now overlies the upper Missouri valley The Minnesota disturbance has advanced east to Lake Huron and united with the one over Virginia. This low pressure area has caused general rain in the northern states east of the Dakotas. The rains were heaviest in Virginia and the District of Columbia. A shallow trough of low pressure extends from California north through Oregon and Washington to Canada, and the barometer is again rising off the Washington coast. The weather on the Pacific slope is unsettled but no rain has as yet occasion.
