While I might with equal success turn my attention to the cure of all bodily ailments, I feel safer in confining my practice to the diseases that have claimed my entire time and energy in mastering for the past 25 years. My methods of treating men are a result of my own study and experience. They are the methods that have made me a successful specialist and are practiced by no physician other than myself.

**MY FEE IN SIMPLE CASES** 

Improper treatment of contracted dis-

eases can easily bring loss of power. An examination reveals this very cause in a large portion of the cases of weak-ness. Lingering inflammation center-

in a large portion of the cases of weak-ness. Lingering inflammation center-ing in the prostate gland is sure to result in disordered functions, and the condition will never be corrected until the inflamed and swollen gland is re-stored to its normal state. I thorough-ly cure every contracted disease I treat. The remedies I employ are known to myself alone, and no other physician has yet produced equally prompt and thorough cures,

Varicocele, Hydrocele, Specific Blood Poison, Files and Stricture are included in the list of diseases I cure.

TWENTY PER CENT

(Special Dispatch to The Journal.) University of Oregon, Eugene, Sept.

5.-Registration opened at the Uni-

versity of Oregon yesterday, showing

an increase of about 20 per cent over

the first day of last year. As many

have not yet arrived, this gain is cr-

pected to continue. Although hampered

pected to continue. Although hampered by the lack of funds. President Camp-bell anticipates no difficulty in accom-modating all in class work. The faculty will remain practically the mame. This means a great sacrifice on the part of members, as they will lose their salarles for the rest of this year unless the legislature appropriates enough to pay them. Many have re-fused advantageous offers elsewhere and remain through sheer loyalty. Neither the girls' dormitory nor the classrooms in the new library can be furnished or heated, but the library rooms will be ready for use. All plans for new buildings and equipment have also been given up. However, President Campbell expects more and better work this year than last.

The new officers of the National Let-

ter Carriers' Association, elected at the

recent convention at Canton, are as fol-

lows: President, W. E. Kelley, Brook-

We cure safely and promptly WEAKNESS, LOST MANHOOD, SPER-MATORRHOEA, SPECIFIC BLOOD POISON IN ALL STAGES, VARI-COCELE, HYDROCELE, GONORRHOEA, GLEET, OR ANY OF THE DISEASES COMMON TO MEN. Personal attention given all patients.

# WE CURE WEAKNESS

This is to men who lack courage, whose nerves are shaky, whose eyes have lost the sparkle, whose brains are muddled, ideas confused, sleep restiess, confidence gone, spirits low and easily depressed, who are backward, hesitating, unable to venture because they are afraid of failure, who want somebody to decide for them, who are weak, run down and restless. It is to men who have part or all of these symptoms and want new life, new energy. We especially solicit those cases in which many so-called treatments have failed, or where money has been wasted on other methods of treatment. Don't experiment when our direct method offers a certain means of cure by local treatment.

# WE CURE VARICOCELE

Varicoccie causes congestion of the blood in some of the most vital blood vessels of man. It causes a dull heavy, listices feeling, which is often mistaken for nervous debility or general decline. Varicoccie re-sults from partial paralysis of the delicate nerve fibers that control local circulation of the blood. The muscular coating of the veins is deprived of nervous control and become inactive, weakens and relaxes. The blood vessels expand from the pressure within. The circulation becomes slug-gish and clots form in little nooks and pockets that constantly enlarge

gish and clots form in little nooks and pockets that constantly enlarge as the relaxation continues. We have cured thousands of complicated cases where others have failed. Our offices are well appointed and equipped with the most mod-ern appliances and the latest inventions essential for the proper and up-to-date treatment and cure of special diseases. You may consult us privately in confidence. You will be examined in a thoroughly scientific manner and our diagnosis and advice will be cheerfully given to you absolutely free of charge. After this if you de-sire to be treated we will cure you and make you well and strong as

I CURE MEN

WHY MY CURES ARE

LASTING

Because the methods I employ meet even the most minute details of those aliments to which they apply and are readily modified to meet the require-ments of individual cases. Because my treatment is ample, scientific and thor-ough, my cures are complete and last-ing, and my patients have no relapses, for the same reason I am usually able to cure in much less time than is com-monly required in obtaining but par-tial results.

WEAKNESS

So long as physicians continue along the old lines of treatment of this dis-order, men will continue to be disap-pointed time and again in their efforts to obtain a cure. I have found that disorders entirely local are responsible for prematureness, loss of power, etc., and that there is not even the slight-est possibility of obtaining a cure through use of internal remedies. My treatment is directed toward the re-moval of all abnormal conditions throughout the organs involved, and I do not fail in a single instance to re-store complete and permanent activity of all the functions.

I offer consultation free either at my office or by mail, and am always glad to render any advice that may be help-ful. All correspondence strictly con-fidential.
