CROWDSSHOW APPROVAL

New Store of W. H. Markell & Co. Has Successful Opening.

Thousands of happy faces were seen at the grand opening of W. H. Markell & Co.'s new east side department store last evening. They came just to look, for no goods were sold during the recep-tion. But each and every one had pleas-ant and merited words of approval for the great enterprise of W. H. Markeil and C. A. Bigelow, whose smiling coun-tenances attested the success with which the opening affair had met. The tenances attested the success with which the opening affair had met. The clerks who filled their appointed places met regular patrons of the store and made newcomers feel at home. Everest's orchestra rendered an excellent program from 7:30 to 10 o'clock, while several young ladies handed out the handsome souvenirs of the occasion. The various departments were at their The various departments were at their best and elegant fixtures made to meet the requirements lent a richness to the displays. The millinery, cloak and suit displays. The millinery, cloak and suit departments attracted special attention. Measured by the surging mass of humanity present last night to show approval there is every reason to feel that Portland's mercantile progress can no longer be estimated by the efforts of the west side alone. The grand opening was an unqualified success, indicating clearly, the future which is in ating clearly the future which is in store for this enterprising firm whose new building is conveniently located at East Morrison street and Union ave-

THE WHOLE | AUUIIIEU;

Mrs. Reynolds, Crying for Join Husband When Jury Returns Verdict Acquitting Reynolds of Charge.

Charles H. Reynolds was acquitted of the murder of George H. Hibbins by the jury in Judge Gantenbein's department of the circuit court yesterday afin the library of the jail and wept for joy when she heard the verdict.

Soon afterwards, Reynolds, carrying his value, accompanied by his wife and will preach at 10:30. two children, left the jail, a free man. All of yesterday afternoon while the final arguments to the jury were being made, the courtroom was crowded more

The jury retired at 5 o'clock and 20 minutes afterward sent word that they had agreed upon their verdict. Judge Gantenbein warned the crowd against grocer in North Portland, considers it his duty to recommend to his patrons to drink "Golden Grain Granules," which is pure.

E. T. Johnson, M. L. Johnson and J. H. Gross this morning filed in the office of the county clerk articles of incorporation of the Mount Hood Fuel company. Capital stock, \$1,500.

Gantenbein warned the crowd against making any demonstration either of approval or disapproval, but when the verdict of not gullty was read the judge's warning was forgotten and the spectators showed that their sympathies were with Reynolds by cries of "Good" and applause. Judge Gantenbein's bail-if silenced the crowd as soon as he could and the judge discharged the jury after thanking them for their consideration of the case.

eration of the case.

Reynolds shook each of the jurors
by the hand and thanked shem. Then the thanked his attorneys, received the congratulations of friends and taking his children by the hand, walked from his children by the hand, walked from the courtroom to the jail where he packed his valies and was released.

Attorney Logan for the defense in his closing argument to the jury, riddled the dying statement made by Hibbins, declaring it to be a tissue of falsehood. He said if he could not show positively that there were no less than five lies in the statement he was willing to have the jury write any verdict against Reynolds they might choose. He declared the first lie to be Hibbins' statement that his name was Herbert.

In his charge to the jury Judge Gancept Sunday. Leaves Washington street dock at 2 p. m.

An examination for library assistants will be held in the library on Tuesday. September 24th.

SLEEP STANDING

Portland Hotels Unable to sion; Accommodate Hundreds Who Visit City.

the leading hotels last night guests were being turned away by the score when there were still six trains to arrive there were still six trains to arrive the score when the score were still six trains to arrive the score when the score were still six trains to arrive the score when the scor in the city. This same hotel has been turning away between 50 and 100 guests a day for the past week simply because were not enough rooms to go

Other hotels report the same condi-tions and never before in the history of Portland with the exception of the year in which the Lewis and Clark ex-position was held, have the hotels been so overwhelmed with guests.

"If you have more guests than you can handle, why don't you raise the price of your rooms?' was asked a ho-That wouldn't make any difference,

was the reply. The people would keep on coming. As a matter of fact these crowds of tourists simply indicate the wonderful prosperity of the country. The railroads are unable to handle the growing business of the country and neither can the hotels.

'We have double the number of traveling men coming to Portland this year that we have had formerly. The business of the city is growing at a mar-velous rate and we keep a long list of names of commercial men who want sample rooms in which to exhibit their "This is the season of the fall rush among this class of travelers and there

is not a vacant sample room of any size or description in Portland today. As for the tourist travel it has outgrown all hotel accommodations in Portland. A first class hotel with 400 rooms would be filled up and on a paying basis at the start if built today."

Commercial men say that Portland is in greater need of better hotel accommodations than any other city on the coast. They have no difficulty in the coast. They have no difficulty in se-curing rooms in Seattle. San Francisco or Los Angeles and only wonder why they have such a hard time in secur-

ing rooms here.
With all this trade in sight there is no prospect for immediate relief. The hotel building of consequence contemplated for early occupancy is the annex to the Oregon. This will ald materially in handling the immense growing traffic and it is hoped to have the new hostelry ready for guests by

METHODISTS TO HOLD LOVE FEAST

Annual Good Will Meeting Sanatorium Lacks Resourses Begins a Week From Next Sunday.

Joy, and Two Children IMPORTANT QUESTIONS WILL BE DECIDED

> Eliminating Worldy Amusement Clause From Methodist Discipline.

One week hence the annual love feast

This is but one of the important servp. m. with a reception at Grace church. when there will be addresses by Mayor Lane, Bishop Moore and Rev. Everett

All-day sessions will follow beginning each morning at 8:30 at Grace church. Will Decide Important Matters.

Several important matters are to come up before the conference, among them these: The question of eliminating the clause on worldly amusements from paragraph 248 of the Methodist discipline, and the election of presiding elders, thus taking the appointive power out of the hands of the bishops, who have hitherto exercised it in selecting these pastors

of pastors arbitrarily.

Whether or not the Methodists shall elect pastors for the different races and languages instead of limiting the office to itinerant general superintendents. All of these questions point to a general democratic feeling among the authorities of the Methodist church, and are to be presented to the annual confer-ence in each state having been raised in All possible arrangements have been made for the comfort and convenience of the guests attending the conference.

the New York central conference. The homes of the people have been thrown open, Grace church has been fitted with telephone connections for the free use of guests, 10 rooms have been adjusted for the use of committees. and secretaries and the Holmes Business college will furnish two stenographers and typewriters to assist the conference in correspondence and committee

Program as Arranged. Following is the official conference

BIG SEWER RAPIDLY

Brooklyn Project Is Being Crowded Forward by Three Big Crews.

Rapid progress is being made with the Brooklyn sewer project, the largest ever attempted in the city and which will cost about \$250,000. Despite the large number of difficulties that had large number of difficulties that had to be surmounted the headway that has been made during the last few weeks has been satisfactory. There are five crews at work, 25 men in a crew. Three crews are engaged on the south branch, in the vicinity of East Sixteenth and Holgate streets. The work here is being carried on very fast, although difficulties have confronted the men in the way of quicksnad and water. There are two trench machines on this branch and a large crew of masons are There are two trench machines on this branch and a large crew of masons are keeping pace with the machines. The north branch is completed.

Within a few weeks work will begin again on the big tunnel that leads from East Eleventh street to the river. Of this tunnel, 1,600 feet long, less than 100 feet is yet to be taken out. As soon are this is everywhead the water can be

as this is excavated the water can be drained direct to the river and the mason work begun. The inside diam-eter of this tunnel is 10 feet.

Difficulty is being met by the crew at East Tenth and Ellsworth streets. Here the gravel and sand is closely packed and the crews are making little head-way. When this work is completed the tunnel will be started again and the sewer completed within a few months, possibly by January I, should favorable

(Special Disputch to The Journal. Albany, Or., Sept. 21.—A. Welch of the three years that have elapsed. I am Salem has been granted a franchise by the city council and Albany is in line value of your remedy." to have an electric line within a short time. Under the terms of the franchise, work must be commenced within six months and the line completed in 18 months. The maximum fare is to be five cents. After the lapse of five years the city is to receive \$100 a. of States. year for five years and \$200 a year for the next 15 years.

NEED FUNDS FOR

to Carry Out Plans for Future.

MANY IMPROVEMENTS MADE DURING YEAR

Institution-Hope to Get State Interested in Time.

Urgent appeal for popular aid for the of the Methodist Episcopal church will Portland Open Air sanatorium is made in ternoon after a deliberation of only 20 be held in the Marquam Grand theatre, the annual report of the president, A. minutes. Reynolds' wife waited for him and all the Methodists from far and L. Mills, to the board of trustees. The near are expected to fill the auditorium institution is greatly in need of funds for this good will meeting at 9 30 a. m. in order to carry on its work success-Sunday, September 29. Bishop Moore fully, and the president calls upon philanthropic people to come to its assistance. The report follows:

ices in connection with the fifty fifth "From the secretary's report you will annual conference, which is to begin its find that what may be called the cost than it had been at any time during the session Tuesday evening next at 7:30 of operation of the sanatorium (i.e. sundries, supplies and payroll) for the past year exceeded the income from patients by \$2,348.62. The year previous, 1966, showed a deficit of \$3,374.95, and for the eight months of 1905, \$ 339.88. The showing for this year consequently somewhat better, but until the sanatorium has more patients we may expect a deficit in the operating expenses of between \$2.500 and \$3.000 per annum. This is exclusive of any money that may be spent for buildings and furniture. and furniture

No Solicitor This Year.

"The donations for the year amounted to \$5.605.84, contributed by nine friends of the sanatorium, as against donations the sanatorium, as against donations the previous year of \$5,905.50, contributed by considerably over 100 people. This is accounted for by the fact that in 1995 there was a solicitor in the field whereas this year's contributions were entirely voluntary.

"The work of the year has been marked by many changes in the buildings and appearance of the grounds."

marked by many changes in the buildings and appearance of the grounds. As you will note, \$9.570.50 was expended in buildings and furniture. The Administration building was almost doubled in size, a large, bright and cheerful dining-room, sleeping-rooms for employes, two new bathrooms and an office were added. Two attractive cottages, with shingled roofs, tollets and closets, known as the Corbett and Brooke cottages, were erected. Five of the oldtages, were crected. Five of the old-style tents were converted into new wooden cottages with shingled roofs.

Forced to Borrow Money. "In order to pay for the above im-ovements it became necessary in addition to what money was donated by friends, to borrow \$5.500. This is guaranteed by friends of the sanatorium, and it should be our effort at an early date to liquidate the same. This debt of \$5.500 and an overdraft of \$203.33 with the treasurer, is the total amount of the indebtedness of the sanatorium, exclusive of the August bills rot yet.

exclusive of the August bills not yet audited. As against this we have 14 acres of ground which together with the improvements stand on our books at \$18,576.24 The grounds have been much improved during the year, trees taken out and some sixty odd loads of good soil filled in. Today the grouping of the cottages and administrative build-ing and the appearance of the grounds, are the subject of favorable comment

by all visitors.
"The septic tank proving useless and a menace to the health of the patients, it was shandoned and an adequate system of drainage put in by

and penniless patients as a rule have to be refused. "One's sympathies are often aroused by some poor sufferer who has sought the institution for relief and yet has no money. To send such a sufferer down the hill hopeless, despondent and with no place to go, is a source of re-gret to those in charge of the sana-torium, as well as to your executive

board "Kind friends have somewhat relieved this situation by volunteering to stand good for the care of a few sufferers, so that we always have three or four charity patients in the institution who are cared for by friends of the sanatorium. There is no nobler work than assuming the charge of some such sufferer, since the institution has demonstrated that many such are restored to health who otherwise would have died a miscrable, lingering death.

"During the year Dr. Pierce has visited different parts of Oregon, Washington and Idaho, and delivered lectures on the subject of tuberculosis. His talks have attracted attention with the result that not only our institution has been advertised but, better than all, a proper knowledge of the disease has been disseminated.

The newspapers of Portland also have

treated the sanatorium kindly and have repeatedly published information re-garding consumption, its treatment and cure. As Dr. Pierce states in his re-port, we have cared for more than 100 patients during the year, and the re-sults are gratifying.
"Both Dr. Pierce and Miss McNamara

have been unswerving in their loyalty to the institution, and it has been a con-stant pleasure to your president to meet, advise and cooperate with them in the good work.

Board Is Proud of Work.

"In conclusion your president would urge the trustees not only to visit the sanatorium, but to urge their friends to do the same. It is only necessary to see the buildings, grounds and work that is being done, in order to become an active supporter.

"The board of trustees need feel nothing but pride in the institution, and it is only a question of time when its good reputation will be widespread. In the meantime it may be hard to keep up the good work and we may be called upon good work and we may be called upon heavily for its support, but in the end the institution will be self-supporting in its operating expenses and a blessing Long Program Arranged for Week's Gathering—Will Discuss Matter of Patients Without Money to Enter of Oregon."

The Institution will be seen and a blessing to the people of Portland and the state of Oregon."

Choice Program.

The approach to Indian summer days at the Oaks serves but to lend additional charm to the flowery landscape of the hig amusement park and hundreds of tourists visit the place every day to revel in the beauties of the river view and to pass the time among the diversions that are offered here. All the school children of Portland—or at least what appears to be a round majority of them—were at the Oaks yesterday enjoying free of charge the entertainment that was prepared especially for them. Admission is free for women and children every day excepting Sunday. All the swings, the roller swings, the long. the swings, the roller swings, the long, bumpy Chilcoot pass slides and the hide-and-seek house on the avenue are besieged with a merry throng of youngsters, while the riding amusements and other devices are at half price today. Sunday Signor Chieffarelli and his big band will render a choice program of selected classical and popular airs that will as usual draw a large Sunday afternoon crowd. The concert season at ernoon crowd. The concert season at the Oaks will soon end. Roller-skating seems to be more popular this ear than last, and so many of the best skaters of Portland are now coming to the Oaks rink to skate to the continuous music furnished at all hours by a \$7,000 gl-gantic orchestrion operated by electric-ity, and an orchestra, that hundreds of skates are held on reserve orders.
