch weights, the prospect of an understanding being reached is not very good. Some of the matchmakers are linking the names of Ketchel and Joe Gans. Ketchel it is stated, would like to meet the lightweight champion, and Selig, speaking for Gans, said when approached on the matter that Joe would make certain concessions if it appeared make certain concessions if it appeared that there was a demand for a Ketchel-Gans match.

MORAN AND NEIL MAY FIGHT AT GOLDFIELD

(Pacific Coast Press Leased Wire.) San Francisco, Sept. 17.-Goldfield is after a battle between Frankie, Neil and Owen Moran, the English bantamweight champion. Moran, who has arrived in New York, has opened negotiations with the Nevada people, who in turn wired BiHy Roche stating their terms and requesting Roche to close with Nell, as they intend staging the event in October. This is Moran's second trip to this country. Moran is the boy who beat Joe Bowker, Nell's con-

Cures Without Drugs

Wonderful Invention Restores

Health by Nature's Method

There's no need of ruining your stomach by doping it with drugs, trying to overcome pain or some chronic ailment. No need of doctor and drug bills, for here is a remedy that cures Nature's way.

Most of the allments of mankind are due to the failure of breaking down of the stomach, kidneys, liver, heart or digestive organs. When one of these organs fails to work properly something happens; pain, disease or various chronic allments

shronic allments result.

The reason any organ breaks down or fails to work properly is because it lacks motive power — elec-tricity. That is proven. Now to cure pain or disease you must find the cause and re-

move it. is caused by a lack of electric energy restore

method. That's Nature's method. method. That's Nature's method. Electricity builds up, supplies strength—nourishment to the body. Drugs destroy, tear down, because they contain poison instead of nourishment. Of course, they can force an organ to act, but that organ is weaker after the effect of the drug has passed off. Drugs stop pain temporarily by stupefying the nerves but the pain comes back and you have to take the drug again. Every dose weakens the nerves.

Electro-Vigor is an electric body battery, applied while you sleep. It pumps a stream of electric life into every nerve and tissue of the body, building up vitality and strength and removing the cause of disease.

Electricity as applied by Electro-Vigor does not shock or blister. The only sensation is a soothing glow.

Electro-Vigor is not an electric belt. It never needs charging, for it makes its own power continuously.

Electro-Vigor has proven a great success. It has cured people all over the west whom drugs had failed to benefit.

Electro-Vigor has cured me com-pletely of a very bad case of stom-ach trouble, and I now have no all-ment of any kind. Altaville, Cal. HENRY BONNEAU.

Treat Cases Can't Cure

I treat for real and lasting cures. Every remedy I employ has its part in bringing positive and permaent results. Under my treatment the patient who notes improvement in his condition can feel assured that real benefit and not a temporary drug effect has been obtained, and can continue with confidence that a thorough cure is being accomplished. My success as a specialist is due to the fact that I accept no incurable disease and always treat with a cure in view, never resorting to the use of a remedy that brings out temporary encouragement to the patient.

"WEAKNESS" have conclusively demonstrated the fact that derangement of the mascu-line functions is a curable airment. That there has been considerable di-

line functions is a curable aiment. That there has been considerable diversity of opinion upon this point among the profession is but an evidence that functional weakness has not been thoroughly understood and has been unscientifically treated. Though commonly regarded as a nervous disorder it has never yielded when treated upon this theory. I have ascertained by the closest observation in thousands of cases that only in rare instances is the general constitution or nervous system involved to any noticeable degree whatever, and that "weakness" in all its phases is merely a symptom of nervous disorder. In by far the greater number of cases the functional derangement is due to a single case, a chronically inflamed condition of the prostate gland, brought on by early dissipation (or lingering as a result of some improperly treated contracted disorder. Such cases may show temporary improvement under stimulating processes of treatment, but ultimate relapse is certain to follow all such methods. The only radical cure is the absolute removal of the abnormal condition responsible for the functional disorder, and this I positively accomplish through carefully and without de taining the patient from My treatmen for Specific Blood Poison forces the ver last taint of virus from the system, and all this is accom-plished without the use of dan-merous miner-

27 Years' Experience. We cure safely and promptly WEAKNESS, LOST MANHOOD, SPER-MATORRHOEA, SPECIFIC BLOOD POISON IN ALL STAGES, VARI-COCELE, HYDROCELE, GONORRHOEA, GLEET, OR ANY OF THE DISEASES COMMON TO MEN. Personal attention given all patients

WE CURE WEAKNESS

This is to men who lack courage, whose nerves are shaky, whose eyes have lost the sparkle, whose brains are muddled, ideas confused, sleep restless, confidence gone, spirits low and easily depressed, who are backward, hesitating, unable to venture because they are afraid of failure, who want somebody to decide for them, who are weak, run down and restless. It is to men who have part or all of these symptoms and want new life, new energy. We especially solicit those cases in which many so-called treatments have failed, or where money has been wasted on other methods of treatment. Don't experiment when our direct method offers a certain means of cure by local treatment.

WE CURE VARICOCELE

Varicoccle causes congestion of the blood in some of the most vital blood vessels of man. It causes a dull, heavy, listless feeling, which is often mistaken for nervous debility or general decline. Varicoccle results from partial paralysis of the delicate nerve fibers that control local circulation of the blood. The muscular coating of the veins is deprived of nervous control and become inactive, weakens and relaxes. The blood vessels expand from the pressure within. The circulation becomes sluggish and clots form in little nocks and pockets that constantly enlarge as the relaxation continues.

We have cured thousands of complicated cases where others have failed. Our offices are well appointed and equipped with the most modern appliances and the latest inventions essential for the proper and up-to-date treatment and cure of special diseases.

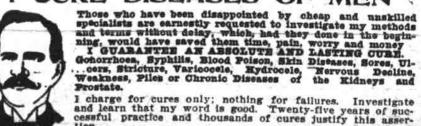

You may consult us privately in confidence. You will be examined in a thoroughly scientific manner and our diagnosis and advice will be cheerfully given to you absolutely free of charge. After this if you desire to be treated and we undertake your case, we will cure you and make you well and strong as you ought to be.

No matter what your aliments are, call or write to us today, stating your case plainly in your own way, and receive the benefit of a modern, skillful diagnosis. All letters answered in plain, sealed envelopes.
