Most Favored Fall Waist "Models"

Our early selection of Fall Waists may be enjoyed to the fullest extent in our second floor waist displays. Stocks are complete and the most beautiful sanctioned styles that bid fair to distinguish the autumn and winter of 1907-1908, as a period of most artistic dress we have ever known. Particular attention is called to our celebrated "Castleton" Waists in fine messalines in white and evening shades; also the most exquisite effects in highest-class plaid silk and net waists.

Rare Quality in the New Fall Silk Showing

Plaids are in extreme popular favor; there are the pompadour plaids, warp print plaids, French satin bar plaids, Scotch plaids and every other kind of plaid. The rich tones form the basis of the very unusual interest which is taken in silks this season, but there are as many different styles, colors and designs as there are desires.

Now if you have any particular want, or favor a certain design or shade, inspect this showing, they're all here. Purchased through our Paris office, thus bringing the finest from the world's silk center to you, at prices lower than those of other stores, we save the profit of the commission man on this side—it's yours.
