MEN'S WEARING APPAREL

For the Fall and Winter Season:

The finest fabrics to be obtained in the markets of the world; many weaves exclusive with us were used in the making of these clothes. Browns, grays, dark blue and dark green effects will predominate. Fabrics of these colors mark the difference between select and ordinary clothes.

We present our clothing department representing clothes service—as distinguished from mere clothes selling. Every man clothed in the fashion of the coming season will be a well dressed man. From our complete assortment of exclusive styles and patterns we are confident of pleasing you in that fall and winter Suit, Overcoat or Cravenette, ranging in price from
